

The Mightiest Little Peasant Chapter 3319

“Isn’t that celestial venerable Tang?”

With a sneer, Li Chunyang led the people of the heaven seeking sect to the front of the peak.

“That’s celestial venerable Tang?”

“There shouldn’t be any mistake, that’s a demon from the heaven seeking sect, I can’t be mistaken!”

The moment he said that, there was a commotion all around.

Everyone looked over, their expressions excited.

This was a legendary figure!

Putting aside his past deeds that had shaken the immortal world, he had been on a winning streak ever since he had advanced to the zenith heaven realm. Whether it was an ancient great demon like Dragon King Tian or an ancient Almighty like the primordial Buddha, he had lost to them all. He was invincible.

Not long ago, the Saint spirit had faced the Tribulation of the two old Saint emperors. Many zenith heavens had gone to try to stop it, but this man had stopped them all by himself.

It was said that in that battle, Tiantong and Samantabhadra of the primordial beginning sect were defeated so badly that even their Celestial King weapons were taken.

This person’s divine power was already so high that it was beyond their imagination!

“I was wondering who could be so carefree. It turns out to be celestial venerable Tang!”

Someone sighed.

In the world of cultivation, strength had always been respected. There was never a lack of beautiful female Immortals by the side of powerful people.

With celestial venerable Tang’s status and strength, it was normal for him to be accompanied by beautiful women!

“Hmph! What carefree? this was called shameless! It’s improper to hook up with each other in broad daylight!”

Someone from the heaven seeking sect sneered.

“That’s right! This scene is simply unbearable to look at!”

Following that, a group of disciples chimed in, their eyes full of disdain.

“Al! “Junior brothers, you can’t say that. Celestial venerable Tang likes this style, and we can’t control it, can we? Who asked him to be so strong? he can kill whoever he wants, and he didn’t even bat an eye when he killed the disciples of our sky seeking sect. What’s the big deal in toying with a few women?”

Li Chunyang turned around, waved his hand, and said with a smile.

He raised his voice and sounded a little weird.

“It’s fine if he’s just flirting with us now. If he were to act out a live erotic show, we wouldn’t be able to control him, right?”

As he said this, he deliberately raised his voice.

“Yup! We don’t care!”

“Hahaha! To be honest, I really want to see it!”

Behind him, the disciples of the heaven seeking sect laughed.

They looked ahead and their eyes swept over the two beautiful figures. They became a little eager.

As disciples of great sects, they had seen many beautiful women, but they had never seen such a beautiful one. One was dreamy and beautiful to the point of being outrageous, while the other was alluring and moving to the extreme.

“These two girls are really interesting!”

“Exactly! That figure, that aura, it’s amazing!”

They muttered softly.

Many people sized up that alluring figure and couldn’t help but swallow their saliva.

Tang Hao looked at them with a strange expression.

Not only was he not angry, but he was even a little happy.

Originally, he was caught between two great immortal kings and was in a dilemma. Now that this group of people had come, it just so happened to help him out of the predicament.

In fact, he even admired this group of people.

This group of people was really awesome to dare to tease them in front of two celestial Kings!

At this moment, the faces of the two celestial Kings beside him sank.

The two pairs of beautiful eyes squinted slightly, and a cold glint appeared in them.

“Hahaha! Don’t be like this, celestial venerable Tang will be embarrassed. I’m just joking, don’t take it seriously! Don’t take it seriously! Celestial venerable Tang is a well-known figure in the immortal world, and he also cares about his face. How could he really do such debauchery and lascivious behavior?”

Li Chunyang laughed and waved his hand.

“Senior brother, that’s hard to say!”

The disciples of the heaven seeking sect burst out in laughter.

Everyone was a little surprised.

Most of them had heard about the grudges between the heaven seeking sect and celestial venerable Tang. It was said that celestial venerable Tang had once killed a genius of the heaven seeking sect, so it was normal for Li Chunyang and the others to target him.

However, Li Chunyang was only a half-step zenith heaven cultivator, far from celestial venerable Tang's strength. How could he dare to provoke him like this?

Wasn't he afraid that celestial venerable Tang would be enraged and suppress him?

"I'm afraid that the old monsters of the heaven seeking sect are all here, right above us! Otherwise, how would the disciples of the heaven seeking sect dare to be so arrogant?"

"I think so too. I heard that the dark night Lord has been hiding in the sky seeking sect ever since he offended celestial venerable Tang. I'm afraid he's here too. The four celestial Venerables, I'm not afraid of him!"

The crowd discussed in low voices.

Although celestial venerable Tang was powerful, he was only at the zenith heaven realm after all. He could not suppress those at the same level. If the four celestial Venerables joined forces, they would definitely be able to stop him.

"What's wrong with this guy? You're actually so calm?"

Li Chunyang was a little surprised to see that Tang Hao did not say anything.

He had already mocked him, but this guy didn't react at all.

"Are you deaf, Tang kid?"

He snorted coldly and said unhappily, "don't tell me you've forgotten my Junior Sister Feng! To think that my Junior Sister Feng is still thinking about you, but you're here flirting with another woman. You're really a scumbag!"

"Junior Sister Feng? Little brother, you're so sentimental!"

The night Immortal King raised an eyebrow and whispered into Tang Hao's ear with a chuckle.

After saying that, he even blew lightly, not forgetting to provoke the immortal execution King.

Immortal execution King's beautiful eyes opened and glared at him.

"Little brother, it's okay. Big sister doesn't care about this. She's not as petty as a certain someone. Her heart is as narrow as her chest, especially small! You can't be with this kind of person!"

The night Immortal King scoffed.

As he spoke, his eyes swept across the immortal execution King's chest.

"You ..."

The immortal execution King's beautiful eyes widened again, filled with shame and anger.

She wasn't small at all. She was already very big. It was just that this guy's was a little too big!

"What are you doing! You have nothing to say!"

The night Immortal King raised his seductive face and said smugly.

Tang Hao sat there stiffly. He did not dare to move.

Li Chunyang, who was in front of him, was furious.

Motherf * cker!

These three adulterers, did they think he was air?

He had been ridiculing them for a long time, but no one paid him any attention. They were even whispering sweet nothings to each other, and they were even fighting for his affection!

“Hey! You two B * tches, don’t you have any shame?”

He couldn’t help but curse.

As soon as he finished speaking, the movements of the two celestial Kings immediately stopped.

The next moment, both of their faces sank.

“What did you just say?”

The night Immortal King glared at him and said coldly.

“I’m calling you bitch! What’s wrong? was I wrong? Especially you, you’re wearing so little. One look and I can tell you’re the kind of person with a loose nature.” Li Chunyang raised his head and said disdainfully.

These two women should be the two beside this kid. They had been following him for a long time. They might have some cultivation, but they were not too high. What did he have to fear?

“Such great courage!”

The night Immortal King’s eyes narrowed, exuding a cold light.

With her as the center, a wave of cold Qi suddenly spread out and swept in all directions.
