

## The Mightiest Little Peasant Chapter 3087

“Hahaha! It’s him!”

Ye Futian stood to the side, overjoyed.

Even though he had long guessed that this person was that monster, he still couldn’t prove it. But now, this guy had admitted his identity!

The Golden Immortals of the primordial beginning sect heaved a sigh of relief.

“Is that so?”

Tang Hao took a sip of his wine and smiled. He looked as calm as ever.

“Hmph! You’re still pretending!”

The great void sovereign sneered.

He felt that this kid was just pretending to be calm!

This kid was completely aware of the consequences of his identity being exposed.

How could a mere peak heaven immortal compete with the numerous golden Immortals of the primitive sect?

They had already sealed off this extreme Sky Island, so it was impossible for this kid to escape.

“You must have spent a lot of effort to catch me!”

Tang Hao raised his head and glanced at them.

“Hmph! Of course, if it wasn’t for our bad luck, you would’ve been dead by now.” Ye Futian snorted angrily.

When he thought of what had happened before, he got angry.

“You guys ... Are you really going to fight here?”

Tang Hao said as he looked around.

“So what! Don’t forget, you killed a lot of people in the lower realm. I’ll kill you here in the name of Demon Slayer. Who dares to object?” Ye Futian shouted coldly.

“Alright!”

Tang Hao nodded and chuckled. “Since you’re ready, what are you waiting for? let’s do it!”

“You ...”

Ye Futian was stunned. He was a little confused.

This guy’s reaction was completely different from what he had expected. Not only was he not afraid, but he was also very calm and confident.

Even the great void sovereign felt that something was amiss.

Previously, he had thought that this fellow was just pretending, but now, it didn’t seem so. Could it be that this fellow had a trump card?

“Impossible!”

He thought for a moment and then shook his head.

This kid was only at the peak of heaven immortal realm. Even if he had some trump cards, how powerful could he be?

He was just bluffing!

“Young master ye! Make your move!”

He turned around and looked at ye Futian.

“Alright!”

Ye Futian nodded. He turned around and nodded in the direction of the divine mountain.

The next moment, there was a buzzing sound and the island under his feet suddenly trembled.

Then, beams of divine light shot up into the sky and turned into layers of a great array, surrounding the entire island.

“What ... What’s wrong?”

“What’s going on?”

In an instant, everyone in the square looked up at the sky and exclaimed.

This was the island’s protective formation. Why was it all activated?

What was this skyscraping island doing?

“Dao friend skyscraping, what are you guys doing?”

Someone shouted in the direction of the divine mountain.

“My fellow Daoists, please calm down!”

Soon, a loud and clear voice was heard from the divine mountain. Then, a figure in a green robe flew over and arrived above the square.

“Old man extreme sky, what are you doing?”

The crowd looked at him and berated him.

“Everyone, I’m doing this at the request of the primitive sect to help kill a demon. That’s why I’m activating the formation. Please don’t panic.” The green-robed old man landed, waved his hand and laughed.

“Devil? What devil?”

“Yeah! Where did this devil come from?”

Everyone was startled and somewhat dumbfounded.

In this immortal world, where did this devil come from?

Besides, if it was really a demon that the primitive sect wanted to kill, would the skyscraping Island have invited him?

In the midst of their confusion, many people turned to look at the demoness of the devil Heart sect. No matter how they looked at her, she seemed to be the only one who had anything to do with a devil.

However, on second thought, the primordial beginning sect and the demon Heart sect did not have any grudges! It shouldn’t be like this!

“Yeah! Where did this devil come from?”

Yao Xinyue snorted in anger.

“Fellow Daoist, don’t panic. I’m not talking about you!”

The green-robed elder said hurriedly.

“If it wasn’t her, then who was it?”

Everyone was even more confused.

“Everyone, I’m really sorry. This operation is at the request of the Yuanshi sect. Please don’t blame senior Ji Tian.” At this time, ye Futian stepped into the air, looked around, and shouted.

In an instant, everyone’s eyes focused on him.

“Young master ye, tell me, which demon is the one your sect wants to kill?”

“Yeah!”

Everyone shouted.

“Naturally ... It’s this person!”

Ye Futian smiled and turned around. He raised his hand and pointed to a corner of the square.

Everyone’s line of sight followed.

However, when they saw it clearly, they were all stunned and their faces were filled with astonishment.

There was only one person in the direction ye Futian was pointing at. They all recognized him. It was president Shi of the clear sky Association!

Whoosh!

A moment later, the entire square was in an uproar, and there were boos.

“Young master ye, You must be joking! What kind of demon is President Shi?”

“Ye Futian, don’t think that we can’t see what you’re trying to do!”

Everyone laughed.

Everyone present knew that President Shi had once snatched a connate spirit item from ye Futian some time ago and had ruthlessly embarrassed him. Now, he was slandering President Shi as a demon and even trying to kill him here. Wasn’t he seeking revenge for his personal grudge?

“This is too much!”

They were even more furious.

They wouldn’t care if he did it in private, but this was the extreme heaven Grand meeting, and he was breaking the rules by doing so.

Faced with everyone’s criticism, ye Futian’s lips curled up, revealing an undisguised look of ridicule.

“Idiot! You’re all a bunch of idiots. No wonder you were deceived so miserably! If it wasn’t for my fiery eyes that saw through this person’s true identity, you probably wouldn’t have discovered his true identity until you died!”

He looked around and shouted.

“True identity? What do you mean by that?”

When everyone heard this, they were all stunned and somewhat puzzled.

“Ye Futian, tell me what you mean!”

At the front of the crowd, Feng Qingyan shouted coldly, “if you take this opportunity to take revenge, I will not stand by and watch.”

“Fairy Feng, you’re really blind!”

Ye Futian looked at her and scoffed, “you’ve been with him for so long, but you didn’t find out his true identity. If you had found out earlier, perhaps this opportunity would have belonged to your Feng clan.”

“It’s a pity that this opportunity now belongs to the Yuanshi sect!”

He laughed out loud, then turned around and pointed at Tang Hao. He shouted at everyone in the square, “I think you’re all familiar with this person’s true identity. He’s the monster from the lower realm that you’ve been looking for!”

His voice was loud and clear, and it reverberated in the square.

When they heard this, it was like a bolt of lightning that struck their minds, causing them to be stunned.

Guild leader Shi ... Was that monster from the lower realm?

This ... How could this be possible!

“Impossible!”

“Is there a mistake?”

A moment later, everyone came back to their senses and cried out in shock. They were all in disbelief.
