

The Mightiest Little Peasant Chapter 3338

“You’re making me leave again! You big liar!”

Ye Siyao’s expression darkened, and she pouted sadly.

“Xuexi agreed? That’s right, she’ll definitely listen to you. As long as it’s your business, she doesn’t have her own opinions at all. Really, this silly woman!” She was a little angry as she spoke.

Tang Hao laughed when he heard that.

Was she stupid?

You’re the dumbest one here, alright!

“What’s with that look? are you trying to say that I’m stupider? Hmph! At least on this point, I’m smarter than her. I even know how to refute you, but she just listens to you. ”

Ye Siyao puffed out her proud chest and snorted.

MMH! It seemed to have grown a little bigger!

‘Tang Hao thought to himself as he glanced at them.

This girl was a little silly and didn’t have any outstanding talent, but her figure was particularly hot.

“What are you looking at? haven’t you seen it before?”

Noticing his gaze, ye Siyao blushed and said shyly,”

“I didn’t even look!”

Tang Hao laughed.

“Tsk! You have the heart of a thief, but no guts!” She snorted again.”I was very magnanimous at first and wanted to let you touch me, but you’re such a coward. Forget it! Let’s wait for next time! I’ll let you try whenever you come to pick me up!”

With that, she stood up and stretched.”I’m going to play with xuexi. You can go!”

After he finished speaking, he quickly walked forward.

As soon as she left the cave, her eyes turned slightly red.

“This big liar, he’s really a liar!” She wiped her eyes and said angrily.

She stomped her feet and turned into a divine light and left.

Tang Hao stood up and watched her leave. He sighed and went to see the old silver Dragon. Mo hun and the old crocodile were not in the sect.

As for the old silver Dragon, he had been working hard to create Dragons for the past two years.

“Go back? No problem!”

The old silver Dragon was very straightforward. For him, it was the same everywhere. As long as he could bring his beautiful wife and beloved concubines, he would go to heaven.

“Next, it’s time to go to the Holy beast Palace!”

He left the Pingtian sect and headed for the Li Water Tribe continent.

As long as he could settle Fei Wan’s matter, he would have no other worries.

“The lower realm, you mean ... To return to the starry sky below?”

Yun feiwan was slightly taken aback.

“The situation is that serious?”

“I don’t know, but it’s always good to plan early.” “You can bring your clansmen, or even the entire Holy beast Palace,” Tang Hao said. “You’ll still be able to come back anyway. It’s just a temporary hideout.”

“I’ll listen to you, but it won’t be easy to convince the three old men. ”

Yun feiwan said with a frown.

“Just tell them that there will be a Great Tribulation in the immortal world soon, and it was the two immortal kings who told me. This way, they will believe you.” Tang Hao said.

“Good! Then I’ll try!”

Yun feiwan nodded.

He stayed in the Holy beast Palace for a few days before leaving. He went to the heaven spirit division continent and the immortal court, where he once again contacted the jieyin immortal.

“Celestial venerable Tang, didn’t I say that it’s enough to do this once? If we do it again, we’ll be easily exposed!”

Immortal jieyin grumbled.

Tang Hao did not say anything. He took out a heaven-earth bag and threw it over.

“Gulp!”

When he opened it, immortal jieyin’s eyes turned red and he swallowed his saliva.

“Alright! I’ll just do it again, I’m going all out!”

He said through gritted teeth, his expression incomparably excited.

So what if he was exposed? with these treasures, what was there to be afraid of?

“Someone will contact you when the time comes. Just like last time, you can bring her down.” Tang Hao said.

“Good! Please rest assured, celestial venerable Tang!”

Immortal jieyin stood up and said respectfully.

For the next few days, he stayed near the immortal court and waited until Ji Ruyin had prepared everything, came here, met up with immortal jieyin, and descended to the lower realm. Only then did he leave with a peace of mind.

“My fellow Daoist, you’re back!”

When he returned to the capital of the sacred Spirit Kingdom, he met the nation-protecting Saint.

“Daoist Xian Ling, there’s something I need to tell you.” Tang Hao said after some hesitation.

“Oh? What’s the matter?”

The nation protecting Saint was a little curious. “Dao friend, are you about to advance to the immortal King realm?”

“Not yet! It’s about the strange incident from before!”

“You mean, that void fluctuation? Do you know what happened? It was quite a big mess a few days ago.” The nation protecting Saint was shocked.

“I have a strong sense of foreboding about this. I keep feeling that something will happen, so I want you to make preparations. If necessary, you can take everyone from the celestial dynasty to hide in a small world.”

Tang Hao said.

With the foundation of the Saint spirit celestial dynasty, they would definitely have a way to escape.

“You also have such a premonition? I also had a vague feeling that something was wrong on a whim. Many fellow Daoists also seemed to have the same feeling.” The nation protecting saint’s expression was solemn.

“You’re right. We do need to prepare for a rainy day! It’s not a bad thing!”

Then, he nodded.

“Yup!”

Tang Hao smiled.

“Then I’ll go first!”

The nation protecting Saint cupped his hands and left with a serious expression.

“Young master, what’s wrong? You seem to have something on your mind!”

After returning to the bright moon Palace, Ji chunxuan saw him and walked up to him.

Tang Hao sat down and told her his thoughts.

“Sister ru Yin ... Has she left?”

Ji chunxuan was stunned.

“Young master, no matter what happens, Qiu Ci and I will always be by your side and support you. You don’t have to worry!” She said softly.

“I know!”

Tang Hao looked at her and smiled.

These two girls had been by his side for many years and could usually relieve his boredom. They would not leave him alone and be too bored and lonely.

He had never treated them as maids.

After chatting for a while, she left the hall.

Tang Hao sat cross-legged in the hall. His immortal soul emerged and soared into the sky.

Everything had been arranged, and the next thing was to search for immortal encounters as usual. He would take advantage of this time to get some wool from the immortal kings. He felt that he might not be able to get any soon.

In the blink of an eye, another three months had passed.

Everything went on as usual.

The immortal world was still revolving around the immortal encounter, and the immortals were all fighting for the immortal encounter, no different from before.

However, these immortal encounters were more than before. Not only did they appear more frequently, but the Dao accumulation in each Dao bead had also increased several times.

In just three short months, Tang Hao's cultivation level had risen by ten thousand stars, reaching the realm of eighty thousand stars.

He was only twenty thousand away from the peak of the zenith heaven realm.

"This aura is ... Immortal tribulation?"

One day, while Tang Hao was searching for immortal encounter as usual, he suddenly sensed the fluctuation of an immortal tribulation in the distance.

Upon closer inspection, the aura was far greater than the zenith heaven tribulation. It was clearly an Immortal King tribulation!

Finally, someone was about to make a breakthrough and break through to the celestial King realm!

"Who is it?"

He immediately activated his divine eye and looked into the distance.

All four corners of the celestial world were also shaken by this aura. Countless people looked in the direction of the fluctuation, wanting to see who was trying to prove their Dao and reach the celestial King realm!
