

The Mightiest Little Peasant Chapter 3154

“This Brother Qin is really hiding his true strength!”

“Yup! That’s amazing!”

The crowd was in an uproar.

The disciples exclaimed in shock, their faces filled with excitement and shock.

The result of this competition was truly too unexpected.

The person who won first place was actually this Brother Qin.

The fact that he could defeat a group of half-step golden immortal geniuses with the cultivation base of an early heaven immortal was enough to prove how powerful he was.

“The last time I saw what happened in King Yan’s field, it wasn’t luck at all. Long Xiaozi and the others were defeated by this person.”

“I think so too. This person has real ability!”

Many people looked at long Xiaozi and discussed in low voices.

Their gazes were a little strange, with a bit of mockery and disdain.

Many people had pitied them when the incident had happened. They had thought that they had been unlucky to have fallen at the hands of the black Phoenix race. However, they now knew that it wasn’t just bad luck. It was obvious that they were inferior to their opponents.

Five heaven immortal monsters couldn’t defeat a middle-stage human immortal. It was really embarrassing!

Sensing their gazes, long Xiaozi and the others’ faces flushed red, looking extremely embarrassed.

“Congratulations, Brother Qin!”

Princess Zi Yang stepped forward and smiled. “Brother Qin, you’re probably the first person in the history of the two sects to take first place in the competition with your early stage heaven immortal cultivation! Zi Yang is impressed!”

“Fellow Daoist is too kind!”

Tang Hao smiled at her and said calmly.

“Brother Qin, after we get out, can we catch up and have an in-depth exchange of pointers?” Princess Zi Yang said.

Whoosh!

Upon hearing this, the crowd burst into an uproar.

Many people revealed envious expressions.

This was the first time that Princess Zi Yang had taken the initiative to ask for a spar. If he seized the opportunity, he might have a chance to win her over and get intimate with her.

“Let’s forget about the exchange!”

Tang Hao said, shaking his head.

Princess Zi Yang’s expression froze.

She couldn’t believe her ears. This man had rejected her once again. Was she really that unattractive in his eyes?

She immediately lowered her head and sized up her own figure. She was even more confused.

Her looks naturally didn’t need to be said. Her figure was also curvaceous and perfect. The male disciples’ eyes were incomparably hot as they sized her up every day.

But this person didn’t seem to be interested at all.

Could it be that ... This person doesn’t like women?

She even had such a bold guess.

“You also know that I’m very lazy!”

Tang Hao explained when he saw concealed light’s strange expression.

“Oh!”

Princess Zi Yang nodded immediately, feeling a little relieved.

Perhaps, he was really too lazy.

“Then, Brother Qin, if there’s a chance in the future, let’s exchange pointers and learn from each other!” She was not ready to give up.

Brother Qin’s talent and strength were probably above hers. If they were to be classified according to the level of monstrous talents, he was likely to reach the level of an eminent disciple of the zenith heaven. Such a monstrous talent was rare even in the hundreds of continents of the immortal world.

If she could form a good relationship with him, it would be of great benefit to her and the Taiyi celestial dynasty behind her.

She smiled, then turned around and left.

“Aiya! It was really our negligence just now, please don’t take it to heart! Come, come, come, sit here ...”

Elder di pulled Tang Hao up and walked toward the other elders. He was very friendly and enthusiastic.

“This is the pillar of our Emperor puppet sect!”

“That’s right. He has such achievements at such a young age. His future is limitless!”

All the elders gathered around and said enthusiastically.

“I heard that he’s still a yellow level disciple? This won’t do. When we go back, I’ll immediately promote you to the highest level ...”

“Yes, yes. There’s also a cave abode. Immediately upgrade it to the best.”

Then, they shouted at elder di.

“Alright! I’ll level up immediately!”

Elder di nodded his head like he was pounding garlic.

He grinned and beamed.

In this batch of disciples, there was such a talent that made the nightless club’s old monsters envious. How could he not be happy?

Tang Hao did not feel anything about the rise in his status. He just wanted to leave as soon as possible and return to his cave abode to focus on his alchemy.

After more than an hour, the results were finally counted.

Next, everyone left the secret realm and held a grand ceremony to distribute the rewards.

When the news spread, the entire sect was in an uproar. Countless disciples came to watch.

When they first heard the news, they found it hard to believe.

An early heaven immortal had won first place?

This sounded a little fake!

“He’s only a little over 100. It’s already very abnormal for him to reach the early heaven immortal realm, but he still won the first place in the competition. What kind of monster is he?”

“Who told me that this guy was just lucky and that his strength was just average? how can this be called average?”

They had three layers inside and three layers outside, surrounding the square so tightly that not even a drop of water could pass through.

The crowd was in an uproar.

All of the disciples had looks of eagerness and excitement on their faces.

“Didn’t they say that there was a heaven-defying monster outside? He’s about the same age, but his cultivation has already reached the Golden immortal level, shaking the entire immortal world. I don’t think Junior Brother Qin is too far off, and there’s hope for him to catch up to that demon!”

A disciple laughed.

“Al! That’s a bit of an exaggeration. That genius surnamed Tang is really at a heaven-defying level. Whether it’s Ye Futian of the Yuanshi sect or other top geniuses, none of them can compare to him. He’s well-deserved to be the number one in the celestial world. ”

“That’s right, that demon is hard to come by in ten thousand years. He’s so demonic that he can shake the heavens and earth. Didn’t you hear that a group of great eternity Immortals chased after him, but they couldn’t catch up? Although Junior Brother Qin’s talent is extraordinary and comparable to those at the zenith heaven level, he’s still far from that demon. ”

Very quickly, a disciple shook his head and retorted.

They had only heard about the demon surnamed Tang after the opening of the mountain, and they were stunned.

They had always thought that such a monster should only exist in legends and myths. They never thought that there would be a living one.

When they learned more about that monster, they were even more speechless.

In their hearts, this monster was already deified, an existence that no one could reach.

Indeed, this Junior Brother Qin was powerful. He could suppress a group of half-step golden Immortals with just an initial stage of the heaven immortal realm. However, he was still not comparable to that demon.

“Hey! I only said that there’s hope, not that he’s comparable. No matter how powerful that demon is, he’s not from our sect, but Junior Brother Qin is one of us!” The disciple from before mumbled.

“That’s true!”

All the disciples nodded and laughed out loud.

The ceremony ended quickly in a lively atmosphere. Tang Hao finally received his reward. Then, elder di led him to change his identity token and a cave abode.

After entering the cave abode, he tidied up for a while before sitting down. He took out the gains from this trip and organized them.
