

The Mightiest Little Peasant Chapter 3206

Everyone was dumbfounded, and many of them even had a look of obsession on their faces.

Golden Immortals and even zenith heavens like them had seen all kinds of stunning beauties, but they had rarely seen such a high and mighty beauty.

It's the night Immortal King!"

"It's the Lord of the nightless club!"

Soon, a few exclamations erupted from the crowd, completely waking these people up.

They were so frightened that they shivered and broke out in cold sweat.

They had almost had improper thoughts about a Celestial King. Wasn't this courting death?

"Greetings, night Immortal King!"

They knelt down and called out respectfully.

It was the night Immortal King!

No wonder!

They were even more enlightened.

They had long heard that a thousand years ago, the two celestial Kings, night and Phoenix, were mortal enemies. They had fought each other every day and many times, but they had never been able to determine the winner.

Since the immortal execution King had appeared, it was only natural that the night Immortal King would appear as well.

It seemed that these two would have to fight again today.

“This is my Emperor puppet sect’s business, why are you meddling in it!”

In the middle of the field, the two figures were still facing each other.

The dazzling figure retracted the divine light, revealing a dreamy and beautiful face. She was dressed in a golden immortal robe, which looked luxurious and extraordinary.

She was glaring at the front with her beautiful eyes.

They had been fighting in that broken place for thousands of years and finally stopped fighting. In the end, they had not even stopped for a day and this fellow came again!

“Who said this is your Emperor puppet sect’s business? he’s one of my people. If you want to touch him, you have to ask me first!”

The seductive woman laughed.

“What do you mean by” your man,”don’t talk nonsense, he is clearly my Emperor puppet sect’s man, at least for now, I have the right to punish him, you can’t do anything about it!” The woman shouted angrily.

“If I say it’s mine, then it’s mine.”

The seductive woman raised her face and confronted him head-on, not showing any weakness.

The two’s gazes collided intensely, and sparks flew in all directions.

“Oh my, so it’s these two old monsters!”

At this time, Tang Hao had already understood that these two immortal kings were the two old monsters he had met in the Li Water Tribe continent.

“Yeah! After fighting for thousands of years, his strength is still so terrifying. Why didn’t I think of this earlier?” He was vexed.

He really didn’t expect that the two old monsters were the nightless club and the two immortal kings of the Emperor puppet sect.

Because no one had told him that these two were women.

“We’re finished! I’m finished!”

Tang Hao panicked even more after he understood what was going on.

The current situation had undoubtedly become even worse.

Because in that dangerous place, he had seen these two immortal kings, especially the immortal execution King, who had wanted to kill him at that time. If it hadn't been for the other one, he would have been dead.

If this person knew his identity, he would probably want to kill him again.

“Hurry up and run!”

He made a prompt decision and retracted his immortal spirit body. Then, he tore open the void and was about to leave.

“You want to leave? Hmph!”

“Little brother, where are you going?”

A cold snort and a tender moan.

Then, Tang Hao realized that the space around him had been frozen. He could not move at all.

He froze on the spot, not daring to move for a moment.

“Don't be afraid. I'm here. Just like last time, she can't kill you.” Accompanied by a giggle, the black figure swept over and arrived behind him. A pair of Jade-like arms hooked around his neck.

That alluring and fiery figure also gently pressed against him.

Tang Hao's body stiffened again. He did not dare to move.

Although the feeling coming from behind him was a little wonderful, he felt his scalp go numb when he thought that this was a Celestial King old monster.

“It’s him?”

At this time, the woman was stunned and her face was full of surprise.

Then, her gaze turned complicated.

Of course, she remembered this brat. He had offended her before. However, on account of his special status and his relationship with the heaven desolate Hall, as well as the fact that this fellow surnamed ye had stopped her, she did not do anything.

Who would have thought that a few years had passed in the blink of an eye, and this brat had actually advanced from the heavenly immortal stage to the perfected golden immortal stage?

What was even more unexpected to her was that his talent was so demonic!

“This brat offended me first, then sneaked into my Emperor puppet sect and stole my fortune. He’s really despicable.” She thought to herself, a little annoyed.

However, she was a little unhappy when she saw that ye mo was protecting this guy and was about to take him in.

This was a peerless evildoer. If this ye fellow were to take him in, her Emperor puppet sect would be at a disadvantage in the future.

“Release him! He’s not your man, he’s still my Emperor puppet sect’s man! You see, he still has my Emperor puppet sect’s identity token on him!”

She shouted coldly.

“I didn ‘t!”

Tang Hao quickly pulled the token from his waist and threw it away.

Behind him, the seductive woman was stunned for a moment. Then, she giggled and laughed so hard that her body trembled.

Tang Hao could feel her passion through her clothes.

“You ...”

The woman’s beautiful eyes widened in anger.

Then, she took a deep breath and forced a smile on her face. “You don’t have to be afraid. I won’t kill you. Really, as long as you’re willing to come back, you’ll still be a disciple of my Emperor puppet sect. No, an elder! With your strength, you’re more than enough to be an elder!”

“Really?”

Tang Hao asked.

“Of course it is! Who am I? how can I lie?” She forced a smile on her face.

“But I don’t believe it! You wanted to kill me before, and now you want to kill me again. I’m very scared!”

Tang Hao said weakly.

“You ... You little brat!”

The woman was angry again.

She took a deep breath, her towering chest rising and falling rapidly.

Even her beautiful and dreamy face was flushed red.

“You, ah, don’t waste your energy! I’ve already told you, she’s mine, so don’t be insensible!” The seductive woman glared at him provocatively, her face full of pride.

She wrapped her arms around Tang Hao and hugged him even tighter. Her face was so close to Tang Hao’s ear.

As her red lips pouted, she exhaled a warm breath that tickled his ears.

No one spoke.

Everyone was stunned.

Their mouths were wide open, and their eyes were wide open. They were filled with shock and disbelief.

Oh my God!

What did they just see?

The two great celestial Kings had actually started quarreling over that brat. Their faces were red from the intense argument.

Besides, it seemed like the night Immortal King had taken a fancy to that evildoer. He was going to protect him and bring him back to the sect.

Immortal execution King's attitude had also changed. He wanted to kill that demon before, but now he wanted to take him in.

"This motherf * cker!"

Ye Futian cursed in his heart.

That kid was clearly going to die, but now, not only did he not die, but he seemed to be on the verge of becoming an Immortal King and soaring.

Before, he didn't have a backer, so anyone dared to hunt him down. But now that he had a Celestial King backing him, who would dare to touch him?

He gritted his teeth. He was so jealous that he was going crazy. His expression became even more twisted.
