

The Mightiest Little Peasant Chapter 3301

“This is mine!”

“It’s mine!”

In the main hall, a group of female demons surrounded the cloth bag, arguing until their faces were red. Many of them even started pushing and shoving, looking like they were about to fight.

The commotion attracted the attention of all the demons in the hall.

“What’s going on?”

“What’s this group of slutty women doing!”

They sneaked over, all somewhat curious.

They had never seen this group of sluts fight so fiercely for a human.

“Could it be that something good has appeared?”

They muttered to themselves.

“This one is not bad!”

The handsome man heard the commotion and looked into the bag. When he saw who they were fighting for, he was shocked.

His transformed appearance could already be called a peerless handsome man. In terms of beauty, it was difficult for anyone to surpass this appearance. The man in the bag might not be as handsome as him, but in terms of temperament, he far surpassed him.

At first glance, even he was somewhat attracted.

He stretched out his hand and grabbed the person out of the bag, then threw him into the hall.

In the next moment, the hall was filled with exclamations.

Many pairs of eyes were burning with passion.

It wasn't just female demons, there were also many male demons.

"You ... You monsters, what are you doing?"

Surrounded by a group of demons, the white-robed man revealed a panicked expression. He looked weak, pitiful, and helpless.

"Hahaha!"

The hall burst into laughter.

"Look at him! He's so useless!" Many demon Immortals sneered, their eyes full of mockery.

“Hey! He’s just a little human immortal, it’s normal for him to be afraid of us!” There were also people who laughed and didn’t think much of it.

“Hahaha! You can already tell that we’re demons. Don’t you know what the result will be?” The handsome man laughed. “However, you do have some good looks. It would be a pity to kill you. You can stay in my silver snake tribe and be a boy toy!”

“Look at the beautiful women of my silver snake tribe. Which one of them isn’t stunning and not better than your human tribe?”

As he spoke, he pointed at the female demons in the hall and said proudly.

The silver Serpent race loved beauty. No matter if they were male or female, they would all be handsome men and beautiful women after they transformed.

“Yup! You can stay in the silver snake Clan and enjoy yourself every night!”

“Our abilities are all top-notch!”

A group of female demons surrounded him and giggled.

“This ... Isn’t very good!”

The white-robed man stammered.

“What’s wrong with it? you’ll know how good we are after you taste it!” A female Yao stretched out her hand and touched his body as she smiled charmingly.

“Hahaha!”

The handsome man laughed again and looked at the people behind him. “Where did you get this?” Could he be from some great sect or clan?”

However, he had some doubts in his heart. After all, this human’s temperament was too outstanding. He was not like an ordinary person, but more like a demon. And most of the demon-like demons had some background.

If their background was too big, it would be difficult to deal with them.

“This ... We’re not sure either. When we were arresting him, he ran into us on his own. He looked very righteous, like a hothead, so we arrested him on the way.”

The few of them said.

“I see!”

The handsome man frowned slightly.

Seeing a few golden Immortals, he still dared to come up and stop them. He was really a hot-headed youth.

“He might be a disciple of some big sect. But with the silver snake tribe’s strength, as long as he isn’t from a big sect or clan, we will be fine.” He muttered to himself.

“What’s wrong, my King?”

Seeing him in deep thought, those people were surprised.

“I’m fine!”

The handsome man immediately waved his hand and smiled.

“Alright, quickly distribute the people and let’s have a full meal!”

He shouted at everyone in the hall.

In the hall, there was a sudden burst of enthusiastic cheers. All the demons reached out their hands and grabbed groups of people from their bags. Some stuffed them into their own bags, while others set up furnaces, ready to start stewing.

The handsome man turned around and was about to return to his seat.

At this time, his expression changed, and he suddenly looked up.

“We have guests!”

He raised his eyebrows and asked in surprise.

Then, he put on a silver robe and left the hall in a flash.

“Hahaha! What a rare guest! How did you two fellow Daoists find the time to come to my place?”

He parted the fog that shrouded the mountain and saw two figures standing there. One was a handsome man with Fox-like eyes, and the other was a flirtatious and charming woman.

“I just happened to pass by, so I came to take a look!”

The Fox like man laughed out loud and held onto the woman beside him as they descended.

Looking at the two of them, the handsome man felt a little upset.

He knew that the two of them had successfully transcended their tribulations and ascended to zenith heaven, while he had yet to do so.

The two of them must have come here to show off!

He cursed a few times in his heart, but he didn't show it on his face and still put on a warm appearance.

“I heard that both of you have ascended to the zenith heaven realm. And you, fellow Daoist YouMo, you're getting more and more beautiful. ” He said respectfully.

“Is that so?”

You Moji laughed charmingly, her face beaming with joy. “Your mouth is still so sweet!”

The handsome man smiled and said, “fellow Daoists, you've come at the right time. We've just caught a fresh batch of goods. We're about to start the banquet!” The two of you can come together!”

“Alright!”

The two of them gladly agreed and followed him to the hall below.

“Argh! Right, fellow Daoist YouMo, there’s a top-grade item among the goods this time! For him, my silver snake clan’s women are about to break their heads fighting over him. Since fellow Daoist is here, why don’t I let you have a taste first?”

When they were about to reach the front of the hall, the handsome man suddenly stopped and looked at the coquettish woman with a smile.

“Top-grade?”

You Moji was stunned. Then, a look of eagerness appeared in her eyes.

The silver snake Clan had always had high standards. If they called it the best, it must be the rarest in the world.

“Where is it?”

She licked her lips and was a little impatient.

“It’s in the hall!”

The handsome man landed with the two of them and stepped into the hall.

“Stop! Why haven’t you greeted the two celestial Venerables?”

The hall fell silent.

The demonic Immortals stood up in a hurry and bowed to the two people who had just entered.

“Greetings to celestial master Silver Fox and celestial master nether demon!”

They called out in unison.

“No need to be so polite!”

The two of them laughed and waved their hands.

“Daoist Tian she, where’s the Supreme-grade you mentioned?”

You Moji’s gaze swept through the hall.

“Look, over there!” The heavenly Snake King raised his hand and pointed to a corner of the hall, “how is it? not bad, right? He’s only a human immortal, but he’s young. I guess he’s only a few years old. He’s still a young man who has just come out of his cottage!”

The two of them looked over.

At first glance, they were all stunned.

However, they soon frowned and looked suspicious. They felt that they had seen this so-called hothead somewhere before.
