

The Mightiest Little Peasant Chapter 3063

The world was deathly silent.

Everyone raised their heads to look at the sky, their expressions extremely shocked.

The ninth on the armor board!

This result was truly too shocking!

Moreover, this was Grandmaster's second time on the board, breaking past tradition.

"Master's craftsmanship is too terrifying!"

"Suppress all ancient times! He's definitely unparalleled and unparalleled!"

After a long time, with a "Hua" sound, the entire place was in an uproar.

Everyone cried out in surprise.

Many people used to think that it was a bit too much to use the title of "dominating the history of crafts." But now, they realized that this title was nothing at all. It was the most suitable title to praise a master.

At the true immortal realm, he could refine a treasure comparable to a Grand Luo immortal!

In less than a year, he had been listed on the immortal list twice!

Such an achievement was absolutely unparalleled in the world!

It was not wrong to call Master smith the number one blacksmith.

"A master is a master, awesome!"

"I seem to love Master even more now!"

The crowd gasped in admiration as they looked in the direction of Dragon Mountain. Their eyes were burning with passion and filled with reverence.

In the past, Masters were already unparalleled Masters in the path of crafts in their hearts, and they were full of admiration.

Now, the master's status had risen again. In their hearts, he was simply the God of craftsmanship!

"What's that?"

At this moment, in the heaven seeking Pavilion, in the spirit Toad continent's headquarters, Feng Qingyan raised her head from the table and saw the golden light outside the window. She couldn't help but shiver as if she had been struck by lightning.

That golden light ... Seemed to be the immortal list!

Why did the immortal list come out again?

Did someone break through and become a zenith heaven, which triggered the immortal investiture list?

"It's not the immortal ranking ... It seems to be the equipment ranking?"

She squinted her eyes and took a closer look, only to be dumbfounded again.

That was the armor board!

On the ninth position, two words were blooming with a brilliant divine light. It was clearly a new armor on the list.

"Spiritual Phoenix? It can't be!"

She could not believe her eyes.

This treasure on the list, could it be the one that she had asked a master to refine?

Ninth on the armor board?

Oh my God!

She immediately felt dizzy and was overwhelmed by this sudden surprise.

She had thought that at most, she would be able to refine an immortal robe of similar quality to the one she had refined before, but it would not be listed on the immortal list because she knew how difficult it was to be listed on it.

Who would have thought that the Grandmaster would be so fierce? not only did he fight his way up, but he also fought his way up to ninth place, an inconceivable position!

"Grandmaster, he ... What kind of godly person is he!"

When she came back to her senses, she could not help but smile bitterly.

She had never heard of such terrifying craftsmanship.

Weren't the smithing Masters in her sky seeking Pavilion strong? but compared to the smithing Masters, they were not even worth a single finger.

"We're finished!"

Then, her face fell and she wanted to cry but had no tears.

Originally, she had thought that the immortal tear gold was enough to pay for her work, but now, how could it be enough!

The value of an immortal robe that ranked ninth on the armor List was simply immeasurable!

How many more treasures would she have to throw in to be able to afford this reward?

But at the same time, she felt a little happy in her heart. It could be said that she was happy and in pain at the same time.

“The immortal list is out again!”

“The weapon and armor lists have been updated. There’s a new armor on the list, and it’s directly at the ninth place!”

At this moment, all the continents in the immortal world were in an uproar because of the update of the armor List.

The situation was even more sensational than the last time.

Last time, he was only ranked 51st. Now, he was ranked 9th!

“Spiritual Phoenix? Who did it?”

“Which great eternity immortal senior is it?”

Everyone was discussing it.

No one thought about master Haotian because he had only managed to produce 51 people last time. How could he have made such a huge improvement in such a short time?

However, no one could guess which expert it was!

About half a day after the immortal list was withdrawn, the news came and instantly blew up all the continents.

“It’s master Hao Tian!”

“He refined it. The spirit Toad continent is going crazy. Many people are heading to Nantian city! Hey! If they’re not there to congratulate, then of course they have the intention to do so. They’re all there to Commission something.”

“This spirit Phoenix immortal raiment was actually entrusted to Grandmaster by the president of the spirit Toad continent’s heaven seeking Pavilion’s main Guild. She said that as long as the immortal materials can satisfy Grandmaster’s interest, Grandmaster will help to refine the treasure.”

“F * ck! There’s such a thing?”

When the people heard this, they were all dumbfounded.

This piece of celestial clothing that shocked the entire celestial world was made by master Haotian!

This was the second time he was on the list of Immortals!

He was still in the ninth place!

This was too F * cking scary!

Was master Haotian still human?

At the same time, they were even more shocked that a peerless expert like master was actually willing to accept the Commission. This was simply a huge surprise!

“Hurry! Quickly take a look at what good immortal materials we have and bring them out. Let’s make preparations and head to the spirit Toad continent immediately!”

“Hurry up! Why are you still so long-winded? bring out the entire treasure vault! Let the master slowly choose!”

The people of the major forces were going crazy.

To be able to be listed on the list twice and to be ranked ninth, they would not normally see such a person. This was a once in a lifetime opportunity for them and they definitely could not miss it.

A figure like the master probably wouldn’t take on too many commissions, so they had to hurry and get to Nantian city before anyone else.

In an instant, countless divine lights rushed out from all the major forces, carrying all the treasures on their bodies towards Nantian city.

“Did master Hao Tian make it?”

Spirit Toad continent, in the wondrous Palace.

Long Xiaozi stood there in a daze.

He really didn’t want to believe this news, because the more powerful this master Hao Tian was, the more glorious that man surnamed Shi would be, and the more uncomfortable he would be.

“He’s still ninth on the armor board?”

His body swayed, his face twitched, and he almost spat out another mouthful of immortal blood.

During this period of time, he had been so miserable. All the treasures in the palace had been stolen, and then the innate spiritual Pearl had flown away. He could be said to be extremely unlucky, but this guy was so glorious!

He gritted his teeth and was so jealous that he was unrecognizable.

Meanwhile, on the third floor of the heaven seeking Pavilion in Nantian city, Tang Hao was surprised to see Feng Qingyan walking out from behind the curtain after changing her clothes.

She was born extremely beautiful, with a perfect oval face, coupled with delicate and flawless facial features, without a trace of flaw to be picked out.

After changing into this white chiffon dress, she looked even more beautiful under the contrast of the flowers in the sky. She looked even more ethereal, like a dream.

Her alluring figure was perfectly brought out by this dress. She was tall, slender, and had a hot curve. It was a little shocking.

It was that pair of smooth, fair, and Jade-like legs again, which was even more eye-catching.

Tang Hao sized him up and nodded in satisfaction.

Such a beauty, coupled with the clothes he had made, was truly pleasing to the eye.
