

The Mightiest Little Peasant Chapter 3208

“This is unbelievable!”

“Yup! It’s like a dream!”

After a long time, the crowd finally came back to their senses and burst into an uproar.

Today’s matter was really full of twists and turns.

Before, everyone thought that the kid would die without a doubt and be suppressed by the group of zenith heaven Immortals.

But in the end, not only did the kid not die, he even used his immortal spirit body to fight against the group of Grand Luo Immortals for a long time before he was taken away by the night Immortal King.

“The night Immortal King has obviously taken a fancy to him. With an Immortal King backing him up, he won’t have to be afraid of anyone in the future. He’ll be able to do whatever he wants in the immortal realm!”

“I didn’t expect that the great path golden pill was created by him.”

Everyone shouted one after another, their expressions extremely excited.

They knew that once this news spread, the entire immortal world would be shaken again.

“What a pity!”

“A!”

On the ground, those great eternity Immortals stood up and looked at each other, their faces full of anger.

Originally, they had a chance. As long as they worked together and took down that kid earlier, the outcome would not be like this. However, it was impossible for them to join forces.

It could only be said that it was fate.

That kid’s life should not end!

“This stinky brat!”

The heavenly Dao Daoist flicked his sleeve, looked in the direction of the nightless club, and cursed angrily.

This time, the three celestial Venerables of the primordial beginning sect had spent so much effort, but they still couldn’t catch the person. It was really embarrassing.

“Silence! Be quiet!”

Huang Long, who was standing to the side, was startled and quickly made a shushing gesture.

He shrunk his head and looked in the direction of the nightless club, his expression a little panicked.

A Celestial King’s magical power was almost omnipotent. It would be terrible if he was heard!

The night Immortal King was even more ruthless than the immortal execution King and had an eccentric personality. If they really provoked him, it would bring great disaster to the primitive sect.

“Let’s go, let’s go!”

Samantabhadra was also frightened. He called out and went out.

“Let’s go!”

The three of them took ye Futian and the others and left quickly.

Then, the group of Grand Luo Immortals also left resentfully.

The crowd also gradually dispersed.

They spread the news to all corners of the immortal world.

Soon, the immortal world was in an uproar.

Whether it was the demon’s shocking battle record of fighting a zenith heaven immortal with his cultivation of the great circle of the Golden immortal stage or the return of the two immortal kings, it caused a huge shock.

“He’s so young and has the battle power of a Daluo. This is unbelievable!”

“He’s been taken away by the night Immortal King. He’ll probably reach the zenith heaven realm soon. I wonder what rank he’ll be on the zenith heaven roll.”

“Pill and tool refining skills. Such an achievement can be said to have shocked the ancient and modern times ...”

For a time, the immortal world was full of exclamations.

When they spoke of it, their expressions were even more reverent.

To be able to fight a zenith heaven immortal head-on, this was already the strength of a heavenly venerable!

Such a young and monstrous heavenly venerable, how could he not be in awe?

Moreover, there was a powerful Immortal King behind this man. His background was extremely terrifying. If there was someone in the immortal world who could not be provoked, it would definitely be this demon.

“A celestial?”

Feng clan.

Feng Qingyan clenched the Jade talisman in her hand, and her chest heaved up and down. She was a little emotional.

The information in the Jade talisman was too shocking!

It was hard for her to imagine that just a few years ago, that person was the same as her, a heaven immortal. Now, she had just advanced to the Golden immortal realm, but that person had already reached the perfected golden immortal realm, and his combat strength was comparable to the zenith heaven realm.

“It’s a good thing that you’ve entered the nightless club!”

She mumbled to herself and smiled in delight.

With the celestial King as her backing, she no longer had to worry about his safety.

When the news reached Nantian city, the city was in an uproar and there were enthusiastic cheers.

When it reached the utmost Western Pure Land, a clattering sound could be heard. It was the sound of things being knocked over.

While the immortal world was in a state of chaos, Tang Hao was frowning in a Palace in the nightless club. He looked troubled.

He did not want to join the nightless club at all.

However, he had no choice. He was directly tied up and thrown into this Palace.

“I have to think of a way to sneak out.”

He rubbed his chin and pondered.

To be honest, he didn't trust the night Immortal King. They weren't close, after all. The night Immortal King might seem nice to him now, but if he fell out with him one day, he'd immediately take control of him and take all his treasures.

Therefore, he had to escape.

However, he had tried it just now. As soon as he walked to the door, that figure would appear like a ghost, making him unable to go anywhere.

"Little brother, where are you going?"

When he stood up and tried to walk to the door, sure enough, the figure appeared again. Like a ghost, it swept behind him, wrapped its arms around his neck, and spoke softly.

Her pair of Phoenix eyes narrowed slightly, and a soul-stirring bright light circulated in them.

"Oh! I'm just bored, so I'm just taking a walk. It's nothing!"

Tang Hao's body stiffened, and he forced a smile.

"Senior, oh no, this sister, do you have nothing to do?"

"What can happen to me? Other than eating and drinking, I'm just looking after you, little brother!"

"....."

Tang Hao was speechless.

How could he run away when he was being watched by a Celestial King?

Even if he were to use his gold fighting suit, he probably wouldn't be able to escape this person's detection!

"Little brother, are you that unwilling to stay at my nightless club? Don't tell me ... You like that self-proclaimed extraordinary fellow more?" The night Immortal King said with a hint of resentment.

"That guy is just a little better than me. He has a good father, but he's not better than me in any other way. Even his figure is not as good as mine. Don't you think so, little brother?"

As she said that, she leaned closer to him, intentionally or unintentionally.

"Yes, yes! That guy isn't as good as you!"

Tang Hao smiled awkwardly.

He wouldn't have been so nervous if it had been someone else. After all, he wasn't young anymore and was used to all kinds of situations. But this was an old monster Celestial King! After living for tens of thousands of years, he really didn't have any impure thoughts.

He didn't dare to have one.

"Then why don't you stay here with me?" She whispered into Tang Hao's ear. Her voice was soft and seductive.

"Good! Of course it's good!"

Tang Hao said quickly.

“That’s a good girl!” She chuckled and reached out her hand to pinch his cheek. Then, she left with a smile.

Tang Hao stood where he was, and his brows furrowed even more.

It seemed that he wouldn’t be able to escape during this time, so he might as well stay here and wait for an opportunity to escape.

He didn’t believe that this guy could keep watching.

“Let’s refine the remaining golden Immortals first! There’s also the immortal spirit body that needs to be fixed and improved.”

He thought for a moment and sat down in the hall.

He cast out layers of arrays, drew in heavenly lightning, and connected the immortal veins under his feet. They gathered into the great void divine furnace and he continued to refine.

He had already killed one, but there were still four left in the furnace!

As long as he managed to refine it to death, he would be able to obtain a large amount of Dao accumulations and the fleshy body essence of a golden immortal.
