

The Mightiest Little Peasant Chapter 3236

In the sky, an immortal ship was speeding.

The third Prince stood at the bow of the ship and took a jade talisman. He opened it and sneered.

This was the news from the people of the bright moon Palace.

The old monster was still in the bright moon Palace, and he had only sent out seven golden Immortals from the clear spirit Mountain and the Dragon Elephant Cave to gather information.

“Hmph! No matter how powerful you are, what’s the use? I’ll see how many you can find this time!”

He sneered, his eyes full of mockery.

In the previous round, as long as one was strong enough, it would be enough. However, this round was different. They needed more people. This way, they could find more information and catch more targets.

“Your Highness, there’s news. My disciples have found the whereabouts of one of the people on the board.”

A moment later, a golden immortal stepped forward and said.

“Oh? Which one?”

The third Prince turned around and said happily.

“It’s the Heavenly Star monastery master!”

The Golden immortal said.

“It’s this old monster! Hmph! This old monster has killed many of our Saint spirit dynasty’s people, and it’s time to settle the score with him. Let’s go, we’ll suppress him immediately!” The third Prince shouted.

Everyone on the ship revealed an excited expression.

This Heavenly Star temple’s sect head was only a late-stage heaven immortal. He was nothing in the eyes of these golden Immortals and could be easily suppressed.

Immediately, the warship changed direction and sped away.

Half a day later, they arrived near their destination.

“Your Highness, that old monster is in the immortal City in front of us. He has been living here for the past ten years. As long as we act quickly and seal the immortal City, we can easily suppress him!”

“Hahaha! Good! You guys get ready, we’ll attack together later. ”

The third Prince looked at the immortal City in front of him with joy.

Although he would get into some trouble if he made a move in the immortal City, he didn’t care. They had more than 70 golden Immortals on their side. Even if the people in the city were dissatisfied, what could they do?

The Heavenly Star temple master would be his first harvest.

There would be more in the future.

This time, he would not let that old monster overpower him again.

The position of the sage Emperor would definitely be his!

Thinking of this, he laughed out loud again, feeling extremely carefree.

At this time, in a restaurant in the immortal City ahead, a middle-aged man with a white beardless face and a sinister appearance was sitting by the window and drinking wine.

Just as he was drinking to his heart's content, suddenly, a stream of light flew over from the street beside him and landed on his table.

His brows furrowed, and his eyes suddenly shone with a terrifying light.

He raised his head and looked at the street.

However, the streets were so crowded that it was impossible to tell who had thrown it.

“A jade talisman?”

He lowered his head and looked at the item on the table. He was a little puzzled.

After a slight hesitation, he still picked it up.

The next moment, he stood up and his expression changed.

It said that the Saint spirit dynasty was here to capture him, with more than seventy golden Immortals and over ten thousand true immortals, led by the third Prince.

“A test to compete for the Saint position? Damn it!”

He cursed out loud, but he was both anxious and angry.

If the news was true, he would be finished. He was only a late heaven immortal. It wouldn't be a big problem for him to encounter a golden immortal, but there were more than 70 golden Immortals here. Even if he had three heads and six arms, he couldn't escape.

“Could it be a fake?”

Then, his expression changed.

Could it be that someone who had a grudge against him had recognized him, but did not dare to make a move in the Celestial City, so he came up with this plan to lure him out?

“Forget it. Let's just run away first. It's better to be safe than sorry.”

After hesitating for a moment, he left the restaurant in a flash and headed out of the city.

As soon as he left the city, he tore open the void and escaped.

He shuttled through the void several times before stopping.

“It’s true! Heavens!”

He had left a puppet in his cave abode. At this moment, through the puppet, he could see that the entire Immortal City had been surrounded by a great array. Dozens of golden Immortals had descended and stood in the void, emitting brilliant divine light.

There were also several true immortals who came in groups, pouncing down from the sky in an aggressive manner.

“That was close! That was close!”

He quickly activated the puppet and self-destructed.

Then, he patted his chest and heaved a long sigh of relief, looking as if he had just survived a disaster.

If he had been a step slower, he would have been dead.

“Who was the messenger?”

He raised his hand and took out the Jade talisman.

This was a two-way communication talisman. If he entered a message, it would be sent to the other party.

“Who are you?”

After hesitating for a long time, he still decided to contact this person and clarify everything.

Whoosh!

The Jade talisman flew out and entered the ripples in the void.

After waiting for a while, the void rippled again, and the Jade talisman flew back.

“Fellow Daoist! Are you interested in doing something big?”

That person replied.

“Fellow Daoist? In other words, this person is a wanted criminal of the Saint spirit dynasty, just like me. That makes sense, but what’s the big deal he’s talking about?”

The Heavenly Star monastery master clenched the Jade talisman in his hand and muttered to himself.

“Let’s run further away first!”

He glanced at the immortal City, then turned around and continued to escape.

He only stopped when he was sure that he wouldn’t be caught again. He thought for a while and replied, “what’s the big deal?”

“Fellow Daoist, the Saint dynasty is using us as a test for the next Saint Emperor. How can we just sit here and wait for death? we have to fight back and let the Saint dynasty know how powerful we are. Otherwise, this will happen again.”

The man replied.

“That makes sense! We can’t just let this matter rest. If they want to kill us, they’ll have to pay the price!”

The Heavenly Star monastery master said ferociously.

Those who were on the wanted list were all vicious and evil people. How could they not have a temper?

Since the Saint spirit dynasty had made their move, they had to return the favor.

“We have to join forces and do something big so that the people of the Saint spirit dynasty will never forget us. They won’t dare to attack us again. We have to show the world how powerful we are ...” The person returned.

“Alliance? That’s right! That’s a good idea!”

The Heavenly Star monastery master was stunned for a moment, then he laughed out loud in excitement.

Each of them was very powerful. If they joined forces, they would be an extremely terrifying force.

“This is the way to make the Holy Spirit dynasty pay an unforgettable price!”

He clenched his fists and felt his blood boiling.

“Keep the Jade talisman, I’ll contact you!”

After a while, he received another message.

The Heavenly Star monastery master kept it and left quickly.

At this moment, there was an angry roar in the immortal City.

“Where are they? Where did he go?”

“Why did he run away? How did he know we’re here?”

The third Prince roared, his face ashen.

They were so close to catching him, but at the critical moment, that guy actually smelled the wind and ran away.

“Your Highness, these old monsters are all extremely cunning. Perhaps we’ve given ourselves away and he’s noticed us. This can’t be helped. We’ll be more careful next time.”

“Yup! It’s not that easy to catch such an old monster!”

The group of golden Immortals said helplessly.

“Let’s look around and see if we can track them down. At the same time, we need to find out the whereabouts of the other targets.”

The third Prince shouted with a gloomy face.

Soon, they got on the immortal ship and left.

At that moment, Tang Hao walked out of the void in the distance.

“Time to find the next one!”

He mumbled to himself. With a sway of his body, he disappeared from where he was.
