

The Mightiest Little Peasant Chapter 3088

The square was in an uproar.

No one dared to believe that this President Shi was actually the legendary monster from the lower realm!

One was an unruly and audacious heaven-defying monster!

One was the President of the Chamber of Commerce who was sophisticated and proficient in business!

No matter how he looked at it, the two of them couldn't be the same person!

"Ye Futian, You must be joking!"

Xuanyuan lie shouted from the crowd.

He was the one who didn't believe it.

When he went to Nantian city to investigate President Shi, he didn't find any problems.

"Ye Futian, don't talk nonsense. How could President Shi be that monster from the lower realms?" Feng Qingyan shouted coldly.

She also did not believe it!

This President Shi was mature, steady, and brimming with talent. He was a genius of the business path, so how could he be that incomparably arrogant lower realm freak?

"Why is it impossible?" Ye Futian sneered. "You've been with him for so long. Do you know where he came from and his exact background?" I don't think so!"

"This ..."

Feng Qingyan was stunned.

Speaking of which, she really didn't seem to know President Shi's exact background.

"He's master Hao Tian's man!"

Then, she explained.

"Yeah! He's master Hao Tian's man!"

Everyone nodded in agreement.

“Hahaha! Master Haotian? Have any of you seen master Hao Tian’s true appearance or come into close contact with him?” Ye Futian sneered again. “The so-called master Haotian is just a fake identity he fabricated!”

“The real master Hao Tian is him! No matter if it’s President Shi, the monster from the lower realm, or master Hao Tian, they’re all the same person!”

Ye Futian turned around and pointed at Tang Hao.

“What? He’s master Hao Tian?”

“How is this possible?!”

Everyone was stunned.

Then, there was a complete uproar.

To say that President Shi was a demon from the lower realm was somewhat believable, but to say that he was master Hao Tian, that was simply too absurd!

Who was master Haotian?

He was one of the top five on the immortal list and a God in the Dao of crafts!

If President Shi was really that monster from the lower realm, how could he be master Hao Tian?

One had to know that the monster was only a little over a hundred years old. How could he have such amazing craftsmanship attainments?

“Ye Futian, ye Futian! You’re getting more and more ridiculous!”

Xuanyuan lie sneered.

He felt that this surnamed ye must have harbored a grudge against President Shi, that’s why he slandered him.

“How is that possible?”

Feng Qingyan was stunned for a moment, and then she burst out laughing.

President Shi is master Hao Tian?

How could that be possible?

To be able to cultivate craftsmanship to such a level, one must be an old monster that was at least a few thousand years old!

Ye Futian’s words were completely contradictory.

“You don’t believe me? Alright! You guys ask this guy yourself and let him say it himself!” Ye Futian looked around, and the sneer on his face became even stronger.

What a bunch of idiots!

He had been completely deceived by this guy. Even now, he still didn’t believe it.

“President Shi, this ye guy is talking nonsense!”

Everyone looked behind ye Futian and saw the man who was sitting there.

“This guy, how could he be that kid!”

Even Yao Xinyue shook her head in the crowd.

She had seen that boy with her own eyes. He was indeed a demon and extremely arrogant. Even though he was only in the ninth tribulation Saint realm at that time, he dared to kill Immortals. Moreover, he even piled the corpses together. He was so brutal that it made one’s hair stand up.

Without a doubt, he was a heaven-defying monster!

Looking at the person in front of him, he didn’t look like one at all.

“Guild leader Shi, he’s spouting nonsense! Don’t worry, I won’t let him mess around!” Feng Qingyan looked at Tang Hao and comforted him.

Tang Hao sat there, his expression as calm as ever.

He finished the wine in his cup in one gulp.

He then looked at Feng Qingyan and smiled. “Guild leader Feng, thank you for taking care of me all these years!”

Feng Qingyan’s face froze.

“Guild leader Shi, you ...”

She opened her red lips and blurted out.

Everyone was also stunned, and their expressions changed.

There was something wrong with President Shi’s reaction. Could it be that ... What ye Futian said was true?

However, this was too unbelievable!

Under everyone's surprised and suspicious gazes, Tang Hao tossed his wine glass aside and stood up. He crossed his hands behind his back, looked around, and said, "He's right. I ... Am that monster!"

"Master Haotian, it's me too!"

His voice wasn't loud, but it was like thunder in everyone's ears. It shook their minds and made their heads buzz!

They were all stunned on the spot with their mouths wide open and their expressions extremely shocked!

It really was him!

Moreover, he was also master Haotian!

In the immortal realm, master Haotian, who was well-known and admired by everyone, was only a young genius about 100 years old. It was unbelievable!

"Impossible! This is impossible!"

Xuanyuan lie mumbled to himself.

He looked at the figure in front of him and his face twitched a few times. He had a strong urge to vomit blood.

If this guy was really that monstrous, then wouldn't he be a fool and easily fooled?

The moment he thought about how his negligence had caused his Xuanyuan clan to miss out on two immortal Emperor Supreme treasures, he was filled with regret.

Feng Qingyan stood there in a daze, her beautiful eyes wide open. She still hadn't come back to her senses.

She still couldn't believe that this President Shi, whom she had known for a long time, was actually the master Hao Tian she had always wanted to see. Moreover, he was actually that famous lower realm demon!

She was a little dazed and felt that she could not see this person clearly at all.

What kind of person was he?

Was he an extremely arrogant heaven-defying monster? A talented business genius? Or was he the legendary master of crafts who had dominated the immortal world?

How could all these identities appear on the same person at the same time?

"What the hell ... What kind of monster is this?"

At the side, Yao Xinyue could not help but groan.

He had deceived everyone and established a large Chamber of Commerce in the upper realm in just a few years. He had also raised his cultivation base to the peak of heaven immortal realm, no, to the half-step golden immortal realm.

Before this, this kid had taken a connate spirit item from ye Futian. By now, the Golden Flower of the great path should have bloomed.

Hurry up!

It was too fast!

Even in the immortal world, the disciples of the perfected golden Immortals didn't have such a heaven-defying speed of improvement!

This brat ... Was truly too terrifying!

However, it was a pity!

She looked up and shook her head, sighing in her heart.

If this brat could continue to hide, no one would be able to do anything to him when his cultivation reached the Golden immortal realm. Even a zenith heaven immortal would not be able to kill a golden immortal easily.

However, he was only a half-step golden immortal now and was trapped on this extreme Sky Island.

With the arrangements of the primordial beginning sect, how could they let this kid escape?

This time, this brat was probably really going to die Here!
