

The Mightiest Little Peasant Chapter 3213

“Is this the guy?”

The third Prince frowned slightly as he watched the figure that was approaching from outside the island.

This was a young man with an ordinary appearance. Even his aura was obscure and hard to sense.

“Young master!”

When they saw who it was, Chun Xuan and Qiu Ci quickly came forward and bowed.

Tang Hao landed on the ground, looked at them, and nodded in satisfaction.

“Not bad!”

He praised.

“Young master, how come you have the time to come over?” Ji Qiuci stood up and looked at Tang Hao with a mischievous expression.

Tang Hao was surprised, then laughed.

This girl must have heard a lot of gossip about him recently.

He shook his head helplessly.

“Fellow Daoist, may I know which continent you are from?”

The third Prince took a few steps forward and shouted.

He raised his head, but his expression was somewhat haughty. In his eyes, there was a strong hostility.

“This old freak golden immortal is too pretentious! Can’t he see that I, the third Prince of the Saint spirit dynasty, am standing here? he didn’t even look at me! Besides, these two girls are already at the Golden immortal stage, yet I still have the nerve to ask them to address me as young master!”

The beautiful woman’s eyes turned over and after a moment, she shook her head slightly.

She didn’t recognize this person.

If this person was very powerful, she should have seen him before.

Although the immortal world was huge, it did not seem so big because of the complete teleportation array system. The exchanges between the various continents were quite frequent, and she knew most of the powerful golden Immortals from the various continents.

From this, it could be seen that this person shouldn’t be a very powerful character.

“I don’t dare to be called an expert, I’m just a loose immortal!” Tang Hao glanced at him and smiled.

“Loose immortal?”

The beautiful woman was stunned for a moment, then nodded to herself.

There were quite a few golden immortal itinerant Immortals in the immortal world. Although most of them were quite famous, some of them did not like to show their faces in public, so they were not known to others. This person might be one of them.

“So it’s a loose immortal!”

The third Prince’s eyes revealed some contempt.

Given his status, a loose immortal at the Golden immortal level was nothing in his eyes.

“Fellow Daoist, did you come here to take these two away?”

Then, he asked in a deep voice.

“Yes, why? Is there a problem?” Tang Hao was surprised.

This time, he was here to pick up Chun Xuan and the others.

“Swish!”

The third Prince’s face immediately turned cold, and he said impolitely, “fellow Daoist, don’t you know that these two fellow Daoists have already advanced to golden immortal? Now, they’re the same as you, golden immortal experts!”

“So what?”

Tang Hao was confused.

“They’re all golden Immortals. How can they still be your maidservants? you should set them free!” The third Prince said sternly.

“They are free!”

Tang Hao was confused.

“You ...”

The third Prince choked and his face turned red.

This old monster actually still dared to quibble. He was really shameless! Shameless!

She was already a maid, how could she still be free!

He was really sanctimonious and shameless!

He cursed in his heart.

“Yup! Our young master is right, we are free!” Chun Xuan said.

“You ... You’ve all been brainwashed! You should know that you’re all golden Immortals now. In this world, there’s no golden immortal who works as an attendant for others.” The third Prince’s face was filled with disappointment.

“We’re doing this voluntarily!”

Chun Xuan continued.

“You guys ...”

The third Prince’s face turned red again, and he was so choked that he couldn’t say anything.

Are these two idiots?!

He cursed in his heart.

He didn’t believe Daoist MA when he said that the two of them were simple, but now he believed it. They weren’t simple, they were completely stupid and easy to fool!

At the side, the beautiful woman shook her head as she listened.

These two were really too innocent! He must have been bewitched by this fellow day after day, causing his mind to be confused.

“Fellow Daoist, you’ve gone too far!”

Her face turned cold, and she shouted, “in the past, they were only at the true immortal realm, and you could do whatever you wanted to them. But now, they are at the Golden immortal realm, and they are on equal footing with you. What right do you have to have them serve you?”

“That’s right! You should immediately let go of her and return her to her. ”

The third Prince said with a righteous expression.

Tang Hao glanced at the two of them and furrowed his brows.

Chun Xuan and Qiu Ci were only maids in name and were free to do whatever they wanted.

Besides, this was a matter between him and the sisters. It had nothing to do with these two guys!

“Who are you guys!”

He said impatiently.

“My surname is MA, and my nickname is aunt MA. I’m the master of this Island, and I’m also a member of the Saint spirit Hall!” The beautiful woman said arrogantly.

“As for this one, his status is even higher and more honorable. He’s the third Prince of the Saint spirit dynasty, the ruler of half of the Saint spirit Hall, and the next Saint Emperor.” Then, she pointed to the third Prince and introduced him.

The third Imperial Prince immediately raised his head, the corners of his mouth revealing a cold smile.

Any golden immortal who learned of his identity would be respectful and fearful of him, and this fellow was no exception!

However, in the next moment, he was stunned.

He didn't know if he was mistaken, but this guy's expression didn't change at all when he heard his name. There wasn't even the slightest ripple.

"How arrogant!"

He immediately became furious and cursed in his heart.

"Fellow Daoist, let's just say this! Today, you can't take them away. You must set them free. They will be our Sacred Spirit Hall's people. They will have a better life in our Sacred Spirit Hall. "

His face darkened as he shouted sternly.

"Who said we're going to join the sacred Spirit Hall?"

Ji Qiuci reprimanded in a delicate voice, somewhat unhappy.

"I'm doing this for your own good!" The third Prince said.

"You ..."

Ji Qiuci was a little annoyed.

Tang Hao stopped her with a wave of his hand.

He then turned around and glanced at the third Prince. He sneered, "Who Do You Think You Are, how dare you talk to me like that!"

The beautiful woman, the third Prince, and the two golden-armored guards behind him were all stunned.

They were in a daze and thought they had heard wrong.

How could this guy be so bold?

The person standing in front of him was the third Prince of the number one celestial dynasty in the celestial world, the next candidate for the Saint Emperor!

“Such great courage!”

After coming back to his senses, the third Prince was instantly enraged, and his face revealed a bit of ferocity.

This was the first time someone had dared to be so arrogant in front of him!

If he didn't teach this guy a lesson, what face would he have left!

He gritted his teeth and shook his body. His aura burst out. He was an early golden immortal, a perfected four-petal realm.

In the next moment, a golden light flashed above his head, and a Golden Dragon Seal flew out and hung high above his head.

A golden divine light rushed out of the seal and poured into his body, causing his aura to skyrocket.

“The power of Joss flames?”

Tang Hao was stunned when he looked at it.

The power contained in this seal was extremely similar to the aura of the power of incense.
