

The Mightiest Little Peasant Chapter 3201

“Hurry up! It’s right in front!”

In the void, there was a divine light speeding.

It was a golden immortal boat, and many figures stood on the bow deck.

The one in the lead was ye Futian.

Behind him stood a person. It was the great void sovereign.

His aura was profound, and he was already a golden immortal.

“That’s the place!”

“Waa! What a terrifying aura! It must be a fierce battle between the great eternity Immortals!”

Ye Futian looked ahead and exclaimed.

In that direction, boundless divine light was blooming. From far away, they could sense the terrifying aura coming from there.

This was definitely a chaotic battle between the great eternity Immortals to fight for that kid!

As for that kid, he should be in a very miserable state right now!

In such a terrifying battle, that brat would definitely be affected and beaten up miserably.

Just the thought of it made him feel extremely satisfied.

Who asked that kid to be so despicable? he had embarrassed him time and time again. This kid deserved to die. It would be best if he died at the hands of the heavenly venerates of the Yuanshi sect.

“This time, that brat won’t be able to escape!”

Behind him, master Taixu also smiled in delight.

Last time, that kid had run too fast. By the time they arrived at Nantian city, he had already run away. But this time, it was obvious that he had failed and was trapped by the great eternity Immortals.

Facing so many Grand Luo Immortals, that kid definitely wouldn’t be able to escape.

“Hahaha!”

Ye Futian laughed again, feeling extremely happy.

He increased his speed and dashed forward.

However, as soon as they got closer, they suddenly saw a beam of divine light blasting over from the front. It was as fast as lightning, and its aura was extremely terrifying.

Everyone on the ship was stunned.

Looking at the divine light, they were all a little dumbfounded.

In the next moment, the immortal ship exploded with a boom. Everyone on the ship screamed in pain. Half of their bodies exploded, and some were turned into fine powder.

“F * ck, he’s so unlucky!”

When he was reborn, ye Futian cursed, his face livid.

His good mood just now had been completely ruined by this divine light.

“Young master ye, we can’t go any further, it’s too dangerous. We’re all great eternity Immortals, one mistake and we’ll die!” The great void sovereign was reborn as well. He looked in that direction and his face was full of fear.

There was chaos over there, and divine light flashed, making it impossible to see the situation clearly.

Waves of aura spread out, shaking his mind.

It was too terrifying!

As expected of a battle at the origin immortal level, just the aftershock was already so terrifying!

Ye Futian took a look and felt a lingering fear.

From such a distance, just a mere aftershock could tear his immortal warship apart and blow them up. If they continued forward, the consequences would obviously be more terrifying.

“Look, it’s an exalted celestial!”

“Those are the three heavenly venerates of our Yuanshi sect. Who are they? It’s so big, is it the immortal spirit body of another great eternity immortal?”

They stopped and used their divine eyes to look at the center of the battlefield.

After watching for a while, they were all a little puzzled.

There were only four people there, an immortal spirit body and the three heavenly venerates of the sect of the origin. They were busy fighting.

Although there was only one immortal spirit body, he appeared and disappeared unpredictably. He kept tearing the void apart and reappeared again. For a moment, he had entangled the three heavenly venerates of the primitive sect.

“That’s not right!”

After watching for a while, ye Futian also frowned.

He thought it was a group of zenith heaven Immortals fighting, but there were only four of them. Since that zenith heaven immortal used immortal spirit body, why didn’t his master and the others use it?

And master and the others were attacking this person, could it be that the kid was on this Grand Luo immortal?

Moreover, he felt that this immortal spirit body was somewhat familiar.

“Don’t you think that this thing looks a little familiar?”

He looked at sovereign Taixu and asked in a low voice.

“This ... Does look a little familiar.” The great void sovereign also frowned, his face full of confusion.

Suddenly, he seemed to have thought of something, and his body trembled violently, revealing a look of disbelief.

“Impossible ... This is absolutely impossible!”

He mumbled and kept shaking his head.

In front of him, ye Futian also seemed to have noticed something, and his expression changed drastically.

That immortal spirit body was really similar to that kid’s immortal spirit body, but it was bigger and its appearance had changed a lot. However, one could still tell that it was the same one.

But, how was that possible?

Wasn’t this kid only at the Golden immortal stage? Even if he used immortal spirit body, he wouldn’t be able to fight one great eternity immortal much less three.

This was simply too absurd!

“Aiya! I’m late!”

At this moment, ripples appeared in the void, and a figure stepped out.

He looked in front of him and slapped his thigh in frustration.

Although he had rushed over as fast as he could, he was still a little short.

“It’s the three old men from the primitive sect. Who’s that? He even used immortal spirit body, tsk tsk! It seems that the kid is on this guy!”

He took a closer look and understood.

The guy with the immortal spirit body must have arrived first and subdued the kid. Before he could leave, he was blocked by the three old monsters of the primitive sect and started fighting.

“Hahaha! A dog biting a dog, good fight!”

The old man laughed.

He stood at the side, not preparing to make a move.

He had calculated everything very well. If he attacked now, it would easily cause hostility from both sides. No matter which side he helped, he would not get an advantage. It was better to wait and see the situation.

“What’s going on?”

Soon, another great eternity immortal arrived. He squinted his eyes and looked carefully, but he also chose to watch.

Then, figures appeared in the void in all directions. Some were zenith heaven Immortals, and some were golden Immortals. They all stood far away and watched.

“It’s the Yuanshi sect!”

Not long after, another wave of ripples appeared, and a group of people walked out.

There were a total of four people, all of them great eternity Immortals.

The one leading them was Xuanyuan Zheng.

They walked out and looked around, their eyes landing on the center of the battlefield.

“The person should be on that immortal spirit body.”

“Let’s not attack first. Let them fight for a while longer. When they are tired, we will attack like a Thunderbolt and trap that guy, forcing him to hand over the hostage!”

The four of them discussed in low voices.

They concealed their auras and chose to wait like the others.

“Eh? Why do I feel like there’s something wrong with this guy?”

Xuanyuan Zheng stood with his hands behind his back and narrowed his eyes. After observing for a moment, his brows furrowed.

There was something wrong with the aura of the celestial Spirit body. It didn't seem like a real celestial of the great all-embracing heaven. If he was a real celestial of the great all-embracing heaven, his aura would be stronger after using the celestial Spirit body.

Moreover, he felt that the immortal spirit body in front of him was somewhat familiar, as if he had seen it somewhere before.

But this was very strange. People like them hadn't touched immortal spirit bodies for tens of thousands of years. He couldn't even remember what the immortal spirit bodies here looked like, so why did he feel an inexplicable sense of familiarity?

"Could this be ...?"

Suddenly, his mind trembled as he finally remembered.

Wasn't this immortal spirit body that kid?!

"Heavens!"

When he came to his senses, his heart was instantly filled with shock.

This kid was not suppressed at all. Instead, for some reason, his strength had increased greatly and he was now able to fight against the three old monsters of the Yuanshi sect.

This ... Was simply too unbelievable!
