

The Mightiest Little Peasant Chapter 3059

Spirit Toad continent, at a certain Mountain Gate.

A white-robed old man pushed open the door and walked out.

“Argh! The weather is great!”

Standing in front of the hall, he raised his head and couldn't help but exclaim in admiration.

The sun was bright and cloudless. It was the best weather.

“Ever since I've turned over a new leaf, oh no, since I've changed my profession, I've been in a much better mood,” He chuckled.

In the past, he had always thought that revealing his identity would lead to revenge, and even possibly affect his own disciples and Grand-disciples, so he had always been worried. But now, he had let go of everything and had nothing to worry about.

“It's great to have such days!”

He smiled and walked down the mountain path.

“That divine wonder Palace is so miserable!”

“Yup! I heard that long Xiaozi vomited blood on the spot! The wondrous priest isn't any better!”

He had only taken a few steps when he suddenly heard a few discussions.

He was stunned and stopped in his tracks.

“The mysterious Palace? What's the matter now?”

He frowned slightly.

He had naturally heard of the news that the divine wonder Palace had been robbed. What had happened now that he had even vomited blood?

“Master!”

He fell down. When he was halfway up the mountain, a few disciples saw him and immediately bowed.

“What were you guys talking about?”

He shouted.

“Master, didn’t you hear? The palace of divine wonder found an innate spiritual Pearl in the depths of the great desolate mountain. They could have seized it, but in the end, they were intercepted and the Golden immortal disciple of the palace of divine wonder vomited blood on the spot.”

“Ai! They are also quite miserable. They were robbed only a few months ago, and now an innate spiritual Pearl was stolen. If it were me, I would also vomit blood.”

A few disciples hurriedly said.

There was a hint of gloating in his words.

“It’s said that the person who intercepted the spiritual Pearl was very powerful. He snatched the spiritual Pearl in front of the mysterious old Daoist and the two golden immortal fierce beasts. The three golden Immortals didn’t even find a trace of it.”

One of the disciples said.

The old Daoist in white was stunned, and then his expression changed.

It’s the mysterious Palace again!

It was silent again!

Could it be that ... His previous guess was true?

Was it really that guy?

However, this was too ridiculous!

How could that fellow be so bold? Was he really a madman who didn’t care about his life?

Gulu!

He swallowed hard, and his face gradually turned pale.

After the divine wonder Palace was robbed, he had thought that it might be that Shi guy, because he was very clear about the ability of his golden fighting suit. It would not be a problem for him to sneak into the divine wonder Palace.

Moreover, as far as he knew, the assassination mission was issued by the people of the divine wonder Palace.

That Shi fellow had every reason to take revenge on the palace of divine wonder.

However, he still couldn’t believe it at that time because he felt that it was too bold and crazy. Especially later, when news of other continents being robbed spread, he rejected the idea.

He felt that no matter how bold that man with the surname Shi was, he would not dare to provoke so many major forces.

Perhaps it was just as people said, that he was some powerful golden immortal, or even a great Luo immortal.

But now, the divine wonder Palace was in trouble again, which reminded him of that man with the surname Shi.

Perhaps, it really was him!

“This is crazy!”

“That guy ... Is really a madman!”

He mumbled to himself as his hands began to tremble.

He was really frightened.

He had never seen such a bold guy.

“What should I do?”

He was even more at a loss and was trembling in fear.

To expose that guy?

Absolutely not!

Once that guy was exposed, wouldn't he be exposed as well?

Moreover, once that fellow finds out that I was the one who exposed him, he'll definitely take revenge!

His scalp went numb at the thought of that fellow's methods.

“It's not my fault, I've turned over a new leaf. No matter what that guy does, it's not my fault. Besides, it might not be him. It was definitely not him! It's like this!”

He muttered in a trance.

“Master? What's wrong?”

Seeing him like this, the few disciples were all stunned.

Was master trembling just now?

His face was even paler, as if he had been frightened by something!

However, what could scare a mid heaven immortal expert like his master to such an extent?

“No! It was nothing! Hahaha! The weather today is great!”

The white-robed old Daoist laughed and looked up at the sky.

Then, he turned around and started to walk back. As he walked, he mumbled, “It’s not my fault, it’s not him, it’s not him ...”

The few disciples were all dumbfounded.

The news of the innate spiritual Pearl quickly spread throughout the spirit Toad continent and caused quite a stir.

Everyone in the world was starting to sympathize with the divine wonder Palace.

However, the matter quickly died down.

It was very normal to be robbed of a treasure, especially a treasure like a Xiantian spirit item. Many people were eyeing it, and it was likely that even a great principle golden immortal would intervene.

The People’s attention was soon attracted by the Haotian club.

After the immortal Academy, another product of the Haotian society was released. It was wine, brewed with the peach of equal heaven. As soon as it was released, it immediately became popular all over the world.

Unlike the sales model in the past, the products this time could not only be bought from the agents of the Haotian club, but also from the shops of some big Chambers of Commerce.

“This is also because, back in Nantian city, the Haotian club had made an agreement with the major Chambers of Commerce that they would only sell what they didn’t sell. Now that this wine is being sold by everyone, the Haotian club naturally can’t sell it alone. They will share some of the profits with the major Chambers of Commerce.”

Someone who understood the situation explained it to the world.

“It’s brewed with heaven’s equal peach, no wonder it’s so delicious!”

“This is the real celestial wine!”

The people of the world had tasted it once, and they were all extremely amazed.

Heaven’s equal peach was the most delicious spirit fruit in the world. When it was brewed into wine, the taste was naturally extraordinary.

“This wine ... Is truly of the highest quality!”

In the heaven seeking Pavilion, Feng Qingyan took a sip, and immediately revealed a look of surprise.

With her status, she had tasted all kinds of top-class wine, but none of them could compare to the glass in front of her.

“You ... How did you brew this?”

She looked at Tang Hao curiously.

How could heaven’s equal peach alone make such a complicated and memorable wine? there must be many other materials, and the brewing method was also quite complicated.

“This ... Is a trade secret!”

Tang Hao smiled.

He had indeed spent a lot of thought on this wine. He had chosen many ingredients and tried many recipes before he finally chose the best one.

“You and master Haotian are still so powerful!”

Feng Qingyan took another sip, squinted her eyes, and savored the taste. Then, she praised.

The Haotian faction was really amazing. Although it didn’t have many products, they were all very powerful and could be popular everywhere.

She had even more respect for this person and master Haotian.
