

The Mightiest Little Peasant Chapter 3223

“Young master! She was very famous! He’s not only famous in the Saint spirit dynasty, but also in the entire immortal world.”

Ji Qiuci said excitedly.

Tang Hao looked at her and wondered why she was so excited.

He then looked at tantai Mingyue and started to mumble.

It was really strange! How am I fated to be with the royal family? In one day’s time, he had met three people in a row, one was the third, one was the eighth, and this was the ninth!

Speaking of which, that Saint Emperor was quite good at giving birth!

“It’s alright! No matter how famous he is, he can’t be as famous as your young master.” Tantai Mingyue laughed.

“That’s right!”

Ji Qiuci said without hesitation.

This tantai Jiu could only be considered to be a little famous. She was not like her young master, whose name had shaken the entire immortal world to the point where everyone knew him.

“Daoist tantai, if there’s nothing else, let’s part ways here! I still have some things to do!”

Tang Hao said as he raised his hand in obeisance.

He had only met this person once, so he wasn't very familiar with him.

With that, he turned around to leave.

"Al! Don't go! The fact that we've met today shows that we're fated. How can you just leave like this?"
Tantai Mingyue hurriedly replied, "I'm your fan! I've bought all the products you invented!"

"It's rare for you to come to my Saint spirit celestial dynasty, so I'll treat you!"

She reached out and stopped Tang Hao. She looked at him with her bright eyes.

Tang Hao grinned.

She was now in a man's appearance, so it was too strange to look at him with such an expression!

"No need!"

He waved his hand and was about to walk to the other side.

"I'm begging you!"

She quickly stepped forward and stopped him again, looking at him pitifully.

Tang Hao was speechless.

This guy was really his fan. That day in Nantian city, he had spoken up for him, which was why he had gotten into trouble. He really couldn't reject him ruthlessly.

"Alright!" He could only nod.

"That's great!" Tantai Mingyue cheered, "come to my Palace. I have the best chefs in the world and the most delicious food. I have all kinds of Dragon liver and Phoenix guts."

"So extravagant?"

Tang Hao was a little surprised.

In the immortal world, creatures like real Dragons and real phoenixes were rare. At least, they were not so common that they could be eaten.

"It's not a pure-blood! We, the Saint spirit dynasty, specially raise them to eat, but their taste is no worse than that of a real Dragon or a real phoenix." Tantai Mingyue said.

Tang Hao nodded in realization.

"Let's go, let's go!"

She waved her hand excitedly and took the lead, flying towards the Imperial Palace in the center of the city.

Just like Xuanyuan clan, this Holy Emperor Palace was also made up of many worlds. At a glance, one could see The Phantom of many worlds stacked together.

“Holy Emperor Palace is in the middle. My bright moon Palace is over there!”

Tantai Mingyue pointed to the left side of the void.

A small world appeared in front of Tang Hao.

Although it was a small world, it was not small at all, and the immortal Qi density was extremely shocking.

Tang Hao was an expert in formations. He could immediately tell that this small world was connected to the outside world and other worlds. Their immortal Qi was interconnected.

Looking around, he saw that this world was filled with divine mountains and floating islands. All kinds of exotic flowers and plants were growing on them, and all kinds of divine lights flickered, reflecting each other. It was an extremely dreamy and beautiful sight.

In the center of this world, there was a huge Palace floating in the air, and it had the same style.

“How is it? it’s nice, right?”

Tantai Mingyue turned around and pointed to the four directions of this world as she said proudly.

Then, as if she had realized something, she suddenly turned around. A divine light flashed and she changed her appearance from a handsome young man to a graceful and beautiful woman.

She had a head full of ocean blue long hair that was slightly wavy, which was very eye-catching.

Even her eyes were blue.

Her facial features and aura were filled with an exotic flavor.

“Mm ...”

Tang Hao looked at her from head to toe, deep in thought.

This person and his royal brothers were clearly not born from the same mother. He should be a foreign race.

In the immortal world, there were many alien races. The black Phoenix race was one of them.

“Waa! It’s Blue, so beautiful, was it natural?”

Chun Xuan and Qiu Ci’s eyes lit up. They quickly went forward and combed their long hair.

“Yeah! I was born with it!”

Tantai Mingyue said with pride.

“Let’s go! I’ll order my men to prepare more food and wine. ” Then, she brought the three of them to the palace.

“Your Highness!”

A Palace maid came out of the hall and knelt on the ground.

Tantai Mingyue waved her hands and told them to get ready.

“By the way, aren’t you at the nightless club? Why have you come to my Saint spirit dynasty?”

“Also! How can you be so lucky? It’s the first time I’ve heard of someone getting an item of this level from stone gambling.”

After she sat down in the hall, she leaned on the table and rested her chin on her hand. She looked at Tang Hao with a curious expression and kept asking questions.

Where did all these questions come from?

Tang Hao cursed in his heart.

He took a sip of the tea in his hand and was about to speak.

“Wait, it’s better if you don’t say it. It’s better to be cold and aloof. It’s more in line with my imagination.” Tantai Mingyue raised her hand and shouted.

Tang Hao was stunned.

The two girls burst out laughing.

“Yup! Young master, it’s better for you to be a little more aloof and cool!” Ji Qiuci smiled and joked.

Tang Hao pursed his lips and did not say anything.

“Young master is here to find us ...”

The two girls went to tantai Mingyue’s side and started chattering.

“So you sneaked out! I was thinking!”

After hearing this, tantai Mingyue’s face was filled with realization. “Now, everyone is saying that he’s being raised by the immortal King of the nightless club like a Canary and can’t even step out of the house. So when I first saw him, I was still in disbelief.”

Canary?

Tang Hao’s face twitched.

This was too insulting!

“Aiya, someone else said it! I didn’t say that, why are you looking at me like that!” She stuck out her tongue and said.

Tang Hao was helpless.

“You guys even met my third brother? What a coincidence. I heard that my brothers have been looking for golden Immortals to help them. That’s why my eighth brother asked you for that origin core.”

“The royal family of the sacred Spirit Empire is very good at cultivating nascent embryos. Your seven-apertures one can easily reach the level of a gold immortal,”

Tantai Mingyue continued.

“Are only princes allowed to compete for the Saint position in your Saint spirit dynasty?”

Tang Hao’s expression changed when he saw her.

“No! In theory, I can also fight for it. However, I don’t have the strength to do so. Furthermore, I’m especially lazy and have no interest in the position of a Saint. ” Tantai Mingyue shook her head.

“Oh, really? Then ... Why don’t I help you fight for it and help you get to the top?”

Tang Hao sipped his tea and smiled.
