

The Mightiest Little Peasant Chapter 3034

In the North of the Li Water Tribe continent.

A stream of light was flying across the sky.

After a while, he stopped.

Not far ahead of him, an extremely vast mountain range appeared. It was covered by thick clouds and mist. Vaguely, he could see the divine mountains that towered into the clouds, as well as the divine palaces and palaces on the mountains.

“Is this the Saint Beast Celestial Palace?”

Tang Hao mumbled.

The mountain Gate in front of them was much bigger and more magnificent than the Holy beast immortal Palace in the lower realm.

He also heard that there was an immortal level Xuanwu under the mountain Gate. The entire Mountain Gate was carried by the Xuanwu and could move at any time.

“This Saint Beast immortal Palace is quite powerful!”

Then, he exclaimed in admiration.

In the entire immortal world, the Holy beast Palace was quite famous. There were several golden Immortals in it, similar to the nine cloud Palace.

“Fei Wan ... She doesn't seem to be inside!”

When he got closer, he carefully sensed.

Before Fei Wan ascended, he had given her a ring that contained his spiritual will.

“In that direction ...” He said.

He sensed it carefully again, then turned to look in one direction.

He could sense that his ring was extremely far away.

“Let's go and take a look!”

His figure moved, and he rushed over.

In the distance, in a vast mountain range, a few figures were passing through the forest.

This mountain range was filled with poisonous miasma, and they had to release their divine light to resist it.

From time to time, they would stop to pick some flowers and plants.

“We’re still short of ten stalks. Hurry up and find them. We’ll leave after we’re done picking them!”

“Yeah! Hurry up, this place is too dangerous.”

The group of five people were all women.

The person in the lead was dressed in a black immortal robe. Her curves were curvaceous and curvaceous, and she was extremely hot.

Her face was dazzled by her beauty.

She looked like she was 25 or 26 years old, and she exuded a mature charm from head to toe. She was beautiful beyond compare.

The few women behind her were also quite pretty, but they paled in comparison to her.

“Sister Yun, why do you have to do this? these missions are tough and dangerous. Why do you have to come?” Behind her, a green-robed female immortal suddenly muttered.

“If I’m not doing missions, what should I do?”

Yun feiwan turned around and smiled.

“I heard that there’s an elder who’s interested in you. If you become his cultivation partner, you won’t have to work so hard. You’ll be free every day. How good would that be?” The green-robed female immortal said as she revealed a look of yearning.

“Yup! That’s right! How many people are envious of you for being able to get on the good side of an elder!”

The rest of the people followed suit, all of them somewhat envious.

They were all in the early stage of human immortal and had just advanced to true immortal not long ago. They were nothing in the palace. If they wanted to improve their cultivation, they had to work hard to complete tasks in order to exchange for Dao attainment.

If he could get close to a heaven immortal elder, he would be able to soar into the sky and become a prominent figure in the palace.

“What’s there to be envious of?” Yun feiwan laughed and said, “I don’t like to depend on others. Isn’t it better to rely on myself?”

“It’s good, but it’s too difficult to rely on yourself. How many years will it take to become an earthly immortal or even a celestial immortal?” The green robed female immortal laughed bitterly, “just the earth immortal stage will probably take two to three thousand years.”

“So be it if it’s two or three thousand years. After all, my lifespan is so long.”

Yun Fei smiled.

“I almost forgot that you came from the lower realm, sister Yun.” The green-robed female immortal said.

The immortals who came from the lower realm were generally much older than the immortals who had ascended from the immortal world. Naturally, they did not feel that two or three thousand years was very long.

“By the way, sister Yun, I heard you say that you had a Dao partner in the lower realm. Is that the reason why you didn’t accept that elder?” She suddenly said.

“Dao-companion? I don’t think so!”

Yun feiwan was stunned and shook her head.

She did not know what that relationship was.

Because everything had happened too quickly.

Even though she could not forget that lingering memory, she did not know what he was thinking.

After all, he was too dazzling.

In the origin immortal realm, his name had already shaken the starry sky and the entire immortal world. That so-called monster from the lower realm was probably him.

I heard that he has already ascended to the upper realm. I wonder where he is now?

Would it be safe?

When she thought of this, her brows furrowed slightly, and she felt a little worried.

She wanted to see him every day, but she was afraid that he would expose himself and cause a disaster.

“Why not?” The green-robed female immortal said in surprise.

“That was a long time ago,” Yun feiwan sighed.

“That’s true! Men are all womanizing. You two are two worlds apart, so he might have forgotten you long ago.” The green robed female immortal said angrily.

Yun feiwan chuckled.

“Let’s go! We’re still missing a few more, we’ll go back after we’re done!”

She took the lead and swept forward.

Soon, she found another one and quickly flew over to pick it.

However, as soon as she got close, her expression changed.

The next moment, a black shadow flashed and a three-foot-long snake suddenly emerged from the grass, opening its mouth to bite.

Even though it was small in size, its aura was not weak at all. It was a true immortal state being.

“Not good!”

The few female Immortals ‘expressions also changed as they exclaimed.

The lingyue mountain range under his feet was a famous dangerous place in the Li Water Tribe continent. Many prehistoric beasts with ancient bloodlines lived there, many of which were immortal level. Most of these beasts were extremely cunning and liked to hide, making it impossible to guard against them.

Yun feiwan’s mind flickered as a ray of light shot out from her sleeve and struck the small snake.

However, when she collided with the little snake, her divine light collapsed.

Clearly, this little snake’s strength was much higher than hers.

Her heart skipped a beat and sank.

If this little snake pounced on him, he would definitely be injured even though his life would not be in danger.

She spread out her protective immortal light and waited for the little snake to pounce and bite her.

However, at this moment, the little snake suddenly stopped and looked up into the sky. The next moment, its body suddenly arched as if it had seen something extremely terrifying.

Then, he turned around and ran. His speed was unbelievably fast, and he disappeared in the blink of an eye.

“This is ...?”

Seeing this, the five of them were a little confused.

It was clearly about to pounce, but why did the beast suddenly run away?

“Guys, look! There’s someone up there!”

Suddenly, someone looked up and exclaimed.

Everyone raised their heads and saw the miasma above them separate. A figure appeared and stepped down.

It was a middle-aged man in a white immortal robe. His appearance was unremarkable and ordinary, but his aura was extremely profound, giving people a feeling of unfathomability.

Then, they thought back to the little snake’s terrified expression just now. They were all shocked.

This ordinary-looking man was at least an earth-god level master.
