

The Mightiest Little Peasant Chapter 3127

“This is outrageous!”

The elderly golden immortal clenched his fists, his face flushed red.

This disgraceful brat simply didn’t want anything good!

This was the entrance test!

Who told you to sleep!

You can really sleep, and you sleep so soundly!

If a hooligan like you really manages to pass this round, it’s simply too unreasonable!

In the video, the person turned over and slept even more soundly. The corner of his eyes twitched and his fists were clenched.

“Hmph! I’ll let you sleep!”

He laughed coldly and with a thought, he entered the middle world.

A moment later, a giant golden ape suddenly walked out of the lair. His body suddenly expanded to tens of millions of feet tall. He howled a few times and strode forward.

And the direction he was heading in was precisely where Tang Hao slept.

“Hahaha! Let’s see how you’re going to sleep this time!”

Outside, the elderly golden immortal came back to his senses and burst into laughter.

When this kid wakes up and sees this earth-god level giant ape, his expression will be very interesting.

He was looking forward to it.

“Who told you to be so mean? so, I can only teach you a little lesson!” He looked at the person in the image, stroking his long beard and laughing contentedly, feeling extremely carefree.

At this moment, the person in the image woke up and opened his eyes.

He didn’t panic like he had imagined, and his expression was very calm.

The man stood up, put away the array, and left.

After that, he found a place and set up a formation. He laid down on the ground, closed his eyes, and fell asleep again.

As he looked on, his expression gradually froze, and then he became dazed.

“This ...”

His eyes widened, unable to believe what he was seeing.

This guy actually fell down again!

He had just changed his place of sleep!

“You ... Are you a F * cking pig? Sleep, sleep, sleep, sleep, my ass!” He gritted his teeth and had an impulse to go crazy.

This brat was really too useless. He only knew how to sleep!

“Preposterous! Preposterous!”

His eyes were wide open, and he was blowing at his beard. He was so angry that his entire body was trembling.

He had never seen such a bad young man. He was too lazy!

“I’ll let you sleep! I’ll let you sleep all you want!”

He said viciously. With a thought, a few more ferocious beasts walked out from their nests in the middle world and headed towards the place where the man was sleeping.

“Again? Are you done yet! Can’t you let me sleep properly!”

Inside the formation, Tang Hao opened his eyes.

He looked around and frowned as he muttered angrily.

“This little brat is hopeless!”

Outside, the elderly golden immortal blew at his beard and glared at him. He was furious.

“Forget it, let’s go to another place!”

Tang Hao mumbled to himself, then retracted the formation and left.

He went to a distant place, found a relatively safe place, set up a formation, and lay down.

“This disgraceful brat!”

“This is simply preposterous!”

Outside, the elderly golden immortal was beyond furious.

This stinky brat was simply too stubborn, and there was no cure!

Even if this kind of person entered the sect, he would still be a parasite. He must be eliminated!

“Attack! All of you, attack! Stomp this little rascal to death!”

He roared.

Soon, the beasts around Tang Hao stood up and charged toward him.

“Something’s wrong!”

Tang Hao finally realized that something was wrong.

It was clear that someone was deliberately messing with him and didn’t want him to be so idle.

“You want to mess with me? It won’t be that easy!”

He looked up and snorted.

This voice was clearly heard by the old golden immortal.

“Hahaha! What a joke! You’re just a little human immortal, a little brat. It’s easy for me to deal with you. You’re indeed a young man who doesn’t know his own strength! You’re so arrogant!”

He was so angry that he laughed.

He was a golden immortal expert and all the ferocious beasts in this world were under his control. It would be as easy as lifting a finger to deal with this kid!

In the middle world, Tang Hao kept the formation.

He looked left and right and figured out the strength of the fierce beasts that were pouncing at him. Then, he swept out and ran away.

“Chase him, don’t let this brat escape!”

The elderly golden immortal commanded a group of fierce beasts to give chase.

In his opinion, five earth-god level fierce beasts were enough to catch up with this kid and beat him up, forcing him to use the token and give up automatically.

However, after chasing for a while, he realized that something was wrong. That kid wasn’t running very fast, but he was especially slippery, and he couldn’t touch him no matter how hard he tried.

“Hmph! As expected, if you don’t learn the good things, you’ll only be good at escaping!”

He snorted coldly and was even more annoyed.

“Five isn’t enough. More, a little more!”

He gritted his teeth and simply transferred a few more fierce beasts over to block the front.

“Hurry up! Chase him! Block him!”

He looked at the mirror and shouted from time to time, extremely excited.

“What’s wrong with the elder?”

“I don’t know!”

On the side, many people from the Emperor puppet sect looked over in surprise.

The elder’s behavior was really abnormal!

“Trash! They were all a bunch of trash! If you can’t even catch up with a little human immortal, I’ll kill you all!”

“Chase! What are you doing?”

The elderly golden immortal was getting more and more excited. He kept roaring, his face flushed red.

In the image, the kid was blocked by countless fierce beasts and was as slippery as a Loach. He was not injured at all, and he was so angry that he gritted his teeth.

“I’m so angry! I’m so angry!”

Suddenly, he couldn’t suppress the anger in his heart and let out a shrill howl.

“Heavens! The elder is about to go berserk!”

“What’s going on? Who has offended the elder?”

When the people of Emperor puppet sect saw this, they were stunned.

This elder’s temper was considered good among the elders of their Emperor puppet sect. It was rare to see him get angry. Why was he so angry today? who was it, and how did they provoke him?

“All of you, attack! Cripple this little bastard!”

The elderly golden immortal roared and went berserk.

‘This little bastard is simply too detestable!’

He definitely couldn’t let such a rascal enter the sect. He had to be eliminated.

Very quickly, a huge commotion broke out in the middle world.

The ferocious beasts that were fighting suddenly turned around and left. There were also many ferocious beasts that were hibernating in their nests. They all walked out and revealed their huge bodies.

They were all heading in the same direction.

“What ... What’s wrong?”

“What happened?”

Everyone stood rooted to the ground, somewhat at a loss.

The scene in front of him was obviously not normal.

Meanwhile, Tang Hao, who was running away, also noticed the movement around him.

His face sank and he snorted coldly.

It seemed like the person outside was determined to mess with him, so he didn’t have to be polite!
