

## The Mightiest Little Peasant Chapter 3086

In the center of extreme Sky Island, on a square.

There were people everywhere, and it was noisy and lively.

“Fairy Feng, long time no see!”

“Guild leader Shi, it’s a pleasure! Nice to meet you!”

Tang Hao and Feng Qingyan walked together. People would come up to them from time to time to greet them and chat with them.

“President Shi, we meet again!”

With a loud laugh, a man strode over.

Tang Hao was stunned when he saw who it was. It was the elder from the Xuanyuan clan who had come to Nantian city to test him. He remembered his name clearly. It was Xuanyuan lie.

“Long time no see, elder lie!”

Tang Hao smiled and cupped his hands.

Xuanyuan lie said a few polite words and then bade Feng Qingyan goodbye before leaving.

“Eh? Why is this guy here?”

Tang Hao saw another familiar face after walking around the square. However, this person was different from the others. He was not surrounded by people. He sat there alone with a pot of wine in his hand and was drinking freely.

This person was none other than the witch from Devil Heart sect!

“This person is from the devil Heart sect of the white bone continent. She is a famous demoness. President Shi, you must not provoke her!”

Feng Qingyan warned Tang Hao in a low voice when she noticed that Tang Hao’s gaze had lingered on them for a while.

“Devil Heart sect! Isn’t it the famous evil sect!”

Tang Hao mumbled.

“It’s indeed a little evil, but they’re still a major force at the Golden immortal level. Most of them will be invited to such a grand event.” Feng Qingyan explained in a low voice.

“I see!”

Tang Hao nodded and looked away.

He did not want to attract the attention of this demoness.

The demoness glanced at the two of them and snorted before looking away.

The woman was the famous fairy Feng. She had a prominent background and was famous in the immortal realm. As for the man, he should be the president of the clear sky Association. She had heard of him before. He was just an individual immortal, so there was nothing to pay attention to.

“Guild leader Shi, I’m going to meet a few acquaintances. You can transfer on your own first,”

After walking for a while, Feng Qingyan suddenly said,”

“Alright!”

Tang Hao said.

Feng Qingyan smiled, then turned around and walked to the side, joining a few female Immortals.

Tang Hao looked around, then walked to the side and sat down.

He then took out a pot of wine, placed it on the table, and started drinking.

“Yo! Isn’t that President Shi?”

Just as he was shouting, he suddenly heard a shout from the side.

He raised his head and frowned.

It was ye Futian!

He ignored her and continued to drink.

“President Shi, you’re quite bold. You’re clearly just a loose immortal, but you’re not afraid at all when you see me, and you even dare to fight with me for treasures. This is not the reaction a loose immortal should have.”

Ye Futian strode over. When he was in front of her, he lowered his head and looked at her with a faint smile.

Tang Hao’s heart skipped a beat, but he did not show it on his face.

“What do you mean by that, master ye?” He raised his head and asked in confusion.

“Nothing, I’m just curious!”

Ye Futian laughed heartily and sat down. "I always felt that President Shi was not simple!" He doesn't seem like an ordinary loose immortal!"

"Then what do I look like?"

Tang Hao chuckled.

"Do you really want me to say it?" The corners of ye Futian's mouth curled up, revealing a playful and mocking look.

"What's the harm in saying it!"

Tang Hao's face was still calm.

"I just think that President Shi ... You're just like that demon from the lower realm!"

Ye Futian leaned over and whispered in Tang Hao's ear.

Tang Hao's eyes narrowed.

The hand that was holding the wine glass also paused.

"Is that so?"

Tang Hao chuckled. His face was still calm. He raised his head and finished the glass of wine in one go.

Then, he raised his eyes and looked directly at ye Futian.

"Why does young master ye have such a ridiculous idea?"

"Ridiculous?"

Ye Futian spread his hands and laughed. "I don't think it's ridiculous at all!"

"President Shi, Did you know? I'm not just thinking that, I'm also certain that you're that demon! How is it, are you panicking?" He leaned over and whispered in Tang Hao's ear.

As he spoke, his face was full of pride and ridicule.

"Is that so?"

Tang Hao mumbled noncommittally.

This time, ye Futian was a little surprised.

How could this guy still be so calm at this point?

This shouldn't be the case!

In his mind, when he said those words just now, this guy should have trembled in fear, then burst out and fled in a panic.

However, this fellow did not. In fact, his expression did not change at all.

“Alright! It seems that you think I’m bluffing, right? Take a look at who this is!”

Ye Futian snorted, his face full of anger.

He pointed at a man behind him and shouted coldly.

That person immediately walked up a few steps and said with a smile, “Long time no see, fellow cultivator Tang. You’re still as elegant as ever!”

As he spoke, he raised his hand and slowly took off his hood, revealing an old face.

Tang Hao’s body trembled when he looked over. He was finally moved.

Of course, he remembered the face in front of him. It was the great void sovereign!

However, why was he here?

“It seems that I was right. He didn’t die. He just escaped from Pangu world and came to the lower realm. Then, he ascended to the upper realm like me.”

He quickly understood.

He was truly surprised. He didn’t expect to meet this old monster here!

This old monster knew him very well, so he could easily see through his identity.

When he thought of the peeking eyes from the island when he first stepped onto the island, he understood that the extreme heaven meet was a trap set by the Yuanshi sect.

Also, the two connate spirit items ...

He also understood.

He had not expected that his identity would be exposed, so he could not guess those people’s intentions. But now, he immediately connected the dots and understood.

“What’s wrong? It’s only been a dozen years since we last met, and you don’t recognize me anymore, fellow Daoist Tang?”

Sovereign great void sneered and shouted.

“I recognize it, of course I recognize it!” Tang Hao smiled. He poured himself another glass of wine and took a sip. “How could I not know a vicious old freak like you?”

“You ...”

The great void sovereign was furious and his face turned red.

“Good! You’re good, Tang Hao! Do you still think that you’re still in that world, a hegemon of the Dao? Let me tell you, you’re nothing here. Even if you work hard to build such a large Chamber of Commerce and raise your cultivation to the peak of heaven immortal, so what?”

He lowered his voice and shouted.

“I’m telling you, you’re a mere peak heaven immortal here, not even a fart. As long as a few golden Immortals come, they can easily kill you! Today, you can’t escape even if you have wings. Just wait for your death!”

As he spoke, he sneered, his face full of joy.
