

## The Mightiest Little Peasant Chapter 3318

“That ... Can I think about it first?”

Tang Hao said after struggling for a while.

If it were anyone else, they would be so happy to be kept by such a beautiful Celestial King that they would probably cry tears of joy.

But he was not happy at all.

Was he the kind of person who lived off a woman?

Obviously not!

He had a backbone and dignity.

“What’s there to consider? don’t tell me ... You’re still thinking about that guy? Compared to her, am I that bad? What she has, I have. What she can give you, I can give you too, and I can give you more!”

The immortal execution King said with a hint of charm in his tone.

“I’m better than her!”

She seemed to have sensed something. She suddenly raised her head and looked at the void beside her.

In the next moment, her figure flickered and somehow appeared next to Tang Hao. She reached out and grabbed one of Tang Hao's hands, then shouted provocatively at the air.

Tang Hao's body trembled, and he almost jumped up.

It was supposed to be a very enjoyable thing to be held by a beautiful woman. However, if this beautiful woman was a terrifying Immortal King expert, then it wasn't enjoyable at all.

"Sit down!"

Immortal execution King growled and pressed him down, half of his body leaning over.

For a moment, a delicate fragrance assailed his nose.

Through her clothes, he could still feel her soft and fragrant body.

"Woof! You are better than me? You're really shameless!"

Before he could recover, a cold shout came from the side.

Another burst of fragrant wind blew over.

A lithe, voluptuous, and alluring figure flew over to his side. It was the night Immortal King.

"Di, I didn't know you were so shameless. Look at yourself, which part of you is better than me?" At this moment, she sneered and looked at the immortal execution King with knife-like eyes.

She even looked up and down, revealing a mocking and mocking expression.

“Woof! You’re just a little older than me! What’s the use of being big? it’s just a burden and it’s also affecting the beauty!” Immortal execution King didn’t show any weakness and retorted.

She had absolute confidence in her looks and figure.

This was her perfect figure!

“Affect the beauty? It’s only an eyesore if it’s too small!”

The night Immortal King laughed coldly again.

“If you don’t believe me, why don’t you ask him if it’s good or bad?” Then, she looked at Tang Hao.

Tang Hao’s face twitched. He felt like it was about to split open.

F \* ck!

This was a death sentence. No matter what he said, he would offend an Immortal King.

“Alright! Then let him say, between the two of us, which one has a more perfect figure and looks better!” The immortal execution King said. She clenched Tang Hao’s Jade-like hands tightly, as if she was threatening him.

“Let go of him first, don’t threaten him!”

The night Immortal King shouted.

“I didn’t threaten him!”

Immortal execution King said with a smile.

“My good brother, don’t be afraid. Tell me what you’re thinking. I’m here, so she can’t threaten you!”  
The night Immortal King stomped his bare feet and glided over to Tang Hao’s other side. He sat down.

She reached out and grabbed Tang Hao’s other hand.

Her alluring and seductive figure also pressed tightly against him.

Just two or three feet away, the two immortal kings “eyes were like knives, constantly colliding and creating fierce sparks.

Tang Hao stood there stiffly. He could only smile bitterly.

He had never thought that things would turn out like this.

The situation in front of them was simply Asura hell!

“Cough! Two seniors ... Oh! No, my two sisters, please don’t make things difficult for me, a puny big Luo.  
” He said with a bitter smile.

“Just say it, what’s there to be afraid of!”

Immortal execution King said.

“Yup! Tell me the truth, don’t be threatened by a certain someone!” The night Immortal King didn’t want to be outdone.”Someone is so despicable. He tried to take her away while I wasn’t around. How shameless.”

“I’m shameless? Then wouldn’t you be even more shameless? Did you tell him the truth behind this immortal encounter? You didn’t, but you encouraged him to increase his cultivation. You’re harming him!” Immortal execution King said.

“I didn’t say it for his own good. When the time comes, I have my own ways to protect him!”

“Hmph! What can you do? he’s the safest with me. Also, did you give him any treasures? I don’t think so! I just gave him all the treasures of the Imperial Palace. Can you even compare?”

The immortal execution King sneered. His Phoenix eyes narrowed and were filled with provocation.

“The Imperial Palace? Is it the immortal Emperor Palace?”

The night Immortal King’s expression changed.

She knew that the Imperial Palace was filled with the treasures left behind by Emperor Tianhuang. How could this guy be so generous as to give away all the treasures?

This was too big of a deal!

“How is it? You can’t do it!”

Seeing that she was silent, immortal execution King raised his eyebrows and revealed a proud expression.

The night Immortal King was a little scared. He opened his mouth, but didn't know how to respond.

She did have many treasures on her, but they were still inferior to the treasures of an immortal Emperor.

I was the one who snatched it, how did it become you who gave it to me!

Tang Hao's body was still stiff, but he could not help but curse in his heart.

At this time, many people around the three of them were already looking over.

"F \* ck! This guy was simply enjoying the good fortune of having two people! Look, one on the left and one on the right, they're both stunning!"

"What a beast!"

They whispered to each other, their faces full of envy, jealousy, and hatred.

Not long later, a large ship came from the horizon.

A group of people came down from the ship.

The leader was a man in white with an imposing appearance.

He led the people behind him and flew toward the ground.

When he heard the discussion, he stopped and looked over curiously.

When he saw the three people sitting on the mountain peak, he didn't pay much attention to them at first. He smiled and was about to look away.

However, he suddenly realized that this person looked very familiar!

Although his face was covered with a layer of immortal radiance and his appearance was a little blurred, he recognized this temperament and it left a deep impression on him!

Wasn't this guy with women on his left and right that detestable kid?!

"It's this guy!"

He gritted his teeth, and his face suddenly darkened.

His malicious eyes were filled with jealousy and hatred.

This was the guy who had killed his Junior Brother and humiliated the heaven seeking sect time and time again. He was truly detestable!

"Hmph! I really didn't expect this guy to be such a lewd person, hugging women left and right in broad daylight, completely shameless!" He sneered coldly. "To think that Junior Sister Feng still misses him. If Junior Sister Feng were here and saw him like this, she would be utterly disappointed!"

“Senior brother, this person is just like that. He’s lecherous and doesn’t know shame. I heard that he has a pair of maids by his side since a long time ago. They’re sisters and are both as beautiful as fairies.”

Behind him, another ask heaven sect disciple chimed in.

“Let’s go and meet him!”

The man in white sneered. He waved his hand and led his disciples toward the mountain peak.
