

The Mightiest Little Peasant Chapter 3288

Saint spirit celestial dynasty, imperial capital.

A beam of divine light swept over and arrived in front of the city.

“I haven’t been here for a long time!”

Tang Hao looked at the majestic city and smiled.

It had been almost a year and a half since he had come here to help tantai Mingyue become the sage Emperor.

He happily entered the city.

“Whoosh!”

As soon as he entered the city, a divine light swept over and arrived in front of him. It was the old Daoist of Qingcheng.

The Daoist priest of Qing Cheng landed and immediately bowed respectfully.

“I’m Qing Cheng, greetings, celestial venerable!”

He called out loudly, his expression extremely respectful.

In the past, he was not a real celestial venerable and was only known as a young celestial venerable. But now, he was a real celestial venerable and was ranked 36th on the zenith heaven roll.

In the battle a few days ago, he suppressed Xu mi and an ye, the two heavenly venerates, and shocked the entire immortal world.

“Long time no see!”

Tang Hao studied him and smiled. “You’ve improved a lot!”

“Celestial venerable, you must be joking. I just happened to find some opportunities and made a little progress!” The old Daoist Qing Cheng smiled bitterly.

He had indeed made some progress, but it was nothing compared to this person.

“Let’s go!”

After exchanging a few more pleasantries, Tang Hao stood up and headed toward the palace.

“What is it?”

He asked on the way.

“We have no other choice. That’s why we asked for your help, celestial venerable. Our opponent is also a celestial venerable old monster.” The old Daoist Qingcheng replied.

Tang Hao nodded. He was not surprised.

However, he was a little confused. The Saint spirit dynasty wasn't weak. They had a Peak Gold immortal and a Saint protector behind them, a Saint of heaven and earth at the Daluo level. They could also use the power of the entire dynasty, so why couldn't they stop a heavenly venerable old monster?

"This old monster! His name is Dragon King Tian. I'm sure you've heard of him before, primogenitor. He's a great ancient demon who attained Dao very early."

"Dragon King Tian? So it's him!"

Tang Hao nodded in realization.

This was a great demon that was as famous as the dark night King. In terms of strength, he was even stronger because his bloodline was stronger. He was a great demon of the Dragon race, while the dark night King was of the toad race.

He had heard that this Dragon King Tian was brutal and loved to kill and destroy. After he was born, he had already destroyed many places. He didn't expect that he would come to the Saint spirit celestial dynasty.

"What did he do?"

Tang Hao asked.

"He has already destroyed many cities of the celestial dynasty and is still extorting us for countless treasures. The nation-protecting Saint has also tried but was unable to fight him. That fellow is too powerful, so we have no choice but to ask for your help."

The old Daoist Qingcheng said helplessly.

“Blackmailing?”

“What does he want?” Tang Hao was surprised.

“He wants everything! Immortal materials, Immortal Weapons, women ... He wants everything! He even has ideas about the Saint Emperor!”

“You’re asking for quite a lot!”

Tang Hao’s mouth twitched.

As they spoke, they had already arrived at the Imperial Palace.

“My idol, you’re finally here!”

Tantai Mingyue, who was wearing a purple dragon robe and a phoenix crown, could not wait any longer. She rushed out of the Imperial Palace.

“Idol, you’ve really made me miserable. Being a saint Emperor is really too tiring. I have to manage everything. There’s a pile of things to do every day. My head is getting big. You see, I’ve lost weight. It’s all so worrying.” She poured out her grievances to Tang Hao.

The group of people who followed him out all had embarrassed looks on their faces.

They had never seen such a frivolous Saint Emperor who complained of being tired every day.

“Greetings, celestial venerable!”

They bowed and greeted Tang Hao respectfully.

They also knew that the one who had assisted the sage Emperor in ascending to the throne was that monster surnamed Tang. In the past few days, they had also heard that he had advanced to zenith heaven and suppressed the two heavenly venerates.

They were all in awe.

Although this person was young, his abilities and methods were extremely shocking, far surpassing these old monsters.

“You’re welcome!”

Tang Hao smiled at them and motioned for them to get up.

“Many thanks, celestial venerable!”

They called out in unison, then raised their bodies.

“I don’t think you’ve lost any weight!”

Tang Hao turned around and looked at tantai Mingyue.

“You haven’t slimmed down yet!” Tantai Mingyue pinched her cheek and mumbled.

“Hey! Let’s not talk about this anymore. I’m telling you, that Dragon King Tian is really too despicable. It’s fine that he wants so many treasures, but he even wants to target me. He’s so shameless!” Then, she gritted her teeth and said angrily.

“I’m fine. You don’t have to worry about that!”

Tang Hao smiled.

“That’s true! Since you’re here, I don’t have to worry!”

Tantai Mingyue glanced at him and nodded her head.

She was very confident in her idol’s strength. Even in the past, she was confident, not to mention now that he had advanced to the zenith heaven realm. Even the dark night King had been beaten up by him, and was no match for him.

With him and the nation-protecting Saint, there was no need to fear Dragon King Tian.

“Where is Dragon King Tian now?”

Tang Hao said.

“Now? I don’t know. He gave me seven days to prepare the treasures. There are three days left. Three days later, he should come to ask for the treasures.” Tantai Mingyue said.

“Three days? Good!”

Tang Hao nodded. "I'll stay for a few days then. I'll help you deal with him."

"Good! Then you can stay in the original bright moon Palace, I have already had people clean it up. Oh right, where are Qiu Ci and the others?"

Tantai Mingyue said.

"He's in the mobile immortal's cave!"

Tang Hao flicked his sleeves and opened the door to the cave. He called out Qiu Ci and Chun Xuan.

As soon as the two of them came out, they went to chat with tantai Mingyue excitedly, leaving him to the side.

Tang Hao looked at it and smiled helplessly.

He descended and saw Dragon-slam and the others.

These few people had been following tantai Mingyue all this while and now, they held rather high positions in the celestial dynasty.

"Fellow Daoist, it's a pleasure to meet you!"

A moment later, a divine light swept over from the depths of the palace. After landing, it turned into an old man with white hair and a white beard. Even his immortal robe was pure white, which was extremely eye-catching.

Tang Hao looked at him and sized him up.

This person had a very special and familiar aura. It was the immortal spirit nascent embryo, one of the three most magical nascent embryos.

Even though he didn't have a Celestial Spirit embryo, he had made many imitations of it and was extremely familiar with this aura.

This was the first time he had seen a Saint spirit that had cultivated to Dao.

"Nice to meet you! Nice to meet you!"

Then, he cupped his hands and smiled.

"At first, I was a little worried about how to deal with that Greater Demon. But now that Dao friend is here, I can rest assured. If we work together, it'll be enough to persuade that Greater Demon to retreat and stop him from causing trouble in the celestial dynasty."

The old man laughed.

"Naturally!"

Tang Hao said.

"By the way, I've heard that you've asked for a lot of Saint spirit pills before. I wonder if you still have such a need. There aren't many Saint spirit pills left in the celestial dynasty now, but there are still a lot of materials to refine them."

“You mean the Golden marrow of the Holy Spirit?”

Tang Hao’s expression changed when he heard that.
