

## The Mightiest Little Peasant Chapter 3179

Two beautiful figures walked along the corridor.

The one on the left was tall and wore a white chiffon dress, which revealed her graceful and curvaceous figure.

Under the skirt was a pair of smooth, snow-white legs.

She had a beautiful face and long black hair that fell over her shoulders. She had an elegant and dignified temperament.

At this moment, her brows were slightly furrowed, and her expression was a little dazed.

“Sister, what’s wrong with you?”

Ji Qiuci looked over and asked curiously.

Although the two beautiful sisters looked somewhat similar, their temperaments had always been completely opposite. Now, the contrast was even more intense. One was elegant and dignified, while the other was charming and moving.

When the two of them walked together, the contrast was even more intense.

“It’s nothing!”

Ji chunxuan shook her head.

“I know what you’re thinking. You’re thinking about the young master and sister feiwan, aren’t you?” Ji Qiuci came over, stared at her for a long time, and teased.

“No, I didn ‘t!”

Ji chunxuan hurriedly said, her face slightly red.

“My good sister, don’t lie to me. Do you think you can lie to me?” Ji Qiuci wrinkled her nose and snorted. “I know how many intestines you have in your stomach!”

Ji chunxuan was silent.

“Actually, I’m thinking the same thing as you. I’m a little envious, but there’s nothing I can do about it. Who asked sister feiwan to be so pretty and have such a good figure? she’s not just big!”

Ji Qiuci sighed and lowered her head. She looked at herself and Ji chunxuan, then shook her head.

Ji chunxuan lowered her head to take a look. She was stunned for a moment, and her pretty face immediately turned red.

What was this girl talking about? it had nothing to do with this!

Besides, she wasn’t young anymore!

“Which ... Which part of it is too small?”

She said with a red face, but her tone was a little stubborn.

This one of hers was really not small anymore!

“Mm! It’s indeed not small!” Ji chunxuan suddenly reached out her hand and sneaked an attack. She nodded in all seriousness. “But it’s still not enough!” Big sister, why don’t you eat some pills and get bigger!”

“You ...”

Ji chunxuan was stunned again. Then, her face turned red with embarrassment and anger.

She raised her hand and slapped the demonic claw away. “You little girl, what are you thinking? how could I eat that kind of pill!”

For xiuzhe, changing one’s appearance and even one’s figure was a very simple thing. There were many people who did this, but not everyone liked it. There were still many people who liked natural things.

“You’re really not eating? Then I’ll eat it. Don’t regret it when the time comes!”

Ji Qiuci snorted.

“You little girl, you’re about to die, how could you eat that kind of pill!” Ji chunxuan rebuked.

“What should we do if you don’t want to eat it? by the way, I heard that you’ll get bigger if you touch it too much. Do you want me to give you a massage?”

Ji Qiuci chuckled again.

“I’m going to die ... Don ‘t!”

Ji chunxuan shrieked, covered her chest, and fled.

The two girls played along the way and soon walked far away.

“These two girls!”

In the hall, Tang Hao shook his head and chuckled.

A moment later, he gathered his thoughts and entered the portable medicine garden.

After walking around the garden, he collected a lot of poisonous grass and flowers, ready to use them to make poison.

Using poison was the most convenient way to do so without exposing his cultivation.

He spent three days and concocted many more poisons. Then, he went to the pharmacy division’s Mountain peak, stole another thirty drops of divine liquid, and began to refine pills.

This refining process took another four months.

During this time, Chun Xuan and Qiu CI had already condensed all their golden flowers and were sent out of the sect.

He also had them bring five more spirit items to the fair heaven sect.

After the 30 cauldrons of divine pills were refined, he began to consume them.

After the absorption, the eighth petal was completed.

“There’s only one petal left!”

Tang Hao was overjoyed.

As long as he opened one more petal and reached the great circle, he would be able to reach the peak of golden immortal, the great circle.

He did some calculations and realized that there were people on the medicine peak these few days, so he didn’t go out.

Taking advantage of this free time, he refined a lot of poison pills.

On this day, he was refining a furnace of poison pills when he heard the doorbell ring outside the cave.

He didn’t mind and still used his divine sense to take a look.

Many people had come to look for him, including Princess Zi Yang, but he had ignored them.

“Why is it an elder!”

When he saw clearly, he was stunned. The person outside the door was elder di.

“Elder, what’s the matter?”

He immediately stood up and left the cave.

“There’s something! Let’s go to the main peak and talk!”

Elder di waved his hand, turned around, and rushed back to the main peak.

Tang Hao was a little surprised. Judging from the elder’s expression, it was not a small matter.

He followed her and soon arrived at the main peak.

When he landed, he saw that there were already many people gathered in the square of the main peak. They were all disciples from the same batch as him. With a glance, he caught a glimpse of a purple figure. It was Princess Zi Yang.

“Brother Qin!”

“Master!” Princess Zi Yang greeted him with a smile.

“Greetings, Brother Qin!”

The others all bowed and greeted him with great respect.

“Elder, this is ...?”

Tang Hao landed on the square and looked at elder di in surprise. There were so many disciples this year. Could it be related to the nightless club?

Elder di looked at him and said seriously, "the sect has just received news that an Immortal King's relic has appeared outside. It's related to an Immortal King's remains. Now, this news has attracted the attention of many forces. They have all sent people to investigate."

"The nightless club has also received the news and sent a group of disciples ahead of us. So, we can't fall behind and must catch up with them. If there really is a relic, we must get there before them."

It was indeed the nightless club again!

Tang Hao could not help but smile bitterly.

Only something related to the nightless club would make the elders in the sect so anxious.

Then, his expression changed.

The remains of an Immortal King?

This was quite a big piece of news, but he didn't know if it was true. After all, logically speaking, there shouldn't be anything like an Immortal King's remains in this immortal world.

This was because there were very few immortal kings in the immortal world, and they were all alive. There would not be any remains left behind.

"Oh! That's not necessarily true!"

Suddenly, Tang Hao was startled. He remembered the immortal King who was suppressed in the ancient well.

However, that was probably when the immortal world was just created, and there might not be any historical remains left.

“Immortal King ruins? How could there be an Immortal King relic?”

A disciple asked the question in his heart.

All the disciples nodded.

They had heard of the trial grounds left behind by the immortal King, but they couldn't understand why he was talking about the relics of the immortal King.

Elder di frowned and seemed to be a little hesitant.

After hesitating for a moment, he nodded.

“It's not a secret, but only a few people know about it. I'll tell you, in fact, a long time ago, several celestial Kings disappeared one after another. Not only celestial Kings, but also many great eternity Celestials. ”

He said slowly with a solemn expression.
