

## The Mightiest Little Peasant Chapter 3041

Peng Peng Peng!

A few explosions.

The aura spread out, shattering the layers of light that Tang Hao had spread out.

The defensive treasures were sent flying one after another.

Finally, it struck his clear sky silk.

The divine light on the surface of the clear sky gang immediately exploded. Then, the surface of the armor caved in and exploded.

Pfft!

Tang Hao spat out a mouthful of blood as he was sent flying backward.

By the time he retracted his body, a large area of flesh and blood had already exploded, and he was a bloody mess.

“That was close!”

He exclaimed in his heart, his face a little pale.

If he hadn't secretly activated the divine mountain in his body to protect himself, he would have been in an even worse state, at least half-dead.

“These two guys are too terrifying!”

He was extremely shocked.

He had already escaped quite a distance away, but the shock wave still caught up to him. It was enough to show how high the realm of these two people was.

Moreover, these two people were probably not at their peak state. They had already been fighting here for thousands of years!

“He didn't die? How is that possible?”

At this moment, a low voice was heard.

It was the dream-like beauty with the noble temperament.

She had already opened her eyes, and her gaze swept over, filled with surprise.

This person was just a mere heavenly immortal. How could he have survived?

“This man ... Is a little strange!”

The other woman opened her eyes as well. They glowed as she looked at Tang Hao.

“I don’t care if he’s strange or not, he must die!”

The woman on the right shouted coldly, her eyes filled with killing intent.

She raised her hand and made a grabbing motion in the distance. She wanted to grab this puny heaven immortal and kill him.

This person had disturbed her and caused her to be at a disadvantage, so he deserved to die!

Moreover, he had seen his own body, which made him even more deserving of death!

“Al! Why do you have to do this! I didn’t do anything to you, I just accidentally barged into this place. You’re the dignified Empress, how can you kill people at will!” The seductive woman suddenly smiled. With a wave of her Jade-like hand, she scattered her opponent’s aura.

“You ...”

The woman’s beautiful eyes glared, her expression somewhat angry.

“Don’t you just think that I saw what I shouldn’t have? Besides, with your figure, it’s not a big deal to see it. What’s there to be interested in? is yours as good as mine?”

The seductive woman chuckled and said smugly, “I’m not in a hurry, so what are you in a hurry for?”

“Right?”

After saying that, her figure suddenly swayed and disappeared from where she was.

When he reappeared, he was already in front of Tang Hao.

Whoosh!

It was the sound of robes fluttering.

She put on a black robe in front of Tang Hao, covering her devilish figure.

Then, she raised her hand and played with her silky black hair.

A moment of flirtatiousness was enough to shake the heart of any man in the world.

“Aiyaya! What an interesting little fellow!”

She narrowed her eyes and studied Tang Hao.

Suddenly, her eyes brightened, and the corners of her mouth curled into a meaningful smile.

She slowly approached Tang Hao.

That alluring face was only a foot away from Tang Hao.

He could even smell the strong fragrance that came from her full red lips.

It was supposed to be an ambiguous scene, but Tang Hao felt as if he had fallen into an Icehouse.

The fellow in front of him seemed to have seen through his disguise.

“This guy is too terrifying!”

He exclaimed in his heart.

He could not see through this person’s realm at all.

“This little face is obviously quite handsome. Why is there a need to cover it?” She chuckled and lifted her hand to caress Tang Hao’s face.

All of his disguises were instantly dispelled, revealing his true appearance.

“You look quite young, about a hundred years old! How could he have 80000 Dao attainment? Which great sect or clan are you from?” She asked in surprise.

He’s so young, but he has 80000 Dao attainments!

Even she could not help but be shocked by such a cultivation.

“A hundred years old? That’s impossible!”

When the other woman heard this, she immediately gasped in disbelief.

In the next moment, her figure flickered and she also swept over.

She had already put on a golden robe, which made her look even more luxurious and extraordinary. Her face was covered with a layer of light, like a dream.

She narrowed her eyes and sized Tang Hao up.

Soon, she was shocked and her eyes became aghast.

“This ... I’m afraid he’s still a hundred years short!” She exclaimed in disbelief.

He was less than a hundred years old and already had a cultivation base of 80000 Dao attainment. Which family would dare to nurture him like this?

“You ... Which family are you from?”

She asked.

“Cough! Seniors, I am from the heaven desolate Hall!”

Tang Hao looked left and right, then forced himself to calm down.

“There! This is Junior’s token!”

As he spoke, he took out the heaven desolate Palace’s token and showed it to the two of them.

“Heaven desolate Palace?”

The two of them were slightly stunned.

The seductive woman glanced at the noble woman.

“I have some connections with the heaven desolate Hall, how come I have never seen such a token before?”

The woman said.

“Oh! This is the token of the lower realm’s heaven desolate Hall!”

Tang Hao said.

He was overjoyed. Since this person had a relationship with the heaven desolate Hall, he might be saved.

“Lower realm? You’re from the lower realm?”

The two girls exclaimed in disbelief.

They had thought that this was a disciple of Daluo who could cultivate 80000 Daoist skills at the age of less than 100 years old. But it turned out that he was from the lower realm.

How could such a person appear in the lower realm?

“Seniors, I’m indeed from the lower realm, and I’ve only obtained my cultivation because of some fortuitous encounters.” Tang Hao said respectfully.

These two people had been fighting here for thousands of years, so they definitely didn’t know anything about him, so it didn’t matter if he said he came from the lower realm.

“What kind of opportunity could allow you to have so much Dao attainment?”

The woman said with a frown.

Although she was a little confused, the killing intent in her eyes had mostly disappeared.

This aura was indeed from the heaven desolate Hall. This person should also be from the heaven desolate Hall in the lower world. In the lower world, only a force like the heaven desolate Hall could cultivate such a monstrous talent.

Since she had some connections with the heaven desolate Hall, it would not be good for her to kill him.

But when she thought of what had happened just now, she was a little hesitant.

This person had seen it and offended her. With her status, she could not tolerate such a thing.

“He’s from the heavenly desolate Hall, and you want to kill him? Since you’re so heartless, I’ll take this little guy. I don’t mind if he sees it. After I train him well, his name will definitely be on the celestial list in the future!”

The seductive woman laughed.

Then, her figure flashed and she appeared beside Tang Hao. Her snow-white arms wrapped around Tang Hao’s neck.

“Little guy, come with me, okay? As long as you follow big sister, no one in the immortal world will dare to provoke you!”

She moved her lips close to Tang Hao’s ear and whispered something.

Her tone was filled with charm.
