

The Mightiest Little Peasant Chapter 3207

“This kid’s luck is too good!”

“How did it become like this?”

On the ground, the group of Grand Luo Immortals were very depressed.

None of them had expected that things would turn out like this.

They were even more panicked. If that brat incited the two great immortal kings to punish them, it would be bad.

“Come here and follow this elder sister. In the future, other than me, you will be the most powerful person in the sect. You can have anything you want.”

The woman smiled at Tang Hao.

She even waved her hand, looking very enthusiastic.

“Argh! By the way, do you want more spiritual liquid from the primordial divine wood? I can give it to you! You can have as many as you want!” She thought of the primordial divine wood and smiled.

Tang Hao’s expression changed when he heard that.

To be honest, he was really a little tempted.

The primordial divine wood was a rare treasure. As long as he had enough primordial divine liquid, he could continuously refine primordial chaos golden pills, which were also effective for those in the zenith heaven realm.

Moreover, Chun Xuan, Qiu Ci, and the others were about to reach the Golden immortal stage and were in urgent need of this golden core.

Seeing this, the lady smiled.

“What primordial divine wood? what’s so great about it?” The seductive woman said disdainfully.

“Then do you have one? Does your nightless club have a treasure that can surpass my primordial divine wood?”

The woman sneered.

The seductive woman’s red lips opened, but she was immediately speechless.

She really didn’t have any.

Her beautiful eyes turned, and she suddenly smiled charmingly. “I don’t have the divine Tree, but I’m here! Am I not much better than that broken tree? Can a broken tree take care of you every day, show you concern, and love?”

“Don’t you think so, little brother?”

As she said that, she gently blew into Tang Hao’s ear. Her voice was soft and charming.

“Ahem!”

Tang Hao coughed lightly and said, “please don’t add the word ‘small’. Thank you!”

She was stunned for a moment, then she started to giggle, and she laughed so hard that she was shaking.

“That’s true! Little brother, you’re young, but you’re not young at all!”

She said with a smile.

Tang Hao’s face twitched. ‘You even know that?’

Everyone’s faces twitched, and they looked extremely strange.

“Shameless, shameless!”

The woman’s face turned red as she rebuked.

“Aiya! I’m talking about his figure. Look at his ABS, how big are they? What are you thinking! He couldn’t be thinking about that thing, right? Aiyaya! Your thoughts are really dirty!” The seductive woman laughed.

“You ...”

The woman raised her hand, her whole body trembling with anger.

Everyone's expression became more and more strange.

They wanted to laugh, but they didn't dare to, so they tried their best to hold it in.

"You don't have to be shy. It's fine. If you really want to see it, I can ask him to show it to you. After all, he's already seen ours. It's only fair if he sees it back!" The seductive woman said.

"Shut up!"

The woman was furious and screamed.

The aura around her burst forth, and her jet-black hair danced wildly. In her eyes, there was a monstrous anger that shot out.

"Cough, cough! You two, don't get too excited!"

"Wait!" Tang Hao said.

He felt that if he didn't speak, these two would really fight for a thousand years.

"Two seniors, I appreciate your good intentions, but I've always been used to being alone. I don't like to join any forces, nor do I like to be protected by others. So, I can only decline your kind intentions."

Tang Hao said apologetically.

Then, he looked at the lady and said, "Senior, I had no choice but to sneak into Emperor puppet sect. I've received many favors from the sect, so I'll naturally repay you. Please accept this pill formula!"

With that, he flicked his sleeve and a Jade slip flew out.

The woman raised her hand and took the Jade slip. She was a little stunned. "Pill? You've refined the grandmist spiritual liquid into a pill?"

"That's right! This elixir is called the primordial chaos golden elixir, also known as the great way golden elixir. I created it myself!"

Tang Hao said.

As soon as he finished speaking, the crowd went into an uproar.

"The Golden pill of the great way?"

"So, it's him!"

Everyone in the four directions shouted, their faces full of disbelief.

The Golden core of the great path!

Of course, they knew about it. It was the peerless divine pill that shocked the entire immortal world a few years ago.

Over the years, they had used countless methods to find clues about this pill. They had never expected that it was refined by this monstrous genius. Furthermore, its effects were so heaven-defying that it could allow one to advance to the perfected golden immortal realm in just a few years.

“He’s already at the apotheosis realm in the Dao of crafts. How can he be so powerful in the Dao of alchemy?”

“Is he still a human?”

They shouted, their expressions extremely excited.

Previously, this monster had already shocked the entire immortal world when he was deified in the Dao of crafts. Now, he was deified in both the Dao of alchemy and the Dao of crafts. It was conceivable how much of a shock it would cause when the news spread.

Especially the pill world, it was going to be a huge earthquake again.

“Number one on the alchemy roll? The Dao of crafts has even been sealed?”

The lady was startled when she heard the shouts from all directions. Then, she sucked in a cold breath.

When she looked up again at the young man in front of her, her eyes were filled with shock.

“Little brother, you’re really amazing!”

The seductive woman’s eyes lit up when she heard that.

“This pill formula might be a little difficult to refine and the materials are not easy to gather. However, I think that with senior’s strength, you should be able to solve it. So, this pill formula will be my way of repaying the Emperor puppet sect.”

Tang Hao said respectfully.

“No! I also want the person!”

The woman clenched the Jade slip and shouted coldly.

She didn’t want to let such a demon go.

“You’re not stupid. I don’t want to release this person either. ” The seductive woman said.

“Two seniors, as the saying goes, a melon that is forcefully twisted is not sweet. This is not very good for you!” Tang Hao smiled wryly.

“Who cares if it’s sweet or not, I’ll twist it off first!”

The seductive woman snorted and said in a domineering manner.

“Also, don’t call me senior, call me sister!” She paused for a moment, then blew into Tang Hao’s ear.

“This ...”

Tang Hao was at his wit’s end.

These two obviously didn’t want to let go, so he couldn’t do anything about it. He didn’t have the strength to escape under the eyes of two celestial Kings.

“Little brother, get ready and come with me!”

At this time, the seductive woman suddenly leaned close to Tang Hao’s ear and whispered. The next moment, Tang Hao felt the void behind him ripple and be forcibly torn apart.

Then, the pair of Jade-like arms wrapped around him and swept back, drilling into the ripples.

“You, stop!”

The woman was furious, and she quickly chased after him.

However, the void closed before she could arrive.

“Bastard!”

She cursed in anger.

Their strength was about the same, so even if she caught up now, she wouldn’t be able to catch up. Soon, that bastard would bring his people back to the nightless club.

“Go! Let’s go back first!”

She stood in place for a long time before she shouted at the elders.

Subsequently, his figure transformed into a stream of light and headed towards the Emperor puppet sect.
