

The Mightiest Little Peasant Chapter 3195

The primitive sect.

In a Palace.

A few figures were sitting in a garden, drinking wine and chatting. They were extremely relaxed.

These few people were all young men, each of them with outstanding horns and extraordinary temperament. They were clearly all first-class geniuses.

One of them was ye Futian.

He drank wine and laughed out loud from time to time, but he was extremely carefree.

“Al! It’s a pity that old Brother Qin is not here!”

Suddenly, he was startled and sighed with regret.

Ever since they parted at the Immortal King’s ruins, he had never seen that Brother Qin again. However, he had always been thinking about him. First, it was because of that person’s identity. He was the number one expert of Emperor puppet sect this year and was worth befriending. Second, it was because that Brother Qin gave him the feeling that they had met as old friends.

“Old Brother Qin? Oh! Is it the number one disciple of the Emperor puppet sect you mentioned before?”

The other geniuses’ expressions changed as they said.

They had all heard of the number one expert of the Thearch puppet sect. He had caused a sensation among the major forces.

Many forces went to investigate, but the Emperor puppet sect didn't reveal too much information and was somewhat mysterious.

"Yup! This old Brother Qin was no ordinary person! Very powerful!"

Ye Futian said with a smile.

"Oh? Even with brother ye's strength, you still hold him in such high regard. It seems that this person must be extraordinary!" The few geniuses were a little surprised.

This brother ye is one of the most famous monstrous geniuses in the immortal world, so his standards are naturally extremely high. He definitely wouldn't look up to Ordinary Geniuses.

"Hahaha! Of course, I, ye Futian, have never missed a thing!"

Ye Futian said smugly.

"After hearing what brother ye said, we're really curious and want to see him!" The others laughed.

Their expressions were also somewhat fervent.

For ye Futian to hold him in such high regard, he must be a very powerful figure. Moreover, his identity was also quite special. He was the number one of the celestial King-level forces this year. It could be said that his future was boundless!

Although the immortal King wasn't present in the current Emperor puppet sect, if he were to return one day, the prestige of this Emperor puppet sect would definitely become incomparably illustrious, suppressing the entire immortal world. At that time, the status of this year's number one would also rise.

"Good! Good! Next time, I'll take you to the Emperor puppet sect to visit him!"

Ye Futian laughed and patted his chest.

"Then I'll leave it to you, brother ye!"

The few of them laughed and raised their glasses.

"F * ck!"

Ye Futian laughed, raised his head, and drank the wine in his glass.

Just as he was about to pour more wine and drink to his heart's content, a divine light suddenly shot toward his garden. Soon, a middle-aged man landed in the garden and quickly stepped forward, shouting, "Young master ye, bad news!"

"What's wrong! It's so noisy!"

Ye Futian turned his head and looked at her. He was a little dissatisfied.

The man said anxiously, "just now, a jade talisman came and fell into the hands of an elder in the sect. It's about that demon. At this moment, the news has already spread in the sect. The people of the other branches are ready to move."

“What?”

Ye Futian was stunned. He stood up suddenly and was extremely excited.

“Where are you? Hurry up and tell me! How did you find it?”

He asked urgently.

“It’s said that the Fang family sent news that the monster has been hiding in the Emperor puppet sect all these years.” The man said.

“W-what? Thearch puppet sect?”

Hearing this, ye Futian’s body trembled again. He was in disbelief.

The next moment, he seemed to have thought of something and his expression changed.

“Emperor puppet sect ... Emperor puppet sect ... It can’t be such a coincidence, right?!” He mumbled in a daze.

At this moment, an extremely absurd thought emerged in his mind.

“Right! He’s in the Thearch puppet sect, and I think he’s using the Qin surname. ” The man said.

“Qin?”

Ye Futian's body swayed, and he felt dizzy.

He staggered back a few steps and almost fell down.

Emperor Xun sect, and surnamed Qin? even if he was a fool, he would know who he was talking about!

When he thought about how stupid he was to call his nemesis his brother and even felt like they had met too late, he had the urge to vomit blood. He even wanted to slap himself a few times.

How could he be so stupid to this extent!

It was too embarrassing!

The few evildoers in front of him were dumbfounded, unable to figure out the situation.

Didn't this person just say that he was very close to that Qin guy and that they were good Brothers? but in the blink of an eye, that good brother had become that demon surnamed Tang and had become his mortal enemy?

Their expressions gradually turned strange.

"Let's go!"

Ye Futian was stunned for a long time before he came back to his senses. His face was livid.

That bastard had played him again!

He must take revenge for this!

This time, he would let go of all the Old and New grudges!

“Where’s master?”

He asked as he flew over.

“Someone has already gone to inform them.” The man followed and said.

As soon as he finished speaking, a magnificent divine light shot up from the depths of the primitive sect, and then another ...

A total of three beams of divine light rushed out of the sect protecting Grand array and quickly disappeared.

They were the three heavenly venerate powerhouses of the Yuanshi sect.

“Hurry up and follow!”

“Go!” Ye Futian shouted. After figuring out their location, he took a group of people and set off at top speed.

After him, many more divine lights from the primordial beginning sect rushed out, and they were all heading towards the direction of the Emperor puppet sect.

At the same time, on the other side of the immortal world, the Xuanyuan continent.

The worlds of the Xuanyuan clan were also boiling. Countless divine lights rushed out, and several of them were magnificent. They were all Immortals of the great all-embracing heaven.

In other places of the immortal world, the same situation was also the case for the major forces.

They all used their fastest speed to head in the direction of the Emperor puppet sect.

At this moment, the group of elders who had come out of the Thearch puppet sect were already approaching the scene of the incident.

When they saw the terrifying phenomenon in the distance, they were all shocked.

“It’s the immortal spirit body!”

“It’s that monster! What is he doing?”

They squinted their eyes and took a closer look at the sea of lightning. They were all shocked.

In the midst of the lightning, there was a dark golden giant that stood between heaven and earth. He was tens of millions of feet tall. As he stood there, his body was covered in lightning. He was like an ancient God with monstrous power.

“He’s absorbing the immortal Meridian underground and the divine lightning above the ninth heaven. But why is that?”

Elder di looked at him carefully and asked doubtfully.

This monster had already suppressed Fang Jinghong, and the Fang family had been defeated and powerless to resist, so why did he still want to cause such a big commotion?

“Not good! This kid is going to refine someone. Look at that furnace in front of him. It’s said that it’s a Supreme Emperor artifact that can refine Immortals. ” “What?” the first elder suddenly exclaimed in shock.

“What? He’s going to refine a golden immortal?”

All the elders were shocked when they heard this.

This monster not only suppressed people, but also refined them to death on the spot?

‘This ... This is too cruel and too bold!’

“Stop!”

After a while, they reacted and sped up, rushing forward and shouting.
