

The Mightiest Little Peasant Chapter 3089

“How about it? Do You Believe Me Now?”

Ye Futian looked around and smiled smugly.

His eyes lingered on Xuanyuan for a while, and a hint of mockery appeared in his eyes.

“Alright, since you all know, then there’s nothing for you to do! All of you, get out!”

“Go!” Ye Futian shouted.

In the next moment, everyone in the square was surrounded by a divine light and then disappeared.

When they reappeared, they were already outside the skyscraping Island.

“The Yuanshi sect wants to keep the treasure for themselves! Too hateful!”

“Ai! Why didn’t I see that President Shi was that monster?”

The crowd looked at the island and burst into an uproar.

There were angry ones, and also regretful ones.

“Ai!”

After Feng Qingyan came back to her senses, she looked at the island and sighed.

Since President Shi had already admitted to it, then there was no more room for negotiation and there was nothing she could do to help.

He would not be able to escape this calamity.

Although she felt regretful, she was also helpless.

“Surnamed Shi, no, I should call you surnamed Tang, do you have any last words? If you don’t tell me now, you won’t have the chance!”

On the square on the island, ye Futian turned around and looked at Tang Hao with a sneer.

Whoosh! Whoosh! Whoosh!

Behind him, a group of people came, each with a deep aura. As the aura around them rose, illusionary golden flowers of the great path appeared behind them, exuding a terrifying pressure.

The pressure gathered together and suppressed the entire world.

The atmosphere became extremely somber.

Tang Hao looked around and snorted. "You want to kill me?"

Ye Futian was stunned.

Then, he burst into laughter.

This guy must be blind! Could he not see the group of gold Immortals behind him?

And the layers of formations?

With such an arrangement, even a true gold immortal would be crushed to death here, let alone a half-step gold immortal!

"Hmph! You're so arrogant!"

The green-robed Daoist snorted in anger.

Did this monster think that the great formation of his skyscraping Island was just for show?

He had spent countless efforts and thousands of years to set up this island's protective array. Not only were there defensive arrays, but there were also layers of killing arrays. Once activated, it would be easy to kill a mere half-step golden immortal.

"Tang kid, you're going to die soon. Don't be stubborn. You won't be able to leave this place today!"

The great void sovereign sneered.

He looked at Tang Hao with a mocking expression.

"Let me meet you first! Let's see what abilities you, the so-called number one monstrous talent of the lower realm, have!"

"Go!" Ye Futian shouted and stepped forward.

BOOM!

His body shook, and a monstrous immortal light burst out and soared into the sky. At the same time, illusionary images of golden flowers appeared behind him. They bloomed and emitted a dazzling divine light.

There were a total of Five Golden Flowers, and each of them had four petals.

"Five flowers!"

Tang Hao said in a low voice as he looked over.

“Of course. The sect of Yuanshi is a powerful force. We don’t lack connate spirit items!” Ye Futian raised his head and said proudly.

“What a coincidence. Actually, I also have five flowers. It’s just that I haven’t crossed the Tribulation yet!”

Tang Hao smiled.

“You also have five flowers? Hahaha! How was that possible? Where did you get those five innate spirit items?” Ye Futian was stunned when he heard this, but he laughed again.

It wasn’t easy for this fellow to obtain one connate spirit item. How could he have five like him?

Behind him, the group of golden Immortals from the primitive sect also laughed.

This guy was quite powerful. In just a few years, he had earned a lot of immortal crystals and bought countless cultivation achievements. However, spiritual objects were different from cultivation achievements. They couldn’t be bought at all. How could this guy have five?

However, as they laughed, their expressions froze and they were all dumbfounded.

Behind that kid, there really were Five Golden Flowers that appeared one by one. Furthermore, they could clearly see the spiritual objects within the Golden flowers.

Two of them actually looked exceptionally familiar!

“That ... Isn’t that the innate glass we lost!”

“What’s going on? Why is the spiritual item in his hands?”

Very quickly, they cried out in shock, all of them in disbelief.

Among the five connate spirit items, two of them were lost not long ago. Could it be that the mysterious person who had snatched their spirit items was this kid?

After understanding this, ye Futian’s face twitched and turned ashen.

It was actually this bastard again!

How did he do it?

“Five Golden Flowers? How is that possible!”

“Where did he get so many innate spirit items?”

At this time, the people outside the island were also in an uproar.

They had originally thought that this person had only bloomed one Golden Flower, but now, he had revealed five!

This was too unbelievable! It was too shocking!

They could not figure out how this person had bloomed Five Golden Flowers in just a few years in the upper realm.

“That seems to be a spirit stone. I don’t know if you all remember that the Treasury of the mystical palace in the spirit Toad continent was once robbed clean, and there was a connate spirit stone inside!”

Suddenly, someone seemed to have thought of something and said.

“Yes, yes! I remember! After that, the divine wonders Palace even lost a spiritual item. Could it be that he was the one who took it away?”

“If he was the one who stole it, doesn’t that mean that he’s the mysterious thief?”

The crowd was in an uproar, their expressions becoming more and more excited.

Back then, the divine wonder Palace and a number of other forces had been robbed, causing a huge sensation. Only now did they realize that the real murderer was president Shi, the demon from the lower realm!

“He’s too powerful!”

“Yup! He had hidden it too well! Who would have thought that it would be him! They all thought it was some golden immortal old monster!”

Everyone sighed.

“It’s actually this stinky brat!”

In the crowd, Yao Xinyue clenched her fists tightly. She was so angry that her delicate body could not help but tremble.

It was this bastard who swept away all the treasures in her Palace, not leaving a single one for her. He was really too hateful!

“Hmph! So what if you’ve bloomed Five Golden Flowers? you haven’t even transcended your tribulation!”

“Die!” Ye Futian shouted angrily. He raised his hand, and celestial core power surged around him. It formed a giant Golden Palm and slapped forward.

Tang Hao was not afraid at all. He took a step forward, raised his hand, and formed a giant Golden Palm to meet the attack.

Bang!

The two giant palms collided, creating a deafening sound.

In the next moment, boundless divine light bloomed, illuminating the vast heaven and earth.

Outside the island, everyone narrowed their eyes and looked carefully.

When they saw it clearly, they were all stunned and in disbelief.

In the square, the figure still stood there without moving.

He was only a half-step golden immortal, but he was not at a disadvantage after taking an attack from ye Futian, who was a golden immortal.

'How ... How is this possible?'

"Golden Immortals are only so-so!"

The figure stood with his hands behind his back and said indifferently.

His robe and black hair were fluttering in the wind. A sharp light shot up into the sky from his body. His momentum was so powerful that it seemed to pierce through the sky. It was extremely shocking.
