

## The Mightiest Little Peasant Chapter 3051

Tang Hao studied the person.

This person also narrowed his eyes and looked over, his eyes filled with strong hostility.

“The heaven celestial stage!”

Tang Hao raised an eyebrow when he sensed the man’s aura. He immediately understood.

The man in front of him was the heaven immortal elder who was interested in Fei Wan, the one the other women had mentioned.

Previously, Fei Wan had mentioned to him that this person’s surname seemed to be su and his name was Zhang Gong. He didn’t have any Dao name or anything of the sort.

Yun feiwan landed on the ground and gave him a look before smiling bitterly.

“I don’t know how he heard that you were here, but he insisted on following you.” She transmitted.

“I’m fine!”

Tang Hao smiled. He did not care.

He’s just a celestial immortal!

In front of the mountain Gate, the man looked at Tang Hao from head to toe, then revealed a disdainful expression.

This person’s aura was obscure and he didn’t reveal his cultivation, so he couldn’t tell what cultivation level he was at. But he heard that he was only an earth immortal, so he couldn’t be wrong.

After all, heaven Immortals were also considered strong, and there weren’t that many of them. Fei Wan had only been here for a few years, and she hadn’t even been out of the sect a few times. How could she have had the opportunity to meet a heaven immortal?

An earth level deity was nothing in his eyes.

“Why did you find such a trash!”

He snorted in his heart, unable to figure it out.

He was a heaven immortal and an elder with real power in the palace. He had an extraordinary status and a handsome appearance. No matter how one looked at it, he was much better than this guy. How could Fei Wan abandon him and choose this guy?

His brows were tightly furrowed, and he was puzzled.

Could it be that he had too many Dao companions?

There were only a few dozen of them. This was very normal for a heaven immortal.

With his strength and status, if he were to release the news that he wanted to get another Dao partner, who knew how many beautiful women and Immortals would line up to come to his door!

In the immortal world, the number of Dao companions was not a big deal.

Even those female Immortals at the heaven immortal stage had dozens of Dao companions, so it was nothing strange.

After all, strength was everything here.

“This guy is so rude! Could it be that he’s blind and can’t see the celestial immortal aura on my body?”

Then, he was even more annoyed.

This guy looked at him for a long time, but he didn’t react at all. He didn’t even bow. When an earth immortal saw a heaven immortal, shouldn’t he bow and call him senior?

“This guy is too rude! You don’t even know how to take the initiative to bow when you see elder su!”

He didn’t say anything, but the purple-robed female immortal at the side spoke first.

She shouted with a cold face.

The other women looked at Tang Hao and furrowed their brows. They were displeased.

Although this man was Fei Wan’s good friend and might even be her cultivation partner, he was still an earth level deity. In front of elder su, his status was lower. How could he not bow?

Moreover, elder su was also representing the Holy beast Palace.

If this person didn’t pay his respects, it would be a little disrespectful to the Holy beast Palace.

This kind of performance really made them very unhappy.

“Hey! It’s fine. Since this is Fei Wan’s friend, he’s also a friend of the Holy beast Palace. There’s no need to care about the rules.” Su changgong suddenly laughed out loud with a warm smile on his face.

“Elder su, you’re too magnanimous!”

“You ...” The purple-robed female immortal said, “you should thank elder su for being a good person. If it was someone else with a bad temper, you would have suffered. You’re already an earth immortal, how can you not even know this rule?”

She glanced at Tang Hao from the corner of her eyes and mocked him.

“Hey! Lingluo, don’t be like this. He’s a guest! We still have to be polite!” Su changgong laughed again.

“By the way, fellow Daoist, I don’t know your name yet. I’m su changgong, an elder of the beast Palace.”

He looked at Tang Hao and smiled.

“Shi!”

Tang Hao said indifferently.

The smile on su changgong’s face immediately froze.

This guy was too rude!

He really didn’t know what was good for him!

The anger in his heart suddenly rose, and his eyes darkened.

But he didn’t get angry in the end and suppressed it.

He was a person who cared a lot about his manners. How could he start a fight in front of his own Mountain Gate just because of a few words of disagreement?

“Sect fellow Shi, right? I heard that you’re going to the spirit Moon Mountain too. That’s great, we’ll go together!”

He revealed a smile again and said.

He decided that when he arrived at the spirit Moon Mountain, he would properly display his strength and shock this fellow. He would let this fellow know how powerful he was.

“What are you all standing there for? let’s go!”

He looked around and smiled.

Then, he took the lead and flew out.

“Let’s go!”

Tang Hao called out to Fei Wan, then followed her.

“Sect fellow Shi, may I know which sect you are from?”

Su changgong asked along the way.

“He doesn’t have any power, just an itinerant immortal!”

Tang Hao said.

“A loose immortal!”

“Oh!” Su changgong replied with a strange look in his eyes.

He had thought that it was someone from some great faction, but it turned out to be just an itinerant immortal. What a joke!

How dare an itinerant immortal be so rude to a heaven immortal elder of the Holy beast Palace!

The eyes of the female Immortals at the side also changed, becoming more and more contemptuous.

Their Holy beast Palace was a major power, so they naturally looked down on itinerant Immortals like this.

“I thought he had some background, but I didn’t expect him to be an itinerant immortal. I really don’t know what she’s thinking. How can such a person compare to our elder su!”

“Yup! This person is also very rude. This is terrible!”

They discussed in low voices.

“Hey! Loose Immortals don’t have to worry about it, it’s freedom!” Su changgong sneered in his heart, but he didn’t show it on his face. He still had a very polite appearance.

“Look, we’re here!”

After a short while, a vast mountain range appeared in front of them. It was the spirit Moon Mountain.

“Everyone, the immortal herb we’re going to get this time grows in the depths of the mountain. It’s very dangerous there, and it’s often haunted by the bloodline of the ancient times. You must be on your guard and be extremely careful.”

Su changgong said solemnly when they arrived at the mountain.

“Elder, please rest assured!”

The few female Immortals responded.

“Sect fellow Shi, you have to be careful too! Although you’re an earth level deity, there might be heaven immortal level beasts in the depths. You’ll be injured if you’re not careful.”

Then, he looked at Tang Hao.

“When the time comes, if you’re afraid, you can always come behind me. Don’t worry, I won’t look down on you.”

“There’s no need for that!”

Tang Hao said indifferently.

Su changgong was happy when he heard this.

He had said this on purpose so that this guy would reject him. When they were in danger, he wouldn’t be able to lower his face and ask for his help.

“How can this person be like this? elder is helping him out of kindness, but he doesn’t appreciate it!”

The purple-robed female deity said angrily and glared at Tang Hao.

“Alright! Let’s go in!”

Su changgong smiled, took out an immortal shield, and led the way into the mountain.
