

## The Mightiest Little Peasant Chapter 3296

“Greetings, fellow Daoist primordial chaos!”

The zenith heavens looked at the divine light and greeted it with respect.

“Everyone’s here!”

When he got close, the primordial chaos boy appeared and looked around.

“Good! The more people, the better!”

Then, he laughed.

“I heard that you came out of the mountain, fellow Daoist primordial chaos, so I came to support you.”

“Fellow Daoist, that brat is too arrogant. Damn it, you should teach him a lesson. Everyone will support you!”

The group of zenith heavens laughed.

“Yup! That brat is really arrogant. I’ve lived for so long, but this is the first time I’ve seen him so arrogant. Today, I’ll teach him a good lesson and see if he still dares to be so arrogant in the future!”

The primordial chaos boy laughed.

“Then we’ll wait for you to show off your power and take care of that kid!”

The rest of the zenith heavens laughed and complimented him.

“It’s the Hunyuan Buddha! He’s here!”

Below, someone noticed the Golden divine light. He squinted his eyes and couldn’t help but exclaim.

Everyone raised their heads to look.

“Is this the famous Hunyuan Buddha?”

Quite a few people revealed astonished expressions.

This was a 12 or 13-year-old child. Not only was he short, but his appearance was also a little immature. They couldn’t tell that he was an old monster at the zenith heaven level.

“Even the Hunyuan Buddha is here. I wonder when that person will come out?”

Everyone’s line of sight looked towards the Imperial City.

The one-month deadline was up, and it was time for that person to come out of seclusion.

“No movement!”

After staring at the Imperial Palace for a long time, everyone shook their heads in disappointment.

There was no movement at all in the palace.

“Hahaha! Don’t tell me that kid has already run away!”

On the warship of the Yuanshi sect, ye Futian stood at the head of the ship and sneered.

As soon as he finished speaking, the crowd burst into an uproar.

“Brother ye, you don’t say, it’s really possible!” On the other side, on the sky seeking sect’s warship, someone echoed, “with that guy’s strength, how could he be a match for senior primordial chaos? I’m afraid he will be defeated in a few moves.”

“It’s Li Chunyang, the demon of the heaven seeking sect!”

Everyone looked over and recognized him.

The one who spoke earlier was the monster from the Yuanshi sect, and now, it was the one from the sky seeking sect.

The two of them were originally the most famous geniuses in the immortal world. They were eminent disciples of the great all-embracing heaven and were influential figures in the immortal world. However, since the appearance of celestial venerable Tang, these so-called eminent disciples of the great all-embracing heaven had all paled in comparison, and no one paid any attention to them anymore.

It was normal for them to hate celestial venerable Tang.

“What do you mean by a few moves? I think he won’t be able to take even one or two moves. Senior Hunyuan’s chaotic Yuan Ruyi divine body is his own creation. It combines the essence of the immortal

Dao and the Buddha Dao. It's extremely powerful. In terms of physical strength, he's unrivaled in the zenith heaven realm."

"That guy, how can he be a match!"

Ye Futian raised his head and continued to mock.

"Hahaha! That's right!"

On the other side, the heaven seeking sect's demon echoed.

Then, the two of them echoed each other and continued to mock.

"Kid, get out here!"

After a while, there was a loud shout.

The primordial chaos boy descended from the sky and shouted at the Imperial City below.

"The one month promise is up. If you still don't come out, don't blame me for being impolite and tearing down this Broken City!"

The aura around his body burst forth and a shocking Buddhist light burst out. It was like a scorching sun that stretched across the void.

The rolling might of the origin immortal realm spread out and suppressed the void in all directions.

Everyone began to retreat, further and further away, afraid of being affected.

“Still not coming out?”

After waiting for a moment, there was still no movement. The primordial chaos boy’s face sank and he raised his hand to strike down.

“Fellow Daoist, don’t be anxious!”

At this moment, a clear laughter came from the Imperial City below and entered his ears clearly.

“It’s him!”

Hearing this, the crowd exclaimed.

Many people revealed excited expressions.

That person was finally going to appear!

He had defeated two celestial Venerables with one palm and scared off Dragon King Tian with one move. Now, his reputation in the immortal world was like the sun in the sky, and he was a legendary figure!

“It’s that kid!”

In the sky, the zenith heavens let out a low cry.

For a moment, everyone's eyes were focused on the Imperial City below, staring at it.

There, a figure was flying out.

He walked out of the formation in an instant and walked up step by step. His snow-white clothes fluttered in the wind, and his face was handsome. He had an indescribable immortal spirit Qi, floating and at ease.

At this moment, he was smiling with a relaxed and relaxed expression.

"Celestial venerable Tang's elegance is truly unparalleled!"

Someone in the crowd exclaimed in admiration.

They had never seen someone with such an outstanding temperament!

"F \* ck! This kid's looks are not bad!"

Some of the Grand Luo Immortals cursed.

Even if they didn't like this kid, they had to admit that his appearance was extraordinary. Not to mention the younger generation, even among the old monsters, none of them could compare to him in terms of temperament.

"F \* ck!"

The primordial chaos boy took a closer look and cursed.

Motherf \* cker!

This brat was really good at acting!

“You’re that arrogant brat?”

He gritted his teeth and shouted angrily.

“That should be the case, but I don’t know why you say I’m arrogant?” Tang Hao raised an eyebrow and chuckled. “I don’t think I’ve ever offended you, fellow Daoist. Why are you so angry? it’s as if there’s a deep grudge between us.”

“You’re not arrogant? Didn’t you say that you can break all the magical powers in the world with a single palm?”

The primordial chaos boy snorted.

“Oh! I did say that, but so what? I’m not wrong!” Tang Hao said.

“Hahaha! Do you think you have the right to say that? In the zenith heaven realm, you are nothing! Today, I’m here to teach you a lesson and open your eyes. You’ll see the power of my chaotic Yuan divine body!”

The primordial chaos boy laughed.

“Chaotic Yuan divine body? Is it very powerful?”

Tang Hao raised an eyebrow and smiled.

“That’s natural! This is a Supreme technique that I have created after years of dedicated research and integration of the world’s Supreme techniques. It is with this divine body that I can defeat all those in the zenith heaven realm and find no worthy opponent. ”

“This palm of mine can truly break all the magical powers in the world!”

As the primordial chaos boy said this, he raised his head and looked very pleased with himself.

“Is that so?”

Tang Hao smiled but did not comment.

“Hmph! Kid, you’re being stubborn now! You’ll be crying later!”

The primordial chaos boy sneered, “weren’t you in seclusion this month? You said you’re refining something powerful. Remember to take it out later and let me see what you’re refining!”

As he spoke, he sneered, and the mockery on his face became even more intense.

He didn’t believe that this kid could come up with anything powerful in just a month. It was just an ordinary great Luo weapon, not worth mentioning.

“Brat, get ready to receive this palm strike!”

He raised his head and let out a long roar. His body shook, and with a boom, endless divine light shot out.

The light instantly lit up the entire heaven and earth. It dazzled everyone's eyes and made them feel a sharp pain.
