

The Mightiest Little Peasant Chapter 3085

“The extreme heaven Grand meeting?”

In his own restaurant in Nantian city.

Tang Hao furrowed his brows when he heard the Changchun Taoist’s introduction.

It sounded like this so-called extreme heaven Grand meeting was similar to the previous myriad Immortals gathering. However, one was only limited to the spirit Toad continent, while the other was open to the entire immortal world.

“This grand event has been going on for many years. It comes once every five years and is quite famous. Many people have been invited and they are all from big forces.” The Changchun Daoist said, “I heard that this time, the spirit Toad continent invited Five Forces, and one of them is our clear sky Association.”

As he said that, he revealed a proud expression.

To be invited to such a grand event meant that the Haotian faction was famous enough.

In his eyes, this was an honor!

“Then let’s go and take a look!”

Tang Hao thought for a while, then nodded.

Even if it was a social gathering like the myriad Immortals gathering, there was no harm in going to take a look. If he didn’t go, it would instead be bad.

“Did they invite guild leader Feng?”

Tang Hao suddenly asked.

“He should be! Fairy Feng is so famous, how could they not invite her?” The Changchun Daoist said.

“Alright!”

“Okay,” Tang Hao replied.

It would be much more convenient if he were to go with guild leader Feng.

Back in the mountain, just as he was about to send a message, he saw that Feng Qingyan’s jade talisman had arrived, and it was about the extreme heaven Grand meeting.

“Yes,” Tang Hao agreed.

Three days later, he went to the heaven seeking Pavilion and met up with Feng Qingyan. Then, they went to the extreme Sky Island together.

“This skyscraping Island is much more powerful than Yunzhong mountain. That Daoist skyscraping is a very senior golden immortal with a wide network. In addition, he is an upright person and has a high prestige in the immortal world. That’s why he can hold such a grand event.”

“This time, we’ve invited quite a number of forces. There are at least a thousand of them in total. By the way, the Yuanshi sect will be coming as well. It’ll most likely be ye Futian.”

Feng Qingyan paused for a moment, then continued with a smile, “you embarrassed him last time, so he won’t be nice to you this time. But you don’t have to worry, he won’t do anything to you at the extreme heaven Grand meeting.”

“I’m not worried about that!”

Tang Hao smiled.

The two of them chatted and soon arrived at skyscraping Island.

It was an Island floating in the sky, covered by thick clouds.

From all directions in the sky, divine light continued to sweep over and gather on this Island. Clearly, they were Immortals from all over the world who had come to participate in the event.

“Yo! Fairy Feng! You must be guild leader Shi!”

Many divine lights swept over and came near. When they saw the two people on the large ship, they all greeted them warmly.

Some of them had met Tang Hao before, so they recognized him. The others had never met him before, but they had heard that fairy Feng was very close to President Shi, so they could guess who he was.

“Greetings, fellow Daoists!”

Feng Qingyan stood up and greeted them one by one.

“Hahaha! Fairy, you’re too polite! Also, President Shi, I’ll take my leave first, see you later!”

They greeted each other, then plunged into the island.

As soon as they entered the island, people from the skyscraping Island came.

“Fairy Feng and guild leader Shi, welcome! Quickly, please come in!”

The person came closer and bowed, a warm smile on his face.

“Let’s go in!”

Feng Qingyan turned to Tang Hao and smiled.

Tang Hao nodded and stood up. He left the swift Boat and was about to set foot on the island.

At this time, his mind suddenly moved, as if he had sensed something. He suddenly raised his head and looked up.

However, in the next moment, he frowned.

Just now, he had sensed that someone was looking at him from the sky above the island. However, when he raised his head, that gaze disappeared.

“What’s wrong?”

Feng Qingyan quickly asked when she saw his strange expression.

“It’s nothing!” Tang Hao shook his head and smiled.

“Then let’s go in!”

Feng Qingyan nodded and walked forward.

Tang Hao raised his head again and glanced in that direction, then followed her.

“Hmph! This kid is indeed very vigilant. However, he would never have thought that his identity had already been exposed. ”

At this moment, at the center of the island, on the peak of a divine mountain, many figures were standing.

There were two people at the front. One was a green-robed old Daoist, and the other was a young man in a golden robe.

Behind the two of them stood a group of golden Immortals from the primordial beginning sect and the great void sovereign.

The great void sovereign narrowed his eyes and looked through the clouds into the distance.

Without a doubt, this fellow surnamed Shi was that kid!

This brat was too cunning. The entire immortal world had been fooled by him. If he had not discovered it in time, this brat could have continued his act and might have advanced to golden immortal very soon.

At that time, who would be able to do anything to this kid!

This kid was too terrifying!

This time, he had to kill him. He couldn't let him continue to grow!

As he thought of this, his face revealed a ferocious expression.

"It's finally here!"

Ye Futian mumbled to himself, but he was extremely excited.

The last two times, he had been unlucky and was set up by someone, which allowed this guy to live for a few more months. Now, this guy had stepped into the extreme Sky Island, which meant that he had already fallen into his trap and was now a turtle in a jar.

No matter how cunning this guy was or how powerful his methods were, he would not be able to escape today!

Behind him, the group of golden Immortals from the primitive sect were also excited. Their faces were slightly red, and their eyes were filled with eagerness.

After months of hard work, he was finally going to succeed today!

If he succeeded, the primitive sect would have two Supreme treasures of the immortal King and shock the entire immortal world.

"You guys ... Are you guys mistaken? This President Shi, is he really that famous monster from the lower realm?"

The green-robed Daoist was different from them. He was still suspicious and in disbelief.

He had long heard of that monster from the lower realm. It was said that his talent was heaven-defying, but he was very young. As a monster at such a young age, how could he have disguised himself so successfully and fooled everyone in the immortal world?

Moreover, he had established a huge Chamber of Commerce with his own power in just a few years and expanded his business to all parts of the immortal world.

This was simply too unbelievable!

"Senior Ji Tian, there's no way you're wrong. This person is the monster from the lower realm! When he was in the lower realm, he killed a lot of people from our immortal world. This way, we can take action in a justified manner, and no one will blame senior for breaking the rules."

Ye Futian said.

"I hope so!"

Old Daoist Ji Tian nodded and said.

If it was really that monster, then he had a good reason to do so, and there would be no problem with this operation. But if it was not him, his reputation would be ruined, and there would be no more extreme heaven Grand meeting in the future.

“Senior, don’t you worry!”

Ye Futian laughed and said, “I’ll leave this place to you, senior. I’ll go and meet him first. I really want to see how he will act when he finds out that his identity has been exposed. I’m afraid he’ll be so scared that he’ll be paralyzed and wet his pants!”

He laughed loudly, and his figure flashed out of the hall and went down.

Behind him, Supreme Taixu smiled smugly and followed.

With that brat’s courage, he wouldn’t be scared witless, but he must have been scared out of his wits!

And this was exactly what he wanted to see!
