

The Mightiest Little Peasant Chapter 3101

“Not good!”

The seductive woman’s expression changed greatly.

This guy must have seen through her long ago and deliberately played along with her for so long.

But how was that possible?

The poison she had placed was very well hidden and it was impossible to be discovered. This fellow would not be able to resist it!

She didn’t have time to think about it. Her body moved and she was about to jump up.

“Don’t move!”

Tang Hao’s eyes turned cold. He reached out with his left hand and pressed down on her chest.

BOOM!

In his body, the ten thousand laws divine mountain shook violently and a purple light spread out.

A tender Humph!

The woman was immediately pressed down and couldn’t move.

Her eyes were wide open, revealing fear and disbelief.

‘What ... What’s going on?’

For a moment, she felt that all her celestial core power had been confined, but this was too ridiculous. This guy was a heaven immortal, the same level as her. How could he have such a great magical power to suppress her celestial core power?

“This person ... Has a powerful spell!”

She raised her head and looked at the man in front of her carefully. Her heart thumped and her mind sank.

The eyes of the person in front of him were determined and sharp. In the depths of his eyes, there was a shocking killing intent that was like an ancient frost. It showed that this person had an extraordinary background.

“Fellow Daoist, please spare me!”

She blurted out and begged.

Her well-rounded, mature, and tender body trembled violently from extreme fear.

Ever since she had become an immortal, she had never worried about her own safety. But at this moment, she felt like she was on the verge of death. She could sense that this man in front of her really had the strength to kill her.

Tang Hao looked at her and chuckled.

Spare my life?

If he were to fall for it now, he would probably lose his life very soon.

“Fellow Daoist, please don’t kill me. I’m willing to be your Dao companion. No, I’m willing to be your human cauldron. I’ll do whatever you want me to do.” She pleaded again and bit her red lips, revealing a somewhat seductive look.

“No need!”

Tang Hao’s expression was cold. He was unmoved.

In his body, the divine mountain trembled again and suppressed her. Then, he took out the divine furnace and put her in.

Putting away the divine furnace, he stood up and snorted coldly.

This woman really brought this upon herself. If she had not chosen this method to be in close contact with him, he would not have been able to suppress her so easily. After all, she was a celestial being and would not be so easy to deal with.

Now that he had put it into the divine furnace, with his Five Golden Flowers strength of a half-step golden immortal, he could suppress it and refine it to death in a few months.

“Next, we have to put on another show!”

Tang Hao looked deeper into the cave.

Although he didn’t sense any divine sense, he was sure that the five Guys were hiding in the depths, waiting for the dry wood and fire to start, and then take the opportunity to attack.

However, now that he had suppressed the person, without the fire, how could this dry wood still start to burn?

Therefore, he needed to find a ball of fire and put on a show.

“What? Acting?”

His divine sense entered the mobile immortal’s cave and told the two girls. They were both stunned.

Then, Chun Xuan's beautiful face turned red.

Although it was an act, it was too embarrassing!

Just the thought of it made her face turn red.

How could she make that kind of sound?

"I'll do it! I'll do it!"

Ji Qiuci was a little shy at first, but soon, she showed some excitement.

She felt that this was really a little too fun.

"Remember! I'm just acting!"

Tang Hao looked at her. He was worried.

"I know! I'll make it look real, as if it's real." She said excitedly.

Tang Hao's face twitched when he heard that.

This girl was still a Virgin. How would she know what she was really like?

"Tsk, I've never eaten pork, but I've seen a pig run!" Seeing what he meant, Ji Qiuci immediately raised her face and said angrily.

"Good! Then do your best!"

Tang Hao smiled and let her out.

She mulled it over for a while and started acting.

Tang Hao's jaw dropped when he read the message.

This act was really like it was real. It was a little amazing.

After being stunned for a while, he collected his thoughts and began to set up.

A moment later, in the depths of the cave, the Azure-robed old Daoist took a few steps forward. His ears twitched and he listened carefully.

"It's starting!"

He immediately smiled, somewhat happy.

"It's so F * cking intense!"

The ghostly young man listened and immediately swallowed his saliva, his eyes revealing a bit of excitement.

“Hahaha! Let’s wait for a while more. After she has absorbed all of that guy’s profound Qi, we’ll go and help her kill her.” The Azure-robed Daoist stroked his beard and laughed.

“Hmph! Dying under a peony flower, he’s become a romantic ghost!”

The tower-like man snorted and a shocking killing intent appeared in his eyes.

“Hahaha! I’ll let you end that fellow later and let you personally take revenge!” The young man glanced at him and said somewhat resentfully.

“Him! It doesn’t matter, I’m used to it anyway!”

The white-robed middle-aged man beside him laughed.

The Iron Tower man snorted again and didn’t say anything.

The Azure-robed Daoist smiled but did not say anything.

It was just a joke. For evil cultivators like them, courtesy, honor, and shame didn’t matter. In that aspect, they were even more casual and didn’t care about it.

“It’s almost time to make a move!”

After waiting for another ten minutes or so, the old Daoist turned around and nodded at the others.

After he finished speaking, he took the lead and concealed his aura, leading the way in that direction.

“Hmph! He even set up a formation to block it. That guy still has the leisure to do that!” After travelling for a moment, the old Daoist saw that there was an array blocking his vision. He couldn’t help but snort and sneer.

He stretched out his hand and directly tore the formation apart.

It was just a simple formation, but with his cultivation, he could easily tear it apart.

“Fellow Daoist, do you feel good?”

Then, he laughed and rushed over.

However, when he saw the situation inside, his laughter stopped abruptly and his face froze.

The situation inside was completely different from what he had imagined. There was only one person inside, dressed in perfect clothes, standing with his hands behind his back, looking at him with a smile.

“You ... How did you ...?”

The old Daoist exclaimed in surprise.

“Why am I dressed so well?” Tang Hao said with a smile.

“Yes ... That’s right!”

The old Daoist nodded.

“Are you going to ask where the other person went?” Tang Hao said.

“Yeah! “Just now, this place was clearly ...” The old Daoist looked around and his expression became even more puzzled.

There was indeed only this fellow here, but how was this possible?

“What do you think? of course, she’s dead!”

Tang Hao’s tone gradually turned cold as he smiled. In the end, it became even icier. His narrowed eyes were filled with a shocking murderous intent.
