

The Mightiest Little Peasant Chapter 3054

“Mother! A monster!”

The black vicious ape let out a strange cry, jumped up, and ran away frantically.

In an instant, he was gone.

All the spiritual senses in the surroundings also disappeared instantly.

In this area, all the beasts scattered and fled madly.

“He really is a monster!”

Su changgong was frozen on the spot and could not help but smile bitterly.

This guy was clearly only at the peak of the heaven immortal realm, but the strength he displayed was far beyond this realm.

He thought that this guy was only an earth immortal and wanted to play with him. He was really a joke!

Gulu!

The purple-robed female immortal swallowed hard, her face pale and her expression nervous.

She really thought that this person was only an earth immortal, which was why she looked down on him and even ridiculed him several times. Who would have thought that this was a senior at the peak of the heaven immortal realm? if this person bore a grudge and blamed her, what would she do?

Although she was from the beast Palace, her cultivation was low, only at the early human celestial stage. She was nothing in front of such an expert.

If this person wanted to deal with her, he had plenty of ways.

The few women beside her also looked apprehensive and remorseful.

“S-senior!”

After a long time, su changgong finally recovered and called out.

He bowed, his posture becoming extremely respectful.

He was only an early heaven immortal with only 50000 Dao attainment, while this person was a peak expert with 100000 Dao attainment. The difference in strength and status was too great.

His heart was filled with apprehension.

This senior couldn't have seen through his little trick just now, right?

If he was blamed, he would have to suffer.

“There’s no need to call me senior!”

Tang Hao glared at him coldly.

He naturally saw this fellow’s actions clearly, but he was too lazy to say anything.

He looked at the Golden divine Tiger lying on the ground and then looked at Fei Wan.””Isn’t your sacred beast Palace especially good at taming beasts? do you have any treasures for taming beasts?”

“There are! The beast taming ring!”

Yun feiwan said as she took out a Jade-colored collar.

“Then you can keep it!”

“This little tiger is too weak,” Tang Hao said.”It’s useless to me!”

“Aowu!”

When the divine Tiger on the ground heard this, it almost cried out of grievance.

Su changgong and the others were startled and somewhat aghast.

This was a heavenly Tiger God!

This person actually gave it away so easily?

The few female Immortals looked at Yun feiwan with envy.

To early-stage human Immortals like them, subduing a heaven immortal level fierce beast was something they didn’t even dare to think about.

“I accept? But, I’m only at the early human immortal realm, I don’t think I can suppress him!”

Yun feiwan looked at Shen Hu and smiled bitterly.

She wanted to take it, but her cultivation level was too low. How could she control a sky immortal divine Tiger?

“Senior, yes! The beast taming bangle of our Holy beast Palace is powerful, but it can’t cross such a huge gap in cultivation. With her current cultivation, she can only subdue earth-god level bangle.” Su changgong said.

“Oh, really? Then what if she becomes an earth level deity?”

Tang Hao said.

“That’s good enough!”

Su changgong nodded and said.

“Alright then, you can collect them later!” Tang Hao said.

Su changgong was stunned when he heard this. What did that mean?

Fei Wan was only an early-stage human immortal, which meant that she was still 10000 Dao attainment away from becoming an earth immortal. Even if she became an earth immortal at the fastest speed, it would still take her at least 1000 years!

Even Yun feiwan was stunned.

“There! This is a gift for you. Refine it first, then take this little tiger!”

Tang Hao took out a storage bag and tossed it over.

Yun feiwan received it and opened it. Her body trembled and she was stunned.

She was dazzled by the countless golden lights in the bag.

It was filled with Dao attainment, each of them was huge and round, blooming with a shocking aura.

“It can’t be!”

Su changgong and the others were stunned when they saw the storage bag. An absurd idea emerged in their minds.

That small storage bag couldn’t be filled with Dao cultivation, right?

Moreover, it was almost 10000 beads of Dao attainment!

Otherwise, why would this senior tell Fei Wan to take the divine Tiger later?

However, this was too unbelievable!

Ten thousand Dao attainment points!

Even the Holy beast Palace could not produce so many Dao skills in such a short time!

Who was this person?

Not only was he terrifyingly powerful, but he also used 10000 Dao attainment points at one go. The amount of money he spent was really too shocking!

“This senior must have a shocking background!”

Su changgong cried out in his heart. He was even more horrified.

The eyes of the female Immortals were red as they stared at the bag.

Ten thousand Dao attainment points!

How many years would they have to cultivate to accumulate so much Dao attainment?

“I’m really F * cking blind!”

The purple-robed female immortal wished she could slap herself a few times.

Not only did this person have a profound cultivation base, but he was also so generous. He must have a great background. Not only did she not try to curry favor with him, but she even offended him.

If only she had been more observant and recognized him earlier, she might have been able to gain some benefits from him.

“You ... Where did you get all this?”

Yun feiwan held the storage bag and asked.

She was truly shocked by the amount of Dao attainment in this bag.

“I bought it!”

Tang Hao said with a smile.

Yun feiwan’s mouth opened, but she was immediately speechless.

That’s right!

She had almost forgotten that he was not short of money now.

When su changgong and the others heard this, they were shocked again.

10,000 Dao attainment points for all of them, that would be close to a hundred million!

No wonder he said that he wasn’t interested in money. They had thought that he was just bragging, but it turned out to be true.

“Then I’ll refine it first!”

Yun feiwan landed on the ground and sat down. She took out her cultivation and began to absorb it.

Four hours later, she had finished refining and successfully advanced to the earth celestial stage.

“Congratulations!”

Su changgong hurried forward and congratulated him.

He had an envious look on his face. This person had met a benefactor! In just four hours, he had reached the earth celestial stage, which saved him thousands of years!

“Elder su is too polite!”

Yun feiwan bowed and returned the gesture, her face full of joy.

“Take it!”

Tang Hao pointed at the divine Tiger and said to her.

She nodded, took out the beast taming bangle, and put it on.

The Tiger was very cooperative and took the initiative to stretch its neck over.

He had already resigned himself to his fate. If he cooperated obediently, he would be spared from the beating.

“Sister Yun, congratulations!”

The female Immortals came up one after another and congratulated him, their expressions becoming extremely enthusiastic, even somewhat respectful.

His cultivation had soared to the earth immortal realm, and he had a celestial Tiger God by his side. His status in the palace would not be low in the future. He was no longer on the same level as them.

“Let’s go! Hurry up and complete the mission!”

Tang Hao said as he looked into the depths of the mountain range.

“Yes, yes! Hurry up!”

Su changgong quickly smiled and echoed, “senior, please!”

He turned to the side and made an inviting gesture, his expression extremely enthusiastic.
