

## The Mightiest Little Peasant Chapter 3057

“Palace master’s divine power has improved a lot!”

“That old bastard is no match for our Palace Master. Back then, our Palace Master fought several great golden Immortals and exhausted them to death before he got the energy stones. How dare a mere golden immortal fight with our Palace Master?”

In the distance, an immortal boat could be seen.

On the ship, a group of people from the mysterious Palace stood still.

They looked into the distance at their Palace Master, their eyes filled with pride.

They then looked at the old Suan ni with mocking expressions.

In terms of divine powers, their Palace Master might not be the strongest among the Golden Immortals of spirit Toad continent, but in terms of fighting skills, he was definitely the best. Facing two or three golden Immortals of the same level, he could exhaust them to death.

How could an old Suan ni be a match for their Palace Master?

If this continued, the Suan ni would soon be exhausted and defeated.

As for the innate spiritual Pearl, it would be his possession.

“Hahaha! With master’s divine powers, a small Suan ni is not worth mentioning!”

Long Xiaozi stood in front of the crowd and laughed out loud.

At this moment, he was extremely happy.

This was because he was the one who had discovered this spiritual Pearl. It was an opportunity that belonged to him.

When he got his hands on this spiritual Pearl, he would be able to make up for the loss of the spiritual stone. This was the first happy occasion for his mysterious Palace since the treasure vault was stolen.

With the first, there would naturally be a second.

Very soon, his divine wonders Palace would be able to walk out of the shadow of the past.

“It’s really not easy!”

When he thought of the situation in the palace some time ago, he only felt extremely sad.

It was really too tragic!

The palace's 10000-year-old collection, the blood, sweat, and tears of so many people, had all been stolen. Even the word "vomiting blood" could not describe their feelings.

During that period, all the disciples were like crazy. They searched all over the continent with red eyes, but as the days passed, there were no clues at all, which made them even more desperate.

It was only later, when news of the theft spread from other continents, that they felt better.

"Yup! It's not easy!"

At the side, an elder sobbed as tears welled up in the corner of his eyes.

Just the thought of those unbearable and miserable memories made him want to cry.

"Hey! What's there to be sad about? it's all in the past, everything's fine now!"

Long Xiaozi consoled him in a low voice.

"Yup! They're all better!"

"Let's continue after we've collected this spiritual Pearl. We'll look for more treasures and rebuild our treasure vault."

The elders of the divine wonder Palace looked excited.

They laughed, and the atmosphere on the ship became cheerful.

However, not long after, a deafening howl broke the happy atmosphere.

Everyone on the ship was stunned and looked in the direction of the sound. They saw a pitch-black demonic ROC charging over.

"Why is the demonic ROC here? Are you also here for the spiritual Pearl?"

Their hearts skipped a beat.

Originally, the palace Master was more than enough to deal with an old Suan ni, but with the addition of this old demonic ROC, it was a little difficult.

"Something's wrong! Something's not right!"

A bad premonition arose in long Xiaozi's heart when he saw the demonic ROC's appearance.

This demonic ROC's expression was abnormally angry, as if it had been angered by someone. It didn't look like it was here to snatch the spiritual Pearl.

"Someone's stirring things up!"

The next moment, he blurted out, and his expression changed drastically.

At this moment, Tao Wu and the mysterious old Daoist also realized it.

With their cultivation levels, how could they not even see this?

“I’m afraid that someone deliberately lured the demonic ROC here to disrupt the situation and seize the opportunity to snatch the spiritual Pearl!”

The mysterious old Daoist said to himself.

As he continued to fight with the old Suan ni, he also paid attention to the demonic ROC that was charging towards him. At the same time, he also split his attention to stare at the spiritual Pearl. Once there were any abnormal movements, he would be able to detect it.

The old Suan ni did the same.

At this moment, the demonic Peng let out a sharp cry and continued to rush forward, pouncing straight in the direction of the spiritual Pearl.

Seeing this, the mysterious old Daoist was stunned.

This old demonic ROC was probably not pretending. He had deliberately acted as if he had been angered so that they would let down their guard for the sake of the spiritual Pearl.

He hesitated for a moment before he flicked his sleeve and took out an immortal seal. He activated it and blasted it toward the demonic ROC.

The old Suan ni also moved, sending out a wave of lightning.

“Get lost!”

The demonic ROC screeched and opened its mouth, shooting out beams of black divine light that exuded a destructive aura.

Boom! Boom! Boom!

The three golden Immortals’ attacks collided, creating a shocking commotion.

Circles of ripples spread out in all directions.

The spiritual Pearl was naturally affected by the shockwave and flew out.

“Not good!”

The mysterious old Daoist’s expression changed. He reached out his hand and grabbed the spiritual Pearl.

“Hmph! Don’t even think about it!”

The old Suan ni shouted angrily and reached out with her claws, trying to snatch the spiritual Pearl.

However, right at this moment, another spiritual Pearl appeared out of thin air next to the previous one. It was exactly the same as the previous one. Both of them were emitting rainbow-colored divine light and were shrouded in an upper sky aura.

Seeing this, the man and beast were both stunned.

What the hell was this?

This spiritual Pearl could duplicate itself?

Just as they were in a daze, another spiritual Pearl appeared out of thin air. It was exactly the same.

When they focused their eyes, their eyes widened and were filled with confusion.

What ... What was going on?

Before they could come back to their senses, an even more shocking scene occurred. Spiritual pearls continued to appear one after another. In the blink of an eye, there were more than a hundred of them, densely packed and scattered in all directions.

“What’s going on?”

“Where did these spiritual pearls come from? Why was it the same? Which one is the real one?”

The mysterious Taoist squinted his eyes, which glowed with a divine light. He looked around frantically.

“This one ... Is fake!”

“This one is also fake!”

He carefully identified each one.

These spiritual pearls were very realistic. At first glance, one would not be able to find any abnormalities. Even the trace of upper sky Qi was real. However, if one looked carefully, one could see through the disguise.

“Fake! It’s also fake!”

The old bi ‘an’s eyes also shone with divine light as she carefully identified it.

As he identified them one by one, his mind became more and more serious. Fake, all of them were fake. Where was the real one?

“No more? How did this happen? Why are they all fake?”

After he had identified all of them, the mysterious old Daoist was stunned.

All of them were fake!

Not a single one of the hundreds of spiritual pearls in front of him was real!

In other words, it was really gone and taken away by someone during the chaos!

But how was that possible?

Just now, he didn't sense a trace of spiritual will or fluctuation of celestial core power. How could the spiritual Pearl be taken away out of thin air? and how could these fake spiritual pearls appear out of thin air?

All of this was simply impossible!

For a moment, he stood there with his mouth wide open, unable to come back to his senses.
