

The Mightiest Little Peasant Chapter 3359

“Good day, master!”

Tang Hao met his cheap master in a large hall on the mountain peak.

He looked like he was in his forties and was dressed in black. He was tall and strong, and his appearance was rough. He did not care about his appearance and looked like a cultivation maniac.

He was indeed a cultivation fanatic. Otherwise, master’s wife would not have been neglected and seduced by his disciple.

“Xiaoyao, I heard that you’ve been in seclusion all this time? Very good! It’s rare to see you so hardworking!”

His cheap master took a sip of tea and cast a look of approval.

“This disciple is brave after knowing shame!”

Tang Hao said with a smile.

“Good! Very good!” His cheap master laughed and looked very pleased. “It’s okay to fail once. Next time, you will definitely be able to win over that little beauty and bring honor to our firmament mountain.”

Tang Hao’s mouth twitched when he heard that.

Can this kind of thing also make you proud?

Perhaps this was the evil faction!

“Master, what did you call me here for? If there’s nothing else, I have to continue my closed-door cultivation.” Tang Hao said respectfully.

“Oh! Here’s the thing, I have a mission for you. Go with your Senior Sister to long mountain City.” His cheap master said.

Tang Hao was surprised, but he quickly understood.

This long mountain City was the largest city in this area. It was the trading center, and all transactions had to be done there.

Even if the Xiao mang mountain was an evil sect, they still had to do business, sell some things, and buy some scarce resources.

“Why me? Moreover, why must he be with Senior Sister? Master, it’s not like you don’t know that Senior Sister doesn’t like me. If I go with her, she’ll definitely make things difficult for me.”

“Elder tu is busy, so he can only send your disciples. You and her are the strongest among the disciples ... It’s fine if she doesn’t like you. She’ll just make a trip to long mountain City and be back soon.”

His cheap master said as he waved his hand.

“Alright!”

Tang Hao pretended to be reluctant and agreed.

He left the hall and came to the foot of the mountain. He saw his cheap Senior Sister.

His face was still tense and cold as ice.

Even their gazes were filled with disgust.

“Hello, big Senior Sister!”

Tang Hao grinned, then glanced at her curvaceous body.

“Hmph!”

She snorted again and raised her snow-white neck, her expression full of disdain.

“Senior Sister, let’s go together!”

Tang Hao flicked his sleeve, and a divine light flashed, turning into a black Luan.

She immediately glared at him and waved her sleeve, summoning a rainbow Luan.

With a tap of her toes, she lightly jumped onto the bird’s back and sat down.

She deliberately turned her back, but this sitting posture perfectly showed the beautiful curve of her back, her plump buttocks and thin waist, which was soul-stirring.

Tang Hao stared at it for a while, and his expression turned strange.

His current identity was a perverted Bandit, so he had to act well. If it was an ordinary woman, he could act it without any psychological burden. But the woman in front of him was quite outstanding.

It would be a little awkward if this continued.

“What are you looking at? hurry up and leave!”

A cold shout.

The rainbow Luan flapped its wings and soared into the sky.

Tang Hao stood where he was and laughed.

Then, he jumped onto the bird's back and followed.

Everything in the God World was bigger than the immortal world. The mountains were bigger, the lakes were bigger, and the territory was more vast. The Luan flew for half a day before it could see the silhouette of long mountain City in the distance.

This city was so big that it seemed boundless.

Tang Hao was stunned by what he saw.

The largest Immortal City he had ever seen was not even one-tenth the size of the city in front of him.

“Maybe the God race’s main body is big, so everything has to be bigger! Oh! “This doesn’t count ...” He muttered and suddenly glanced at his crotch.

The transformation of a God was not something he could control at will. It also depended on one’s bloodline. Therefore, one’s appearance and body could be considered to be innate, even more real than that of an immortal.

Therefore, the words below were also very real. They were not all boundlessly big.

However, this guy was not only a perverted Bandit, but also very popular with the senior and junior sisters in the sect, so he was naturally not young and could be considered quite outstanding.

After flying for a while more, they finally reached the city gate.

From all directions, many strange beasts flew over and landed at the entrance.

One figure after another landed. Some were in armor, some were in long robes. If one ignored the divine crystal on their foreheads and their unique auras, they were no different from humans.

Tang Hao observed their auras and could more or less tell what they were.

The majority of them were low-level deities, and they could even be seen at the Saint level. There were very few gods.

Occasionally, we’ll even see a few highgods.

As for the spiritual God Realm, he did not see any of them.

The spiritual God Realm was equivalent to the Golden immortal realm. In the Tangshan region, one could be considered an expert and an elder of a force.

Whoosh!

The rainbow Luan in front was the first to land.

The cheap Senior Sister, who was dressed in an icy blue tight suit and had a hot figure, jumped down, attracting many stunned gazes at the city gate.

“They are from Xiao mang mountain!”

Then, their expressions changed.

Xiao mang mountain was a famous evil sect with a fierce reputation.

“Isn’t that the perverted Bandit?”

“That’s right! It was him! I heard that half a month ago, he made a move again. He’s really stubborn. Why hasn’t anyone taken action to get rid of such a scourge?”

“I also heard about it, but it seems ... I didn’t succeed! I heard that the person had a body examination and was unscathed. It’s really strange that the person fell into his hands and nothing happened in the end. Don’t you think it’s strange?”

“It’s quite strange. No matter which man gets his hands on such a beauty, he can’t resist it. How can he be fine? is he dying?”

“Mm! It was possible! Maybe he took too much medicine and became disabled!”

Many people were pointing at Tang Hao at the entrance.

The men were all filled with righteous indignation and wanted to immediately draw their knives and slash at him. As for the women, they all revealed frightened expressions, as if they had seen something extremely terrifying, and hurriedly retreated.

However, after discussing for a while, the men’s gazes became strange, and some even revealed a look of pity.

They were of the God race, with powerful bloodlines and strong bodies. Generally speaking, it was impossible for them to not be able to do it, unless they took medicine randomly and ate something bad.

F * ck! You guys are the ones who can’t do it!

Tang Hao rolled his eyes and cursed in his heart.

Although he knew that these people were calling him a perverted Bandit, he was now wearing the skin of a perverted Bandit and was being scolded. Naturally, he felt a little uncomfortable in his heart.

Especially when these people suspected that he was going to die.

“Move!” He shouted.

In front of him, the cheap Senior Sister shouted coldly.

Everyone in front of the door was silent and took a few steps back to make way.

“Let’s go!”

She turned around and glared at him, then stepped into the city.
