

The Mightiest Little Peasant Chapter 3046

“What’s going on?”

In the main hall, long Xiaozi opened his eyes.

Outside, there were urgent and ear-piercing bell chimes, as well as a clamor.

Ever since he had received his teacher’s teachings yesterday, he had come to a realization. He sat quietly in the hall, cultivating his heart and mind.

However, only a day had passed before he was interrupted by the bell outside.

“What happened?”

He walked out, looked around, and was stunned.

At this moment, all the great formations in the palace were opened, sealing the entire Mountain Gate.

One figure after another rushed into the sky, their auras bursting forth. Countless divine senses spread out, sweeping back and forth in all directions, as if searching for something.

These people were all furious and solemn.

He had never seen such a scene before.

Something extremely serious must have happened!

“What? The treasure vault was robbed? All the treasures, not a single one is left?”

When he found an elder and asked, he was shocked!

He could not believe it.

How could the Treasury of his divine wonder Palace be robbed?

And who was it that had the guts to steal from the Treasury of the divine wonders Palace?

Do you not want to live?

“Who is it?”

He asked sternly.

“I don’t know. Two groups of people went into the treasure vault yesterday and found them. They even searched their souls, but there was nothing unusual. There were no signs of outsiders in the palace either. It was as if ... Those treasures had disappeared into thin air.”

The elder said with a bitter smile.

As soon as the incident happened, they sealed the mountain Gate and found all the people who had entered the treasure house in the past few days. They had strictly investigated and even searched their souls, but there was no clue at all.

They simply couldn't figure out how those treasures had been lost.

It was really unimaginable!

"How could he have disappeared into thin air? someone must have sneaked in. Continue to investigate!" Long Xiaozi roared.

That was the collection of his divine wonder Palace for over ten thousand years. It would be a great loss if he couldn't get it back!

Furthermore, the face of the divine wonder Palace would be lost and the world would laugh at them.

"Oh right! Is master's spirit stone also in the Treasury?"

Long Xiaozi seemed to have thought of something, and his expression changed.

It had been a long time since he had been to the treasure vault. If he wanted something, he only needed to give the order and someone would immediately bring it to him. He didn't know what was in the treasure vault. He only heard that his master had previously thrown the spirit stones he had obtained into the treasure vault.

As for that spirit stone, his master had promised him that he would give it to him when he reached the peak of heaven immortal realm!

"It ... Seems so!"

The elder said with a bitter smile.

Hearing this, long Xiaozi's face turned pale, and his body swayed, almost falling over.

It was a connate spirit item!

A divine item that could only be encountered but not sought!

In the past hundreds of years, his divine wonder Palace had only obtained one of these!

"Investigate! Even if we have to search the entire Mountain Gate, we have to find a single trace and drag this bastard out!" He howled madly, his expression becoming extremely ferocious.

Then, with a murderous look, he led the elder to search the mountain Gate in all directions.

At this moment, in the mystic Fire Tribe continent.

On an island filled with ethereal immortal Qi, two old men sat opposite each other, drinking tea and chatting. They were very pleased.

“Ai! Speaking of that disciple of mine, he really doesn’t live up to expectations! How many times have I told him that we cultivators must have a clean heart? no matter what we encounter, no matter who it is, we must be neither sad nor happy, neither angry nor irritated. But he never listens!”

The one on the left was the mysterious old Daoist.

He took a sip of tea and reproached the old man opposite him. He even sighed.

“Hey! He was a young man! It’s understandable. After a thousand years, he’ll become like us, detached from the world!”

The old man laughed.

“He’s a few hundred years old, and he’s not young anymore. He’s quite talented and quite similar to me, but his personality ... Why doesn’t he learn more from me and be as calm as I am? even if the sky falls, his expression won’t change.”

The mysterious old Daoist shook his head.

“Give him more time!”

The old Daoist opposite him smiled.

The mysterious old Daoist nodded and was about to continue speaking when his expression changed. He reached out his hand and a jade talisman appeared in his palm.

“There seems to be something going on in the palace. They sent me a message. Let me see!”

He muttered to himself as he opened the Jade talisman.

In the next moment, his body trembled and his expression instantly turned dull.

“What ... What’s wrong?”

The old Daoist opposite him was stunned and shocked.

Didn’t you say that you wouldn’t change your expression even if the heavens collapsed?

How did you become like this after reading the first message? Was there a need to?

“Preposterous! Preposterous!”

After a long time, the mysterious old Daoist finally regained his senses. His entire body began to tremble and his old face gradually became twisted due to extreme anger.

His eyes were glowing with a blood red light.

“Fellow Daoist, don’t be angry first. If there’s anything, can’t you just solve it properly?”

The old Daoist opposite him advised, “it’s not like you to get angry over a small matter!”

“My treasures are all gone! Just a moment ago, someone sneaked into the Treasury of the mysterious Palace and stole all the treasures. There’s nothing left in my Treasury!”

The mysterious old Daoist suddenly stood up and roared in anger.

How could he possibly calm down!

He had painstakingly collected all the treasures there, especially that connate spirit stone. He had fought with several people of the same level for several days and nights to get it, but it had been stolen!

To hell with neither sadness nor joy. He was going to go back now, find that bastard, and cut him up alive. Then, he would lock him up and make him suffer the most painful torture for all eternity!

“What?”

The old Daoist exclaimed in shock, his face full of disbelief.

That was the Treasury of the divine wonder Palace, how could anyone sneak in and steal all the treasures?

“I’m sorry, we have to catch up another day. I have to go back and find the treasure as soon as possible!” He said.

The mysterious old Daoist cupped his hands and said his goodbyes.

“How about this, I’ll go with you! Perhaps I can be of some help. Besides, I’d like to see who is so bold.” The old Daoist stood up and said.

“Good! Thanks a lot!”

The mysterious old Daoist quickly thanked him.

Whoever dared to Rob the Treasury of the palace of wonders was definitely not an ordinary person. He might not be able to find them alone, but with the addition of this person and the ability of two golden Immortals, he was more confident.

The two of them got up and hurried back to spirit Toad continent.

“Golden immortal! It must be a golden immortal!”

When they had thoroughly investigated and found no clues, they realized that the situation was not good.

This person's methods were simply unfathomable.

There was no trace left at all. To be able to do this, he must be at least a golden immortal, and he was also proficient in thievery.

It would be as difficult as ascending to the heavens to retrieve the treasure from such a person!
