

The Mightiest Little Peasant Chapter 3060

“Come! Drink more!”

Nantian city, on the third floor of the heaven seeking Pavilion.

Feng Qingyan was a little drunk. Her beautiful eyes were half-closed, and her gaze was blurred, revealing a bit of charm.

She held a jar of wine, lifted it up, and drank it in a daze. Her posture was somewhat bold.

The Golden wine trickled down from the corner of her lips, across her snow-white neck, and flowed down.

Her clothes were a little messy, and the black clothes inside were exposed. They were a little wild and fiery.

“Cough cough!”

Tang Hao’s eyes followed the Golden liquid and looked down. He was a little embarrassed.

“Stop drinking! I can’t drink anymore!”

Tang Hao said.

This wine was very strong. He had only drunk three jars and this person was already on the verge of dying. If he continued to drink, what would he do?

With this wild and unrestrained character, it was likely that things would get out of hand.

“Don’t bother me, I’ll drink it. If you don’t drink it, I’ll drink it myself!”

She swung her hand and shouted impatiently.

“Alright, alright, alright, you can drink!”

Tang Hao did not try to persuade him anymore.

“I’m not drunk! It’s true. You see, I even know that I’m not drunk.” She hugged the wine jar, tilted her head, and mumbled.

Gulu! Gulu!

She raised the wine jar and took a few more gulps. Her body was already swaying and she could not sit up straight.

“I’m really not drunk ...”

She placed the wine jar on the table, then lay down and gradually stopped moving.

Tang Hao laughed when he saw that.

He was already this drunk, yet he still said he wasn't drunk, really!

Seeing that she had stopped moving, he got up and went to the door. He called her maidservant over and took her back.

"The wine is good, but you can't drink too much!"

Tang Hao picked up the jar of wine on the table and drained it in one gulp.

Although the wine was not strong, it had a strong aftereffect. Even a heaven immortal could not drink too much of it.

He stepped out of the heaven seeking Pavilion and was about to return to the Dragon Mountain.

At this moment, a jade talisman tore through the void and arrived.

It was from the Changchun Taoist.

"The Xuanyuan clan?"

When he opened it, his expression changed slightly.

The Xuanyuan clan wanted to see him!

"Do you simply want to see me, the president of the clear sky Association, or ... To test me?" He pinched the Jade talisman and frowned.

If it were other forces, he would not have this concern, but the Xuanyuan clan was different. The news of him in the upper worlds was obtained by the Xuanyuan clan, and they had never given up on looking for him.

"Maybe they're really testing the waters. After so long, they still have no clues, so they expanded their target and came to test me."

Tang Hao muttered to himself.

Ordinary people would not suspect him, but the Xuanyuan clan was different. They were too persistent in finding him, and they would not let go of even the slightest possibility.

"Since you're here, then let's meet!"

He kept the Jade talisman and walked toward a nearby restaurant.

The Haotian faction had bought this restaurant a long time ago. It was the place where he met the Changchun Taoist and the others.

As soon as he entered, he saw that there was only one table of people sitting in the hall. All of them were dressed in resplendent immortal robes. There were a few middle-aged men and a few young people.

Tang Hao was slightly shocked when he saw one of the faces.

Because he recognized this person.

Xuanyuan Hongyi!

The first inheritor of the Xuanyuan clan in the lower realm could be considered an old acquaintance.

“Even this guy is here. I wonder if that green tea guy is really here!” Tang Hao mumbled to himself.

Although he was surprised, he did not show it on his face.

With his acting skills, it was too easy to do this.

“Xuanyuan clan, I’ve made you wait for a long time!” He stepped into the shop and greeted them warmly. “It’s the Haotian faction’s honor to have you all here!”

“Guild leader Shi, right? I’m Xuanyuan lie!”

A middle-aged man stood up and cupped his hands at Tang Hao.

As he spoke, he narrowed his eyes and studied Tang Hao.

Soon, he frowned.

The person in front of him, not to mention his appearance, just his temperament was too smooth and sophisticated. He was just a businessman who was good at doing business. He didn’t look like a peerless genius or a demon at all.

Each and every one of those monsters was arrogant and unyielding. Even if they had disguised themselves, the pride in their bones could not be hidden and would more or less be revealed.

Especially that demon, he was so strong that it was heaven-defying. It was said that he was cool and domineering to the extreme, the kind that was arrogant to the extreme. How could he hide it?

He immediately revealed a disappointed expression.

Beside him, the Xuanyuan clan’s people also looked at him and were a little disappointed.

Xuanyuan Hong sized up Tang Hao, then shook his head at the others.

That demon had left a deep impression on him. He was really too arrogant. He had suppressed the entire starry sky with an invincible attitude. Even if that kind of person was in disguise, he would not pretend to be so sophisticated and smooth.

This appearance was really too embarrassing!

That monster would definitely be disdainful!

“What’s wrong, everyone? Is it because our Haotian club didn’t treat you well? Fellow Daoist Changchun, how did you treat them?”

Tang Hao said, pretending to be nervous.

As he spoke, he shot a glare at Taoist Chang Chun.

“Guild leader, I ...”

The Changchun Taoist felt wronged.

Knowing that these people were from the Xuanyuan clan, he did not dare to neglect them. He had already served them very thoughtfully, and had served the best.

“Oh! President Shi, it’s not his fault. We’re already very satisfied. ”

Xuanyuan lie waved his hand and smiled.

“Oh! That’s good!”

Tang Hao smiled warmly. “Everyone, I’m sure you’ve all tried this wine! Our Haotian club just developed it. If you like it, you can take more back. ”

“This ...”

Xuanyuan lie was hesitant.

“Al! Elder lie, don’t decline. Maybe in the future, our clear sky Association’s business will have to be taken care of by you!” Tang Hao took out a few jars of wine and placed them aside.

“This wine ... Is really good!”

“Yup!”

Xuanyuan lie didn’t reply, but the others spoke up, and they were all rather happy.

“Since guild leader Shi is so polite, we’ll accept it!”

Seeing this, Xuanyuan lie had no choice but to agree.

“Actually, President Shi, we came to the spirit Toad continent for some business. We happened to pass by and heard of the Haotian Association’s name, so we wanted to meet you. Now that we’ve met, you’re indeed a forthright person who knows how to do business!”

After keeping the wine, Xuanyuan lie sat down and smiled.

“That’s right. Our President is an expert in doing business. He’s a genius in the business world!” Daoist Changchun praised.

“I see! It’s my honor. Everyone, let me offer you a toast!”

Tang Hao smiled warmly. He poured a glass of wine and offered it to her.

The table of people started drinking.

“It’s good! It’s really good!”

After a few cups of wine, Xuanyuan Hong was already in a daze, grinning from ear to ear.

Soon, the Xuanyuan clan’s people were all drunk.

They took the wine that Tang Hao gave them and left in a daze.
