

## The Mightiest Little Peasant Chapter 3238

“It wasn’t me! I also heard the news and rushed over!”

“Do I look like one?”

In the barren mountain, the old demons looked at each other.

After chatting for a long time, they realized that the person leading them had not appeared.

This was very abnormal!

To be able to gather so many old demons together, someone had to take the lead and organize it.

“Al! Old man Yunhe, it’s you! I remember that you were the one who sent the message.”

After a while, someone shouted.

In an instant, everyone’s eyes focused on a white-robed man.

“It wasn’t me! It’s that old heavenstar, he was the one who suggested this idea first, I’m only helping!”

The man immediately shook his head.

Then, he turned around and looked at the other person.

Everyone followed his gaze.

“Old heavenstar, it’s you!”

Everyone said.

Although this old heavenstar was only a late heaven immortal expert and wasn’t particularly powerful, he was a ruthless man who had killed many people of the Saint spirit dynasty and was ranked high on the wanted list.

“I do have a helping organization to contact you, but I wasn’t the first one to propose this plan!”

The Heavenly Star temple master shook his head.

“It wasn’t you either?”

When everyone heard this, they were a little confused.

This wasn’t it, that wasn’t it, who was it?

“Someone notified me when the people from the Saint spirit dynasty came to capture me,” the Heavenly Star Abbey Dean said. “He was the one who came up with this plan. As for who this fellow Daoist is, I’m not too sure either.”

“Me too. Someone notified me in advance and said they were going to make a big scene.”

“I also received it!”

A few people stood out and said.

When everyone heard this, they were even more puzzled.

Since the plan was proposed by this person, why hasn't he appeared yet? was he just joking?

"Maybe this guy is a little timid. He only encouraged us to go and didn't dare to come himself."

Someone laughed.

Everyone nodded in agreement.

That guy's cultivation might be relatively low, so he only dared to move in the dark and didn't dare to show himself.

"Could this be the doing of the Holy Spirit dynasty?"

The suspicious old devil suddenly said.

"How is that possible?"

"Yup! They can't wait for us to split up and capture them one by one. How could they turn around and ask us to join forces?"

Everyone immediately shook their heads and laughed.

This guess was simply impossible!

One should know that each of them was an expert, and there were many golden Immortals among them. The sacred Spirit dynasty was afraid that they would join forces, so how could they possibly add fuel to the fire and help them?

It was no exaggeration to say that if the people of the Saint spirit dynasty knew that they had joined forces, they would be so scared that they would pee themselves.

“Woof! How could it be possible for the trash of the sacred Spirit dynasty? They wouldn’t have the guts to do that!”

Carefree immortal also shook his head.

“Alright, there’s no need to worry about who’s the one who’s leading the way. Now that things have come to this, is it still important? What’s important is that we’re already here. Let’s discuss how we’re going to take revenge first!” He paused for a moment before he continued.

“That makes sense!”

At the side, Yi Mu Zhenren, who had not spoken for a long time, also nodded.

“The two seniors are right!”

“In my opinion, we should just rush into the Saint spirit dynasty and kill everyone we see. We should slaughter our way to the Imperial City. Those princes are all outside anyway, and all the Golden immortal old monsters of the Saint spirit Palace have been taken away by them. The Saint spirit dynasty’s forces are now extremely weak.”

“That’s good. It’s best to slaughter the entire Saint spirit dynasty!”

The old demons began to discuss again.

The more they spoke, the more excited they became. In their opinion, this was a once-in-a-thousand-years opportunity. The Saint spirit dynasty was currently lacking in strength, and it would never have expected that they would join forces, so they wouldn’t be on guard at all.

“Hahaha! Alright, we’ll just slaughter them like this. You guys can just kill the males, and leave the females to me!”

Unfettered immortal laughed out loud.

“Senior, don’t worry. I’ll definitely keep it for you!”

Everyone laughed along.

“It seems that my Holy Spirit puppet will have tens of millions of dead souls!” That Yi Mu Zhenren took out a black banner, fiddled with it for a while, and laughed in a thick voice.

“Kill! Kill all the people of the Saint spirit dynasty!”

“Not only will we kill them, but we’ll also Rob them of their treasures. They’ll all be ours!”

The old demons became more and more excited as they spoke.

They could already see the scene of countless treasures piled up in front of them.

“Everyone, I’m in good spirits! Why don’t you ... Count me in?”

Everyone was in high spirits when suddenly, a clear voice rang out from the crowd.

This voice was a little unfamiliar.

Subconsciously, everyone turned their heads to look.

In the next moment, their eyes narrowed.

“Who is he?”

“Where did he come from?”

They were all shocked.

They didn’t recognize the man in white in front of them, but they remembered clearly that he didn’t appear just now. It was as if he had suddenly appeared.

“Who are you? Report your name!”

Someone shouted.

No one was too surprised. To be able to appear here, he must have heard the news and rushed over.

“I’m afraid you don’t have the right to ask for my name!”

The white-robed man stood with his hands behind his back as he glanced over and said indifferently.

“You ... What a big tone!”

The old devil who shouted immediately became furious.

After all, he was a peak heaven immortal and wasn’t weak here. He was a figure with a reputation. Even the Golden immortal seniors here would politely call him fellow Daoist when they saw him.

However, this fellow actually said that he didn’t even have the right to ask for his name!

This was really bullying! He was extremely arrogant!

Whoosh!

There was an uproar.

Everyone was in disbelief.

This guy was too arrogant!

Even the famous senior Yimu didn’t put on such a show. Who the hell was this guy?

“Fellow Daoist, we’re all on the same side here, so why do you have to do this? If he doesn’t have the right, then I do! Fellow Daoist, please tell us your name and let us hear what kind of awe-inspiring figure you are!”

At the side, Yi Mu Zhenren sneered and said.

He sized up this person and his mouth twitched slightly, his eyes full of ridicule.

He was the most powerful one on the Saint spirit dynasty’s wanted list!

He was the only one who was qualified to put on airs!

Everyone around revealed a mocking expression.

“You? It was barely enough! I’m still lacking the qualifications!”

The man in white looked up and shook his head slightly.

This time, all the old demons were stunned.

This guy must be crazy!

This was senior Yimu! A golden celestial stage powerhouse!

If even such a character was not qualified, who else was qualified?

This guy was not arrogant, but a madman!

“You’re really arrogant!”

Yi Mu Zhenren was stunned at first, then he took a deep breath to suppress the anger in his heart.

His face had already turned ashen.

How many years had it been since someone had dared to provoke him like this!

He would like to see what capital this fellow had to dare be so arrogant!

The next moment, his body shook and his aura exploded.

The pressure of a golden immortal rushed out and turned into a raging tide that slapped toward the white-robed figure.
