

The Mightiest Little Peasant Chapter 3222

“It’s an eight apertures one!”

“So it’s the five elements origin core! No wonder it’s so magical. It has already developed a complete sentience and is so cunning!”

The entire building was in an uproar.

Everyone was extremely excited.

This was the first time a legendary origin core had been opened in the quarry!

As for the eighth prince and the others, their faces were as ugly as if they had eaten sh * t.

The eighth prince clenched his fists tightly and gritted his teeth so hard that they were about to shatter.

He was both angry and jealous.

Why did he spend 15 million to open such a trashy item, while this guy only spent 2 million to open such a godly item?!

“Fellow Daoist, I’m really convinced today!”

The old man looked at Tang Hao, cupped his hands, and sighed.

Opening a seven-acupores and an eight-acupores origin core in one day ... This kind of luck was really heaven-defying!

“Congratulations, fellow Daoist!”

The people in the quarry also bowed to congratulate him.

They all looked excited.

Today’s incident would soon spread throughout the stone gambling world and become a legend. By then, there would be more people coming to their quarry to gamble.

Tang Hao was overjoyed when he put away his origin core.

An eight-aperture origin core was already considered a divine item. It was the top material for creating an avatar that Immortals dreamed of.

If he didn’t have the embryo of heaven and earth, this would indeed be the best choice for him to create an avatar.

“It seems that I made the right bet!”

He said to himself.

Previously, he had sensed that there was something wrong with the aura of the birthstone. The aura of life was too weak, and the birthstone was obviously very old. Logically speaking, the aura should not be so weak.

There must be something wrong with this abnormal situation, so he decided to take a gamble and chose this one.

The facts proved that he had made the right bet.

This origin core must have developed a complete and extremely high intelligence long ago. It was hidden in the origin core and cultivated silently. That was why it was able to escape through the void the moment the stone core broke.

If she had not run into him, she might really have escaped.

It was a pity that the cultivation of the nascent embryo was still shallow and could not escape his detection.

“Young master, you’re really too amazing!”

Behind him, the two girls were so excited that their faces were red as they cheered.

Tang Hao smiled and looked at the eighth prince.

“Still want to bet? Do you want another round?”

The eighth Prince’s face immediately sank.

This guy was clearly humiliating him!

“No! I’m willing to accept my loss!”

He snorted coldly with an ashen face.

“Let’s go!”

Then, he turned around and walked toward the door.

The group of people behind him followed him and left resentfully.

“Fellow Daoist, you’re really amazing!”

“Fellow Daoist, you’re so powerful every time. Do you have some sort of secret?”

After they left, many people rushed up from all directions to congratulate them and chat with them fervently.

“There’s no trick to it! I was just lucky!”

Tang Hao smiled politely.

After dealing with the situation for a while, he bade farewell to steward Liu and was about to leave.

“Make way!”

Steward Liu took the lead and opened a path in the crowd.

Tang Hao followed behind her. After walking for about ten meters, his expression suddenly changed. He smelled a very familiar fragrance in the air.

He immediately raised his head and looked around.

A moment later, his gaze fell on a spot in the crowd.

There was a young man standing there, looking at him with excitement.

Tang Hao was surprised, then laughed.

It was her again!

He was clearly a woman, but he insisted on transforming into a man. It was the same last time in Nantian city.

“What a coincidence!”

He muttered to himself.

He’d had an impression of this man back in Nantian city, but he didn’t think he’d run into him again in the sacred Spirit Imperial City.

He smiled and was about to look away.

At this moment, the young man smiled at him again, raised his hand, and shook it hard.

“It’s me! Do you still remember me? We’ve met before in Nantian city. You ... You even put your arm around my waist!” She squeezed through the crowd and shouted excitedly.

Everyone fell silent.

Everyone’s expression turned strange.

They looked at Tang Hao, then at the young man. They seemed to have understood something, and their expressions were meaningful.

“Young master, you ...?”

Even Chun Xuan and Qiu Ci’s eyes widened in shock.

“You’ve misunderstood!”

“It’s not what you think!” Tang Hao said quickly.

“You did! Have you forgotten?”

The young man said in a serious tone.

Tang Hao’s face twitched when he saw her.

F * ck!

This was a fool!

If you want to say this, please change your gender back, okay? otherwise, it's easy for people to have crooked thoughts!

He cursed in his heart.

“Cough! It's really not what you think. I was saving someone at that time, and I gave him a hand!” Tang Hao coughed and explained.

Everyone nodded and came to a realization.

“Let's go! Let's talk after we get out!”

In order to prevent the fellow from saying anything more shocking or even revealing his identity, Tang Hao quickly pulled him out of the room.

“You still remember me!”

The young man was even more excited.

Tang Hao finally left the quarry and stopped after crossing another street.

He raised his eyes and carefully sized her up. He asked curiously, “How did you recognize me?”

He had changed his appearance and aura. Even a peak golden immortal could not see through him. This woman in front of him was not even a golden immortal. How could she see through him?

“Of course I can recognize you. I’ve seen you once, and I won’t forget you. No matter how you change, I can still recognize you.”

She said excitedly.

F * ck! What the hell was this skill?!

Tang Hao grinned and cursed in his mind.

“Young master, who is this young master?”

Chun Xuan and Qiu Ci followed behind and asked in surprise.

“It’s not young master, it’s young lady!”

Tang Hao said helplessly.

“Young lady? Oh ...”

The two of them were stunned at first, then came to a realization.

“I told you, young master definitely doesn’t have that kind of hobby!”

Ji Qiuci whispered in her sister’s ear.

Tang Hao's face twitched again when he heard that.

How could he have that kind of hobby, really!

"Quickly change back, it's weird like this!"

Tang Hao said to her.

"No! We'll be recognized!" The woman shook her head vigorously like a rattle-drum.

"What's wrong? Are you very famous?"

Tang Hao was surprised.

"Yup! At least in this place, everyone can recognize me!" The woman said.

"Oh? Then you are ...?"

"I haven't introduced myself. My surname is tantai and my name is Mingyue. You can just call me Mingyue!" She said with a smile.

"Tantai? You're a member of the royal family!"

Tang Hao was shocked.

He knew of the surname tantai.

“Yup! The one just now is tantai Chuan, my eighth brother. I’m ranked ninth!” She said.

“So it’s you! The ninth Princess of the Saint spirit dynasty!”

Chun Xuan and Qiu Ci immediately exclaimed.

They had stayed in the Saint spirit dynasty for a long time, so they had naturally heard that there was a ninth Princess in the Saint spirit dynasty, who was born with a heavenly fragrance and an unparalleled beauty.

“That’s right! It’s me!”

Tantai Mingyue’s lips parted as she smiled radiantly.
