

The Mightiest Little Peasant Chapter 3270

“Save your sister!”

Tang Hao pursed his lips.

This guy’s consciousness had been destroyed and he probably couldn’t recognize him anymore. However, he wasn’t blind and could see this guy clearly.

He had just scolded him and arrogantly said that the heavenly desolate Hall did not want trash. Now, he turned around and asked him to save him. How shameless!

“Fellow Daoist, you guys can continue! Just pretend you didn’t see me!”

He smiled at the woman.

He could tell that this woman was a Peak Gold immortal, and her body was filled with a demonic aura. She was probably an old monster who had just been born.

At this moment, she was in the middle of her grand plan of gathering yang to supplement Yin.

The woman narrowed her eyes and stared at him. Her eyes were filled with surprise.

She could not see through the white-robed man in front of her. She did not know if he was a celestial venerable old monster or a golden immortal. He only had some special means to block the joyous unification array she had set up and not be confused.

“Fellow Daoist, don’t you want to have a taste of this extreme happiness?”

She threw him a flirtatious look and said in a coy voice.

As she said that, a pair of fair hands streaked across her body, accentuating her impressive curves.

Ah!

On the ground, the genius of the heavenly desolate Hall twitched and cried out in pain.

His body was shrinking at a speed visible to the naked eye. In the blink of an eye, he had lost a lot of weight.

“Cough! This fellow Daoist can enjoy this kind of happiness. I don’t need it!”

Tang Hao waved his hands.

“That’s a pity!”

She sucked on her finger and said in a choked voice.

“Goodbye!”

Tang Hao waved his hand again, then turned around and left.

Behind him, another miserable cry was heard.

“It’s none of my business!”

Tang Hao turned around and saw that the female demon did not attack. He increased his speed and shot up.

A peak golden immortal old devil was undoubtedly a thorny opponent. He didn’t need to provoke him. The most important thing now was to find more treasures.

“Another one!”

Tang Hao soon found another Pearl.

This time, no one was fighting for it. In fact, ever since he entered the pink mist, other than the female demon and the unlucky fellow from the heaven desolate Palace, he had not met anyone else.

He was overjoyed and increased the speed of his search.

One by one, he found and swallowed all the pearls.

Just like that, he plundered all the way up.

Soon, he was close to the peak.

“Go ahead and Shout! Hahaha! No one can save you even if you scream until your throat breaks!”

At this time, a loud laugh suddenly came from the top of the mountain.

Tang Hao's body froze.

What was going on?

There was a female perverted Bandit below and a male perverted Bandit above?

Driven by strong doubt, he swept up, and soon, he saw the situation above.

In front of a Palace, there were many figures, both men and women, sitting cross-legged. All of them had divine light spread out from their bodies to resist the pink mist in all directions. However, the poison seemed to have entered their bodies, and their skin was suffused with a strange pink color.

Many of them gritted their teeth and looked like they were in pain.

The group of people from the heavenly desolate Hall were all there. There were also many others.

At this moment, a man was standing in front of the crowd, laughing loudly.

He was dressed in a white robe and held a fan in his hand. He was dressed like a scholar, and his eyes were long and narrow like a fox's.

"Another peak golden immortal!"

Tang Hao's mouth twitched.

Another old monster!

A man and a woman, they must be a pair!

He also wanted to understand what was going on.

This pair of old monsters must have taken advantage of the time when these people were fighting for the treasures to open this formation and enveloped the peak of the divine mountain. These people were caught off guard and were affected by the formation.

While he was observing the situation, the scholar also noticed him. He looked up and was stunned, his mouth wide open.

“You ... You ...”

He raised his hand and pointed at Tang Hao.

“Where did you get it? How can you be fine?”

After a long while, he finally squeezed out a sentence.

“I came from below! It’s okay, just pretend you didn’t see me, continue!” Tang Hao waved his hand and smiled.

Upon hearing the voice, those who were sitting cross-legged opened their eyes and looked over.

In the beginning, they were still a little happy.

But very quickly, he revealed a disappointed expression.

This was especially so for those from the heaven desolate Palace. They recognized that this man in white was the fellow who had blocked the road outside!

How could this fellow be a match for an old demon at the peak golden immortal realm?

Moreover, there was more than one, there was a female demon.

Unless a celestial of the great all-embracing heaven came personally, who could deal with them?

“Oh!”

The old scholar blankly responded.

Tang Hao turned around and was about to leave.

“Stop!”

The scholar suddenly came to his senses and shouted, “you’re already here and you still want to leave? You’ve taken all the Dao beads down there, haven’t you? Don’t worry, I’ll personally take it back from you later.”

As he said that, he clenched his fist, revealing a hint of anger.

Tang Hao stopped in his tracks.

He turned around and looked at the scholar, his eyes turning extremely cold.

“You, are you telling me to stop? And you want to snatch my treasure?”

He said coldly, pausing after each word.

“Hahaha! Of course! Everything you have is mine, including your flesh, blood, and immortal soul. ” The scholar laughed out loud as if he had heard the funniest joke in the world. He laughed so hard that his body swayed.

He felt that this fellow was really too funny!

Could it be that this guy was blind and couldn't see his realm?

He was an existence at the half-step zenith heaven level, an unparalleled old demon who had shocked the immortal world in ancient times. He could kill this hothead with just a breath.

“This idiot, why aren't you running!”

“I'm afraid his brain isn't working well!”

The few people from the heaven desolate Palace cursed.

The other women also frowned and shook their heads.

From his previous performance of blocking The Road to Now, it could be seen that this person's brain was really not that good.

“Langjun, I just met a very strange guy. He was not affected by our joyous unification formation ...”

At this moment, the sound of a sword being pulled could be heard from below.

Then, a figure swept over and arrived at the square in front of the hall. It was the female demon from earlier. However, she had put on clothes and her appearance had changed greatly. It was almost impossible to recognize her.

When she landed and saw Tang Hao, she was stunned.

“It’s ... It’s him!”

She raised her hand and pointed as she exclaimed.

“Hahaha! It’s fine, he’s an idiot!”

The scholar laughed and waved his hand.

“Al! I’m finished!”

The expressions of the people sitting cross-legged to the side all changed.

Originally, this guy had a chance to escape, but he had to court death by talking too much. Now that the female devil was here, this guy had no chance.

“Just an idiot?”

The female devil hesitated.

“Of course. I’ll take him down and hand him over to you.”

The scholar chuckled. He reached out his hand and tried to grab Tang Hao.
