

The Mightiest Little Peasant Chapter 3235

“Ninth Highness?”

“It can’t be!”

The Imperial Palace was in an uproar.

Everyone was in disbelief.

It could be any other Prince, but the ninth Prince was the only one that was impossible.

This ninth Highness had no foundation at all. He only came up with this idea not long ago and said that he wanted to participate. He didn’t have many golden Immortals behind him. Compared to the other princes, he was pitifully weak.

With such strength, how could they take over a piece of land?

Use force?

There were only a few people, what use could they be!

Bribe?

It seemed that the ninth Prince didn’t have many treasures to use.

No matter how he thought about it, it was impossible.

“Is it really good news?”

The sage Emperor growled, also in disbelief.

Of course, he knew the people around little nine. There were only three golden Immortals in total, what use could they be!

“This ... It’s from the bright moon Palace. They say it’s good news.”

The guard in front of the hall said hesitantly.

“It can’t be child’s play, right?” Someone in the hall said.

“I think so too!”

Many people echoed.

The sage Emperor’s face darkened, and he took the talisman and opened it.

“Nonsense!”

He flicked his sleeve and shouted angrily.

“Your Majesty, what did the higher-ups say?”

“See for yourself! This girl is really outrageous!” The sage Emperor waved his hand and threw out the Jade talisman.

“I’m not seeing things, right? Nine Saint mountain? This is too fake!”

“That’s right!”

Everyone took a look and exclaimed in surprise.

The news actually said that His Highness had taken nine Saint mountain.

This was too ridiculous!

If it was in another place, those smaller powers might have some credibility. However, what kind of place was the nine Saint mountain? it was a place that even their entire Saint spirit dynasty was afraid of. The other Majesties would avoid it as much as possible, and no one would dare to touch this power.

With the ninth Prince’s strength, how could he win?

If they wanted to destroy nine Saint mountain, they would have to mobilize all of their forces, but that didn’t mean they could kill the Nine Saints on the mountain.

It was even more impossible to subdue him.

Even the shengling dynasty couldn’t satisfy the appetites of those nine old monsters, let alone the ninth Prince.

“Look, it’s not just that. It also says, clear spirit Mountain, Dragon Elephant Cave ... This is too ridiculous!”

“Nine Saint mountain!” Someone exclaimed when he saw that there were a few more forces behind the nine Saint mountain.

Whoosh!

The hall suddenly boiled over.

Everyone was a little speechless. It was the first time they had seen such an exaggerated counterfeit.

Then, they all revealed helpless expressions.

If it was someone else, they would have long since been enraged and condemned in speech and writing, but this was the ninth Prince, the beloved daughter of His Majesty the sage Emperor. They couldn’t bear to scold him, in case His Majesty was displeased.

“This is preposterous!”

The sage Emperor smacked his Dragon Throne with a sullen expression.

This girl had really gone too far, causing him to lose face. If he didn’t punish her, how could he convince the public?

“Your Majesty, the ninth Prince is still young. I don’t think we should be too harsh on her. We should just kick her out of the test!”

“Yes, ninth Highness is young and ignorant, he doesn’t need to be punished!”

Everyone in the hall said.

“Since you’ve put it that way ...” The sage Emperor muttered to himself, “let’s do it!” We can’t let this girl continue to make a scene. Someone, go to the bright moon Palace and pass down this one’s decree!”

He took out a Saint Emperor’s decree, wrote it, and threw it down.

The guard in front of the hall caught it and turned to leave.

However, at this moment, another figure came from outside.

“Your Majesty, there’s someone outside the palace asking for an audience. He claims to be a Daoist from the Dragon Elephant Cave on clear spirit Mountain.”

“Clear spirit Mountain, Dragon Elephant Cave? What are they doing here?”

Everyone was confused.

This was really a coincidence. They had just seen these two forces in the ninth Prince’s “good news,” and then they came here. Could there be some connection between them?

“Could it be that the ninth Prince did something to anger them?”

“I don’t think so. I think the ninth Prince must have given them some random conditions, and now these old monsters are here to ask for them.”

The crowd was in a heated discussion.

“Let them in!” The sage Emperor called out after a moment of thought.

A short while later, a group of seven people entered the hall, all of them golden Immortals.

“That’s the old Daoist Qingcheng, and that’s Dragon-slam Daoist ...”

The people of the Saint spirit dynasty recognized them as the Golden Immortals of the Qing Ling and long Xiang forces.

The seven old monsters from the two major forces were all here.

“May I know why fellow Daoists have come to visit?” The sage Emperor smiled and said, “if that girl Mingyue has promised you anything, it doesn’t matter. That girl is still young and insensible.”

“I’m Qingcheng ...”

“I am Xianglong. Greetings, Saint Spirit King. We have come today to submit to the Saint spirit.”

The seven old monsters bowed in unison.

“What?”

The hall instantly fell silent.

Everyone was dumbfounded, their faces filled with confusion.

They almost thought that there was something wrong with their ears.

The seven old Daoist priests had always been very stubborn. The Saint spirit dynasty had tried many ways, such as bribing and threatening them, but none of them could force them to leave or give up their territory, let alone surrender.

Now, these seven old Daoists were standing in his Holy Spirit Palace and saying that they wanted to submit?

Did the sun rise from the West?

Even the sage Emperor was dumbfounded.

“Wait!”

Suddenly, he shivered and raised his hand, shouting, “My fellow Daoists, what benefits did my girl promise you?”

At this moment, he was a little flustered.

If not for the shocking benefits promised, would these seven old men be willing to submit?

This was a Pledge of Allegiance, which was different from the consecrated members of the sacred Spirit Hall, who could only be regarded as half of the sacred Spirit dynasty. On the other hand, these seven old monsters would belong to the sacred Spirit dynasty in its entirety in the future.

Everyone in the hall was also panicking.

Ninth Highness is young and doesn't know anything. I'm afraid he will make random conditions.

"There are no benefits!"

The seven old monsters stood up and shook their heads.

"Everyone, how can you all be so shallow? do the seven of us look like people who would open their eyes at the sight of treasures?"

They looked around and berated, each of them with noble character and unquestionable integrity, looking like otherworldly experts.

"The reason why we're willing to submit is that we admire the Saint spirit dynasty's prestige and that we're convinced by the ninth Prince's graceful bearing. Therefore, we're willing to submit and follow the ninth Prince closely."

"The ninth Highness" elegance is truly unparalleled. Even the ancient Saints were nothing more than this. When we saw you, we were immediately deeply convinced. It was the brilliance of the ninth Highness that led us to the Saint spirit dynasty. "

The seven of them raised their heads and puffed out their chests, their words becoming more and more impassioned.

The people in the hall were all stunned.

Their eyes were wide open, and their mouths were wide open.
