

The Mightiest Little Peasant Chapter 3302

“Daoist YouMo, are you satisfied?”

The heavenly Snake King laughed, “all of you, move aside. Let the heavenly venerate have a taste first. It will be your turn in the future.”

“Yes!”

Although the group of Demonesses was somewhat unwilling, they still made way.

“Fellow Daoist, I’ll leave this person to you.”

As the heavenly Snake King spoke, he turned to look at the two of them.

“What’s the matter, you two?” He couldn’t help but ask when he saw the strange expressions on the two’s faces.

“Langjun, why do I feel like I’ve seen this person somewhere before? he’s too similar!”

You Moji ignored him and looked at the Silver Fox scholar.

“Yup! It’s too similar!”

The Silver Fox scholar was also in a daze.

At this moment, he could not believe his eyes.

The man in front of her was exactly the same person.

In fact, even the temperament was the same.

But how was that possible!

How could there be such a similar person in this world? even their temperament was the same?

Could it be that someone had transformed into that fellow's appearance?

"You two, who are you talking about?"

The heavenly Snake King asked curiously.

"A very terrifying guy!"

The Silver Fox scholar said with a fearful expression.

"Terrifying?"

The heavenly Snake King was startled, somewhat shocked.

Fellow Daoist Silver Fox was already at the zenith heaven realm. What realm and what kind of powerful person was this person that he called terrifying?

“Hahaha! It’s just a coincidence!”

Then, he laughed out loud.

This human was just a puny human immortal. How could he be a powerful figure? if he was, how could he have been captured by his golden Immortals?

“Phew! I also think it’s a coincidence. If it’s that guy, it’s impossible for him to be here!”

The Silver Fox scholar heaved a sigh of relief.

“Yup! We’re overthinking it!”

You Moji patted her chest and laughed.

With that guy’s identity and strength, how could he have been caught and brought to this obscene snake cave?

“It just so happens that I can’t taste that fellow. It’s not bad to try it on this little fellow! I’m just afraid that he’s too weak and can’t stand my torture!” She sized up the man in white and chuckled.

“That’s true! You’re already at the zenith heaven realm, so it’s not something ordinary people can take. However, you have to be careful not to suck it dry. ” The heavenly Snake King laughed from the side.

“Little guy, come, don’t be afraid, let big sister love you well!”

You Moji tapped the ground with her toes and flew over.

When she was in front of him, she bent down and raised her hand. Two white fingers held her chin and lifted his handsome face.

“It really looks like it! It’s very similar!”

She mumbled as her beautiful eyes became blurred, unable to control her emotions.

“Is that so?”

Tang Hao looked at her and grinned.

“You ...”

You Moji was stunned. Her red lips opened wide, and a look of confusion appeared on her beautiful face.

That voice, and that expression ...

What was going on with this guy?

Tang Hao studied her and shook his head. He felt that it was a pity.

The woman in front of him was extremely beautiful and had a voluptuous figure. She was truly a stunner. Unfortunately, she was a demoness who had harmed countless men in the immortal world.

He grinned when he thought of the scene on the divine mountain.

That unlucky fellow from the heaven desolate Palace must have been completely sucked dry by now!

Even a golden immortal would not be able to withstand such a torment.

“What, it’s only been a while and you don’t recognize me anymore?”

Tang Hao looked at her and smiled.

“You ... Who are you?”

You Moji’s body trembled, and her eyes widened in shock and disbelief.

Was it really him?

How could this be possible!

How did this guy appear here?

Then, her delicate body trembled slightly, and a look of fear appeared on her face.

“It’s really him?”

Behind him, the Silver Fox scholar’s body trembled, and his eyes also widened.

On the other hand, the heavenly Snake King still had a dumbfounded look on her face, not quite understanding what was going on.

Wasn't this guy a human immortal?

Also, didn't he look so pitiful, weak, and helpless just now?

Why did his face change in the blink of an eye?

"Let's go!"

You Moji turned around and ran out of the hall.

It's really that guy!

Although she didn't know why that fellow was here, she was sure that he was up to something.

That guy's strength was extremely terrifying. He could even fight an old monster like the chaotic origin Buddha to a draw. The two of them, who had just advanced to the zenith heaven realm, were no match for him at all.

"Motherf * cker! It really was him! How did we even run into this!"

The Silver Fox scholar cursed, feeling extremely depressed.

What kind of bad luck did he have to meet this fiend!

When they had just been promoted, the two of them were indeed full of ambition and confidence. They wanted to take revenge on that kid, but later, after hearing about the kid's amazing battle achievements, they were shocked.

Right now, they were all running away from him, so how could they dare to take revenge?

He followed suit, cursing as he fled.

All the silver snake tribesmen in the hall were stunned.

What ... What was going on?

The two Daluo Celestials, who were famous demons in the ancient times, were scared out of their wits and fled!

They found it hard to believe.

"Who ... Who are you?"

After being stunned for a long time, the heavenly Snake King finally regained his senses. He turned around and trembled as he looked at the white-robed man.

What puny human immortal, what hothead ...

Damn it, he's just pretending. This is clearly a peerless old monster from da Luo.

In the hall, the other demonic Immortals also realized it. They froze on the spot, their bodies trembling, and their faces turning pale.

This was not a puny human immortal, but a terrifying old demon!

“My surname is Tang!”

Tang Hao looked at the heavenly Snake King and smiled.

“Tang?”

The heavenly Snake King was stunned, and then, his eyes suddenly widened, almost popping out.

At this moment, he was even more shocked and his head was buzzing.

Tang!

With such a surname and such a fierce aura, it must be that guy!

This was an abnormal monster who could even scare away Dragon King Tian!

“Tang? He’s that human genius?”

“Heavens! How could it be him!”

The demons in the hall whispered to each other, their expressions extremely terrified.

“Let’s go!”

A demonic immortal cried out in alarm and turned into a divine light, trying to escape from the palace.

“You’re looking for death!”

“Die!” Tang Hao shouted. He stomped his foot, and a powerful aura surged out of his body. It spread out and suppressed the entire Palace. The divine light stopped in mid-air.

He stretched out his hand, and the divine light flew back, revealing its original form.

“In front of me, you still dare to escape!”

Tang Hao looked at him coldly.

“Exalted ... Exalted celestial, please ... Please spare me ...” The demon immortal struggled and begged.

Tang Hao snorted coldly. He clenched his fist, and with a few cracking sounds, the demonic immortal’s body twisted. Then, with a loud bang, he was crushed and exploded, filling the sky with blood.
