

The Mightiest Little Peasant Chapter 3074

“That loose immortal has been trapped inside!”

“However, the treasure is still with him. Those people are still arguing who the treasure should belong to!”

As soon as he got close, Tang Hao found out what was going on inside.

“Go! Let’s go in and take a look!”

He said to Feng Qingyan.

Feng Qingyan immediately started the ship and sailed in.

The deeper they went, the fewer people there were. Many people stopped at the periphery and watched from afar.

They did not dare to enter.

The people inside were either golden Immortals or heaven Immortals. Each of them had a powerful background. If they dared to enter, they would only be cannon fodder if a fight broke out.

“This person was first discovered by the Yuanshi sect, so he should belong to us!”

A loud shout came from the front.

There, a resplendent immortal Palace hung in the void, and in front of the palace stood many figures.

The person in the lead was a young man in his twenties. He was tall and straight, with an imposing appearance. He was wearing a set of golden armor that radiated immortal light. He was really eye-catching.

“F * ck! Who is this guy?”

Tang Hao glanced at her and said without thinking.

“This guy?”

Feng Qingyan was a little stunned, but then she smiled and said, “This man is not ordinary. He is from the premier sect and an accomplished disciple of the zenith heaven.”

“An accomplished disciple of the zenith heaven?”

Tang Hao was shocked.

The guest Masters behind him were also shocked.

In their view, the disciples of golden Immortals were extremely powerful and could not be provoked, let alone the disciples of zenith heaven, who were one level higher.

People like him were all top geniuses. Their talent and background were beyond their imagination.

“His name is ye Futian. He is one of the most famous people in this generation of the Yuanshi sect!”

Feng Qingyan continued.

Tang Hao’s face twitched when he heard that.

Ye Futian?

This name was a little domineering! It sounded awesome and cool!

“Amazing! Amazing!”

Tang Hao nodded and could not help but exclaim.

“The Yuanshi sect?”

Then, his expression changed.

Could this primitive sect be related to the primitive mountain on the Qiyuan planet? If that was the case, then it really was a bit of a coincidence!

“Who said that your sect discovered it first? We were the ones who discovered it first. Ye, don’t lie through your teeth!” On the other side, someone screamed in a high-pitched voice. He was a little agitated.

Tang Hao looked over and raised an eyebrow.

He was very familiar with that group of people. They were the people of the Xuanyuan clan.

The person in the lead was also a young man. He must be at the same level as ye Futian. Otherwise, he would not have dared to curse so loudly.

“He’s Xuanyuan chengfeng!”

Feng Qingyan introduced them in a low voice.

“This name isn’t bad either!”

Tang Hao nodded. The name sounded a little devilish.

“I’m lying? Bah! You’re the one who’s lying! When I found this guy, you were still far away!” On the side of the Yuanshi sect, ye Futian was also cursing.

The two of them cursed at each other across the air, back and forth, and it was extremely intense.

In the surroundings, many forces quietly watched, and some even lay down and watched comfortably.

This person was indeed discovered by the two forces first, so it wasn't good for them to interrupt.

Tang Hao scanned his surroundings. His eyes narrowed when he saw one of the factions.

He saw an old acquaintance!

"What force is that?"

Tang Hao pointed at Feng Qingyan and asked.

"This, ah, they are people from the utmost Western Pure Land." Feng Qingyan said.

"I didn't expect that she actually managed to get close to the utmost Western Pure Land." Tang Hao was surprised.

The person he had discovered was none other than Ning Yuzhen, the successor of the quiet Speech House in the lower realm of the origin immortal realm.

When he saw Xuanyuan Hong earlier, he had guessed that the green tea was here. He did not expect to see it here today.

Even after so long, she had not changed at all. Just by looking at her appearance, she still looked like a goddess from the nine Heavens. However, she was still surrounded by a group of young men as usual.

She smiled at one and smiled at another, her earth energy almost breaking through the sky.

"Amazing! He's really powerful!"

Tang Hao was impressed.

In the lower realm, this person was like this. After coming to the immortal world, he was still like this. He charmed a group of young monsters and dealt with them. This kind of means was really powerful!

"The heaven seeking Pavilion is here!"

"It's fairy Feng!"

As the sky seeking Pavilion's ship approached, it attracted the attention of all the forces.

They quickly looked away after sweeping their gazes over.

With fairy Feng's status, she had the right to enter and fight for the spiritual items.

"This person is quite bold!"

After a while, the ship stopped. Feng Qingyan looked down and praised.

Below them, in a Valley, a middle-aged man was sitting alone.

Even though he was surrounded by the major forces, he was not afraid at all. Instead, he took out his wine and drank it calmly.

“Loose Immortals! Naturally, I have this bearing!”

Tang Hao said with a smile.

Those who could reach the earth celestial stage as individual Immortals were not ordinary people. They were much stronger than those who came from sects.

“Hey! Have you all argued enough? if you continue quarreling like this, when will it end? I think it’s better for everyone to speak up and discuss how to decide the ownership of this treasure!”

Just like that, after waiting for more than two hours, someone couldn’t wait any longer and stood up to shout.

“Good! We should have discussed it long ago!”

“What’s the use of discussing? can’t we just fight?”

The people from all four sides began to argue.

Just now, it was the two major forces quarreling. Now, all the forces had joined in and were quarreling.

Tang Hao looked to the left, then to the right. His face twitched.

F * ck! This group of people was too slow. In this situation, they should have started fighting directly and whoever got it would get it.

He told this question to Feng Qingyan, and she immediately smiled bitterly and said,“Everyone here is from the big forces. Many of them have extraordinary identities. How can they fight so easily? it would be bad if they were injured!”

“Besides, it’s just a connate spirit item. It’s not anything special. There’s no need to!”

Tang Hao did not say anything.

That’s true!

In the eyes of these top forces, a connate spirit item was nothing. It was just a slightly better treasure and not worth risking their lives for.

“You guys ... Haven’t finished discussing yet?”

After a while, the loose immortal below seemed to be unable to bear it any longer. He threw away the wine jar in his hand, stood up, and shouted, "Since you guys can't decide, then let me decide!"

"The treasure is right here. Whoever can pay the highest price, I'll give the treasure to him!"

As he spoke, he stretched out his hand and a large piece of Jade appeared in his palm. It was white, clear, and lustrous. Its entire body was flowing with a divine light, and it was extremely dazzling.
