

The Mightiest Little Peasant Chapter 3131

The hall was so quiet that one could hear a pin drop.

Everyone was frozen there.

The elderly golden immortal in particular was petrified.

He turned his neck stiffly and looked at the mirror in a daze.

Seeing that the mirror was trembling slightly and letting out a soft sound, his eyes gradually widened and were filled with extreme disbelief.

“No... This is impossible!”

“This is bad! The mirror must be broken!”

He mumbled, his emotions gradually becoming more and more excited.

How could this brat pass the mirror’s test?

There must be a mistake!

He quickly stepped forward, grabbed the mirror, and used his divine sense.

A moment later, he raised his head, his expression somewhat unsightly.

There was no mistake!

The treasured mirror had indeed acknowledged this brat!

However, he still felt that it was unbelievable. Why would Baojing like this kind of person? this kid’s cultivation wasn’t high, and he was so lazy. He wasn’t motivated at all, and he didn’t have any manners towards his elders.

This kind of kid, no matter how you look at it, is not a suitable disciple candidate!

Then, his face turned even redder.

Just now, he was still confidently saying that this kid would not pass, but in the end, the result immediately smacked his face.

He looked at the mirror, then raised his head to look at Tang Hao. He grunted.

“You’re lucky, you stinky brat!”

After he finished speaking, he turned around and walked to the side.

Although he was an elder, he had no right to interfere with the outcome of the heavenly mirror's decision. Since the heavenly mirror had taken a liking to this brat, he had the right to join his Emperor puppet sect.

"This guy actually came in too!"

"Isn't that good? This way, we'll have a chance to take care of him in the future!"

Long Xiaozi and the others discussed in low voices.

"I didn't expect that such a weirdo would be able to enter!"

The others were also discussing this matter, and they were all a little surprised.

When they heard the elder's introduction, they also felt that this fellow had no hope of passing the test at all. However, they did not expect that the result would exceed everyone's expectations.

"Greetings, fellow sect members!"

Tang Hao walked to the side with a smile on his face. He cupped his hands toward the disciples who had passed the test.

Long Xiaozi and the others only glared at him coldly.

Most of the disciples also ignored him. Their eyes were filled with disdain and coldness.

Although this guy had passed the test, he had already angered the elder. In the future, he would definitely not have a good time in Emperor puppet sect. They had to draw a clear line with this weirdo as soon as possible, so as not to be implicated by him and provoke the elder.

Moreover, this guy's cultivation was low. He was just a mid-stage human immortal. In their eyes, there was no need to befriend him.

Tang Hao was not annoyed. He chuckled and walked to the side.

After a while, everyone had finished the test.

In the end, there were exactly five hundred people left.

"Congratulations, everyone. Next, follow me to the main hall and hold the entrance ceremony. After the ceremony, you will be granted identity tokens and you will be official disciples of my Emperor puppet sect!"

The elderly golden immortal led the group out of the hall and into a divine mountain at the side.

"This mountain is Thearch peak, the main peak of our sect. Over there is the weapon peak, and that is the medicine peak ..."

While he was flying, he pointed at the mountains in the four directions and introduced them one by one.

“Elder, where’s our sect master?”

Someone asked.

“The sect master has gone on a journey and hasn’t returned for a thousand years. As for when she will return, I don’t know. The sect master is an Almighty Immortal King. How can we guess what she’s thinking?” The elderly golden immortal said.

Everyone was slightly disappointed.

They had thought that since the Emperor puppet sect had appeared, this immortal King might return soon, but now it seemed that this was not the case.

“It’s best if you don’t come back!”

Tang Hao mumbled.

He had come in with a hidden identity and was prepared to mix around here. Of course, he didn’t want this immortal King sect master to come back.

“Elder, do we have many connate spirit items in our sect?”

Tang Hao could not help but ask.

He was most concerned about this.

Chun Xuan, Qiu Ci, miss su, little ye, and Fei Wan. He had to get at least 15 connate spirit items.

“Many! Of course, there are a lot of them. Don’t you see where you are?”

The elderly golden immortal raised his head and said proudly.

“How many?”

Tang Hao’s eyes brightened.

“A lot of them!” The old man said arrogantly, then glared at him. “Why are you asking this? why don’t you take a look at your current cultivation level? it’ll be long before you can use an innate spirit item.”

“Hahaha! That’s right! What does an innate spirit item have to do with you?”

Everyone burst into laughter, their faces full of mockery.

It was ridiculous that a middle-stage human immortal was concerned about a connate spirit item!

“You, ah, continue to cultivate for a few more hundred years, then it’s not too late to ask this question!” Long Xiaozi scoffed, his face full of mockery.

“I’m just asking!”

Tang Hao smiled.

There were many connate spirit items. It seemed like he had come to the right place!

He muttered in his heart.

“Elder, what’s that? What a shocking aura!”

Suddenly, a disciple looked in one direction and exclaimed.

Tang Hao looked toward the source of the voice. The man raised his hand and pointed at a mountain not far away.

The peak of the mountain was shrouded in a brilliant light. A Divine Tree could be vaguely seen inside. It was completely purple and gave off an ancient, boundless, and primitive aura.

“That! It was a rare divine item! It’s not an exaggeration to say that it’s our sect’s most precious treasure.”

The elderly golden immortal looked over and smiled proudly.

“Strange, I’ve actually never seen this kind of divine wood before!”

Tang Hao narrowed his eyes. He was surprised when he examined the man.

With his attainments in the Dao of plants and vegetation, he actually couldn’t recognize this Divine Tree.

Such a situation was rare.

“Elder, What is this?”

Everyone was curious.

“Good! Let me introduce you to it. This Divine Tree is called the primordial Divine Tree. It was the first connate Spirit Tree born when the immortal world was established!”

The old man said in a clear voice.

“Whoosh!”

Everyone immediately revealed shocked expressions.

The first connate Spirit Tree at the beginning of the world!

They all knew what this meant!

This was indeed a rare treasure!

“Elder, how could our Emperor puppet sect have such a powerful treasure?”

“Does it have a spirit?”

Then, they asked one another.

“Our sect master is so powerful. How could he not get such a good treasure? as for intelligence, he doesn’t have it. His existence is too special. It’s impossible for him to awaken intelligence.” The elderly golden immortal said with a smile.

“I’m telling you, this treasure’s magical effect is not small. If you reach the peak of heaven immortal, you’ll have the opportunity to sit under the tree, which will help you condense the wood of Dao faster!”

“When you become golden Immortals, it can also speed up the growth of the Golden flowers in your bodies!”

After a pause, he introduced.

When he finished speaking, everyone was stunned.

Then, with a hiss, they all gasped in shock.

Accelerate the growth of the Golden Flower?

What a heaven-defying ability!

As expected of the Emperor puppet sect, they actually had such an incomparably heaven-defying divine object!
