

## The Mightiest Little Peasant Chapter 3233

“Pa!”

In the hall, someone raised his hand and slapped himself hard.

He wanted to make sure that he was not dreaming.

Even the sage Emperor on his Dragon Throne blinked hard, then widened his eyes and looked forward.

He was completely dumbfounded.

There was no benefit at all, and these seven old monsters were still praising little Jiu so much, even saying that there was a Saint in the world, they were simply bragging to the heavens!

Were these seven old monsters stupid?

Could it be that they had cultivated some mantras to the point of losing their minds?

“Please accept our allegiance, spiritking!”

The seven of them praised passionately for a while before stopping. Their faces were not red, and their hearts were not beating fast. It was as if they were speaking from the bottom of their hearts.

The sage Emperor was dazed for a while, and when he came back to his senses, he opened his mouth, but he didn't know what to say.

All of this was simply too absurd!

“Wait a minute. Let me see. You’ve been subdued by Mingyue’s temperament, so you want to follow her and submit to our Saint spirit dynasty. Is that right?” He pressed his glabella and said hesitantly.

“That’s right! That’s exactly the case!”

“The sage Emperor is wise!”

The seven of them said with smiles.

“What about your territory ...?”

“Naturally, it belongs to the celestial dynasty!”

The sage Emperor fell silent.

He sat there, frowning.

Could it be that Ming Yue’s good news was true? Did she really think of a way to take over these three territories and even trick these seven old monsters into joining the court?

It was wrong!

With that little ability of hers, how could I not know? other than eating, drinking, and having fun, what else can she do? what saint’s glory? it’s all nonsense!

Since it wasn't Ming Yue, it must be the old golden immortal behind her.

Did this person really have the ability to subdue the three great forces so easily?

"Are the seven of you the only ones who want to submit?"

He asked after a while.

There were three forces mentioned in the report. Other than the clear spirit Mountain, the Dragon Elephant Cave, and the nine Saint mountain.

He could believe that these two forces had been subdued, but he still couldn't believe that the nine Saint mountain was mentioned.

None of the nine golden immortal old monsters were simple characters.

"It is!"

The seven of them responded.

"What about the nine Saint mountain?"

"Oh! Those fellow Daoists have already gone West!"

The green-robed Daoist Qingcheng said with a smile.

“To the West?”

Everyone in the hall was stunned.

“They’re heading west. They won’t be staying in our continent anymore. They’ve also emptied the nine Saint mountain.” Daoist Qingcheng said with a smile.

As he said that, he felt very happy in his heart.

Those nine old monsters had bullied his clear spirit Mountain many times because of their strength. Now that they were dead, they were completely dead. It was simply satisfying!

However, that person had instructed him not to reveal this information, so he could only keep it a secret.

When he thought of that person, he subconsciously shivered and his mind became extremely fearful.

He killed nine saints with a wave of his hand!

As expected of the young celestial venerable who shocked the immortal world! Such a method was truly terrifying to the extreme!

“I have to act more naturally and not reveal any flaws. Otherwise, I won’t be able to bear the blame of that person!”

With this thought, he couldn’t help but gather his thoughts and put in even more effort in his acting.

“Really?”

The sage Emperor was taken aback, still in disbelief.

With the temperament of those nine old monsters, how could they give up such a large territory and go to other continents?

This didn't make sense!

“Of course it's true. If you don't believe me, you can go to the nine Saint mountain now!” The old Daoist Qing Cheng laughed.

The Saint-Emperor frowned in thought for a moment, and then his body flashed with golden light as his immortal soul flew out.

The speed of the immortal soul was extremely fast. In a short while, he had arrived at the nine Saint mountain. Divine light shone from his eyes as he looked at the nine Saint mountain.

The nine Saint mountain, which had been enveloped by a large array and rich in immortal Qi, was now barren and desolate.

“He's really gone!”

He mumbled, his face full of shock.

He really could not figure out how that old golden immortal monster had persuaded the Nine Saints to move away.

This was something that the Saint spirit celestial dynasty had failed to achieve after trying for several thousand years!

“Of course I’ll try to reason with them and move them with my emotions. Sage Emperor, please rest assured. Those nine fellow Daoists left very peacefully, oh no, very happily. They definitely won’t come looking for trouble in the future.”

Daoist Qingcheng said with a smile after his immortal soul returned to its position.

“Is it true?”

“This is great news! Your Majesty!”

The hall was in an uproar.

The sacred Spirit looked excited.

The nine Saint mountain was the largest, equivalent to one-eighth of the celestial dynasty’s territory. It was a shocking contribution to develop such a large piece of land.

“Hahaha! That’s right! Great news!”

The sage Emperor stroked his beard and laughed heartily.

“There’s no need to wait for it to end. I can now announce that the first place in the first round of the test is the ninth Princess.” He stood up and announced loudly.

No one had any objections.

This result was set in stone. Even if the Crown Prince and the third Prince seized another piece of land, it wouldn't change the result. The land they had seized was too small compared to the land in the nine-Saint mountain.

The nine Saint mountain alone was enough to completely suppress them. There was no chance of them turning the tables.

“As for the specific ranking, we'll determine it after this.”

He said.

After he finished speaking, he turned around and looked in the direction of the bright moon Palace, his eyes full of curiosity.

Who was that golden immortal old monster?

To be able to subdue the nine Saint mountain so easily and make these seven golden Immortals submit, he must be a world-shaking master!

He was itching to go to the bright moon Palace and meet this expert.

But after thinking about it, he gave up.

In the current situation, as the sage Emperor, it was not appropriate for him to have too much contact with the princes and princesses. Otherwise, he would be biased and suspicious.

“Who is that person?”

“I don’t know! I’ve only seen him once from afar, I don’t recognize him!”

At this moment, the people in the hall also started to discuss enthusiastically.

They all knew that this was definitely the work of the person behind the ninth Prince.

He had easily dealt with the nine Saint mountain and subdued seven golden immortal old monsters. This man’s means were truly unimaginably powerful!

“The ninth Princess has made a great contribution this time. She has opened up such a large territory for our Holy Spirit dynasty. She deserves to be rewarded. As for what she should be rewarded with, let her name it. I can satisfy her!”

The sage Emperor took out another decree and tossed it to the old Daoist and the others.

“You can bring her back. In the future, you will follow her. If you have any requests in the future, feel free to raise them. The celestial dynasty will try its best to satisfy you.”

“Many thanks, Your Majesty!”

The seven of them received the decree, bowed, and left.

“Everyone, come with me! We’re going to take over the nine Saint mountain, and it’ll be the celestial dynasty’s territory in the future!”

The sage Emperor heartily laughed as he led the way out of the hall.

Everyone in the hall followed him, and the group headed toward the nine Saint mountain in high spirits.

They were going to raze the nine Saint mountain to the ground and transform the entire land before building a city that belonged to their celestial dynasty.
