

The Mightiest Little Peasant Chapter 3356

“Hu!”

Tang Hao heaved a sigh of relief and sat down.

He didn't have any strength left.

Fortunately, the cultivation of this guy was low. If it was in the system of celestial cultivation, it would be in the earth celestial stage, so he could easily control it.

“My injuries are too severe, and there are still remnants of the heavenly Dao divine lightning in my body. I'm afraid it'll take a long time for me to recover. Why don't I use this guy's body first and use his identity to adapt to the divinity for a while?”

He muttered to himself as he looked at the handsome man on the ground.

This was the divine world, the territory of the Dragon count divine clan. As an immortal, he had no way to survive here, so he had to change his identity.

The fellow in front of him was no doubt a good choice.

No one would be able to tell if he had devoured his soul and taken over his body.

He did as he was told. His immortal soul left his body and entered the man's head.

He had easily devoured the divine soul of an earth celestial and occupied the body.

This was equivalent to possession.

With his abilities, as long as it wasn't someone at the ancestral God Realm, he wouldn't be able to discover it.

Wait ...

Just as he opened his eyes and familiarized himself with his body, his expression suddenly changed.

In his mind, countless information gushed out. It was the memories of the original owner of this body.

“F * ck! He's actually a perverted Bandit!”

He raised his hand and held his forehead.

He had actually taken over a perverted Bandit's body. When he turned his head to look, he saw a Pretty Woman lying on the grass at the side. The corner of his mouth twitched and almost split open.

There was no such thing as the worst, only worse ...

This was still a crime scene!

“Tangshan region...Mu Xiaoyao, God ...”

He pressed his temple and carefully went through all the perverted thief's memories. After a while, he completely digested them and had a detailed understanding of the current situation.

This was a corner of the divine realm, called the Tangshan domain.

This perverted Bandit was called Xiaoyao mu. He was a disciple of an evil sect and was a well-known perverted Bandit.

In this divine world, there were some places that were quite similar to the immortal world. There were also many sects and forces.

It was said that the surname mu originated from the MU clan and was a descendant of the MU clan.

“It seems that the gods race has learned a lot from the celestial race. The gods race in ancient times were not like this.” He muttered.

When the immortal Dao was at its peak, the Dragon count clan was still slaves to Immortals, and their numbers were not many.

It was only after the Dragon count clan had a heaven-shaking encounter that they began to rise.

The Dragon count clan had developed to this day, and it was already a large clan. It was even more prosperous than the immortal world back then. Many of their customs and traditions would definitely undergo huge changes.

Mid-level deity was the cultivation level of the original owner of the body, which was equivalent to the earth immortal realm.

Lower, middle, and upper corresponded to the heaven, earth, and man of the true immortal realm.

Above them were spirit gods, which corresponded to golden Immortals.

The celestial deity realm was equivalent to the Grand Luo immortal. All the Protoss geniuses he had defeated before were at this realm.

Above that was the Yang God Realm, which corresponded to the immortal King realm.

The strongest were the ancestor gods!

“This guy’s talent is not bad, otherwise he wouldn’t have become a perverted Bandit. In this day and age, being a perverted Bandit also requires strength, not to mention a famous perverted Bandit. If you’re not careful, you’ll be blocked by people.”

He muttered.

In the region of the Tangshan region, this perverted Bandit’s talent was not bad. He was a slightly famous expert of the younger generation.

“Forget it, I’ve already taken it, so let’s leave it at that! Perverted Bandit is perverted Bandit, it’s fine!”

Tang Hao stood up, patted his sleeves, and walked to his main body.

His main body’s injuries were too severe and needed to recuperate. Thus, he took out a mobile cave abode and kept it inside.

Naturally, he could not use the things he had on him. They were all stained with immortal Qi and were not useful in the immortal realm.

He kept them all and saved them.

Following that, he touched the silver robe on his body. It was barely acceptable. At least, it was a true God weapon, even though it was only a lower-level one. When he opened the ring on his hand, there were quite a few things inside.

“F * ck, what the hell is this? if it’s not poison, then it’s sleeping fragrance. He’s indeed a senior perverted Bandit!”

After scanning through the contents, his mouth twitched again.

However, in his eyes, these poisons and intoxicating fragrances were all small items that could only confuse true God Realm experts. In his ring, there were poisons that were tens of thousands of times more powerful.

Not to mention a true immortal, he could even take down a golden immortal-level spiritual God.

If he were to become a perverted Bandit, not many beautiful women in the world would be able to escape. However, he was not interested in that.

“This guy ... Forget it, just stay here. He’ll probably wake up soon.”

He glanced at the woman on the ground and muttered.

This woman was a highgod, one level higher than the God level of his current body. If he were to wake her up, he would be in great trouble. It must be known that he was currently a perverted Bandit.

“This celestial race woman doesn’t seem to be much different from a human. She should be like a demon, having taken on a human form.”

With a research mentality, he squatted down and took a closer look.

It had to be said that this perverted Bandit's taste was quite good. The woman on the ground was pretty and had a kind of cold air. She was the kind of ice beauty. Looking at her figure, it was graceful and curvaceous.

"Ahem!"

After a long while, Tang Hao finally retracted his gaze and stood up.

"Return to Xiao mang mountain!"

This perverted Bandit's faction was called Xiao mang mountain. It was an evil faction and the people there did not seem to have good behavior.

Tang Hao did not find it strange. If they were a proper faction, they would not have a famous pervert!

Bang!

He stomped his foot and rushed into the sky.

An hour later, he returned to the Xiao mang mountain.

This wasn't a big force, and the entire sect only had a few hundred people. Most of them were true gods, and there were also a few spiritual gods, which were golden Immortals.

These few spiritual gods were also the pillars of the Xiao mang mountain.

“Brother priest is back! That ice beauty, did you get her? How’s the taste?”

As soon as he landed on the mountain peak where his cave abode was located, someone came up to welcome him with a smile and a somewhat wretched expression.

“Al! Don’t say anymore, we were so close, what a pity!”

Tang Hao said, shaking his head.

His posture and tone were exactly the same as the body’s owner.

He had already devoured his soul. In addition, his acting skills were already superb, so he naturally would not reveal any flaws.

To him, disguising as a person was a piece of cake, even if this person was a perverted Bandit.

“Didn’t succeed?”

The man was stunned for a moment, then he exclaimed and slapped his thigh. “What a pity! It was such a pity! What happened? Brother mu, you’ve been planning for so long, how could you not succeed?”

He was even more puzzled.

This senior brother mu wasn’t the strongest in the mountain, but when it came to poisoning people, he was definitely the best. In the past, he rarely failed, so why did he return in defeat this time?

“That little girl was lucky. She was unconscious, but someone came out from the side and ruined my plan.”

Tang Hao shook his head and cursed.

“Someone’s ruining things! That’s a pity!” The disciple shook his head and sighed.

They chatted for a while longer, then Tang Hao entered the cave abode.
