

The Mightiest Little Peasant Chapter 3094

“Guild leader, you’re back!”

In Nantian city.

“Master!” Taoist Chang Chun greeted Tang Hao warmly.

“How was the meeting? It’s lively!”

With that, he walked out from behind the counter with a smile.

“It’s quite lively!”

Tang Hao smiled and sat down beside him. He looked at him and said, “Our Haotian faction has been here for some years!”

“About five years!”

Changchun Daoist calculated and was a little scared.

It had only been five years!

He had always felt that it had been a long time, but now, it had only been five years!

For an immortal, five years was nothing, not even a snap of a finger. But in these short five years, his life had undergone earth-shaking changes. Now that he thought about it, he found it somewhat unbelievable.

Originally, he was just an ordinary itinerant immortal and had no name in the immortal world.

But now, he was the first-level agent of the Haotian faction and the chief Manager. His name, the Changchun Taoist, was well-known in the spirit Toad continent.

In these five years, he had earned countless immortal crystals and exchanged them for Dao attainment. Now, he had long reached the mid-stage heaven immortal realm.

All of this started when he said “fellow Daoist, please wait” back then.

“Five years! It’s been quite long!”

Tang Hao smiled and sighed.

Then, he took out a pot of wine and placed it on the table. “Here! Since there’s still some time, accompany me for a few drinks! In the future, I might not have the chance!”

“This ... Guild leader, what’s wrong? What happened?”

Daoist Chang Chun was startled and quickly replied.

He could tell that the president had something on his mind. Did something happen at the extreme heaven Grand meeting? Did someone want to deal with the Haotian faction?

“There’s something that you’ll find out soon. I’m here to say goodbye to you.” Tang Hao smiled. “Perhaps there won’t be any Haotian faction in the future!”

“Guild leader, what happened?”

Daoist Changchun was getting anxious.

“Don’t worry. Have a few drinks with me first. The news should arrive soon. You don’t have to worry. This is my personal matter and it won’t affect you. If we’re fated, we’ll meet again in the future.”

Tang Hao filled two glasses of wine and pushed one to her.

Daoist Changchun was silent.

His brows were tightly furrowed, and his expression was grave.

He knew that something big must have happened at the extreme heaven Grand meeting, which made the president decide to leave and disband the Haotian faction.

He didn’t ask any more questions, picked up the glass, and drank it all in one go.

“Again!”

Tang Hao filled two more glasses.

“Let’s go!”

After finishing the entire jar of wine, Tang Hao stood up and smiled at him. He then turned around and left.

“What happened?”

The Changchun Taoist sent him to the door and stood there in a daze.

“Something big has happened!”

Not long after, a loud shout resounded in the sky above Nantian city.

In the city, someone rushed into the sky and shouted excitedly.

Daoist Chang Chun was stunned and immediately looked up.

“You won’t believe it. This news is too shocking! President Shi, he ... He’s actually that monster from the lower realm, and what’s even more shocking is that he’s master Hao Tian!” The man looked around the city and shouted excitedly.

“What? It’s fake, right?”

“You’re saying that President Shi is a demon from the lower realm? Hahaha! This joke is too big!”

“That’s right! How could President Shi be that monster from the lower realm!”

In the next moment, the city burst into laughter.

No one believed it. Everyone laughed, thinking that this was just an absurd joke!

However, only Daoist Changchun didn’t laugh.

His mouth moved, and his mouth opened wide in confusion. His head was buzzing, and he was completely stunned.

The president ... Was actually that monster from the lower realm?

And he was master Haotian?

It turned out that from the beginning to the end, the so-called master Hao Tian was just a fake figure. It was just fabricated by the president?

He just stood at the door, unable to come back to his senses.

After a long time, his body trembled and he finally came back to his senses. He couldn’t help but look in the direction of Dragon Mountain with a complicated expression.

It turned out that the president ... Was actually such an earth-shattering figure!

The funny thing was, after getting along for so long, he didn’t even notice a single clue.

“Al!”

After a while, he shook his head and sighed.

He knew very well that once the president’s identity was exposed, it would cause a sensation. The Xuanyuan clan, the primitive sect, and those top forces would all take action. Then, the president would be doomed.

“I hope the president can turn misfortune into fortune and be safe!”

He could only pray.

The president's identity was simply too shocking. He could stir up the entire immortal world, so how could a mere mid-stage heaven immortal like him be of any help?

"Let's stop the Haotian Convention for now. Maybe it will be reopened in the future."

He sighed and walked to the door. He kept the clear sky Association's flag and closed the door.

At this time, the entire Nantian city was in an uproar.

The crowd had already started to believe the news. They couldn't help but exclaim in shock. They were all extremely shocked.

Whether it was president Shi's identity or his strength, they were all in disbelief.

"That Bandit was president Shi ..."

"President Shi has bloomed Five Golden Flowers, which means he has five connate spirit items. Moreover, he has also refined an immortal spirit body that only ancient Immortals could refine. It's tens of millions of feet tall and can send a golden immortal flying with one palm. He's so powerful!"

The crowd cheered, all somewhat excited.

As people of Nantian city, they were very familiar with President Shi and had long regarded him as one of their own.

Even though it was revealed that President Shi was the monster from the lower realm, it didn't affect their feelings for him.

The news quickly spread from the city to the grotto-heavens and blessed lands in all directions, causing an uproar.

"It's time to go!"

Tang Hao had arrived at Dragon Mountain.

He had already sent a message to inform his clone of the situation, as well as Chun Xuan, Qiu Ci, and the others.

They had already packed their things and were ready.

Tang Hao walked around the mountain and deactivated the formation. He then brought them out of the mountain.

"Fellow Daoist, have a safe journey!"

A loud shout came from the side of Shangqing mountain.

Daoist Shang Qing flew out of the mountain and stood in front of the mountain. He looked over from a distance and cupped his fists.

Just now, he had also received news of President Shi's identity.

"These past few years, I'm indebted to senior for taking care of me. This junior is extremely grateful!"

Tang Hao cupped his hands at him and thanked him.

"Ah! No! I don't deserve it!"

Daoist Shang Qing waved his hand.

Although this person was very young and was said to be only a little over a hundred years old, his cultivation had already surpassed his. His strength was even more heaven-defying, so how could he accept being called senior?

"Fellow Daoist, have a safe journey!"

Then, from the mountains around Shangqing Grotto-heaven, people flew out and stood in the void, shouting in their direction.
