

The Mightiest Little Peasant Chapter 3368

Tang Hao sneaked back to firmament mountain.

As he shot a nine-colored divine light into the sky, the Tangshan region was in chaos. People from all sides rushed to the Black Lotus sect.

Before long, there might be people from other regions coming over, and the situation would definitely be more chaotic.

At this time, it was better to stay at Xiao mang mountain.

He still had many things to do. First, he had to familiarize himself with the changes in his divine crystal. Then, he would use the Yang God's corpse to refine a treasure for himself.

He sneaked back to his immortal's cave and checked the divine crystal between his eyebrows.

"I think I've advanced ..."

A moment later, he came to a delightful conclusion.

This divine crystal of his had been upgraded from the flawless level to the perfect level.

Although there was still the highest level, it was already the highest level in the current divine realm. Those top geniuses of the divine race were all at the perfect level.

In terms of bloodline, he had already caught up to this group of Protoss geniuses.

“It’s only a small piece, and it’s already been upgraded from flawless to perfect. If I get a few more, I might be able to reach the Supreme level!” He muttered.

However, he also knew that this was a divine item that could only be encountered by luck. It was already very difficult to obtain one.

A moment later, he gathered his thoughts and took out the Yang God’s skeleton.

He pulled out the spine and began to refine it.

In the blink of an eye, half a month had passed.

The treasure had long been refined, and he spent the rest of his time studying the gods race’s alchemy and smithing Dao.

“Good Morning, Senior Sister!”

It was early in the morning when he went out again.

Clouds and mist curled up in the mountains, creating an ethereal and ethereal scene.

The cheapskate Senior Sister happened to pass by. She was still wearing that ice blue tight suit. It was simple and neat, but it also perfectly highlighted her hot figure. As she walked, she trembled, with an indescribable amorous feeling.

Her face was cold, elegant, and beautiful.

As she walked, there was a faint frosty air around her, making her look like an ice fairy.

Tang Hao's eyes brightened.

This Senior Sister Bing Shan was truly an anomaly in the Xiao mang mountain.

Xiao mang mountain was a well-known evil sect. There were murderers and perverts everywhere. However, this Senior Sister was untainted by the mud. He had never heard of her doing anything bad.

Hearing the voice, she stopped in her tracks and turned around.

"What are you doing in the sect?"

She furrowed her brows in surprise.

"Why can't I be in the sect?" Tang Hao was surprised.

"You better leave quickly, don't drag the sect down." She shouted coldly.

"Why?"

Tang Hao was even more confused.

Could it be that the Blacklotus sect master had discovered his identity after half a month?

"You don't know?" She was a little surprised.

“How would I know? I’ve been in seclusion in the mountains for half a month.” Tang Hao was confused.

“Half a month ... Then you probably don’t know, but many people have come from the Tangshan region. They are all from the East continent’s hundred regions. They are all here to investigate the nine-colored phenomenon.” Senior Sister Bing Shan hesitated for a moment and said.

“That has nothing to do with me!”

Tang Hao mumbled.

“Hmph! Don’t you know what you’ve done in the past? You’ve harmed so many women. Even the ice beauty from Hidden Dragon Mountain almost fell into your hands. Now, Hidden Dragon Mountain has Allied themselves with the people from tai Qing Palace.”

“This time, the saintess of the Tai Qing Palace came in person and said that she would seek justice for her and kill you, you perverted thief!”

Senior Sister Bing Shan gritted her teeth and snorted.

“Ah?”

Tang Hao was stunned when he heard that.

So it’s because of that dirty matter with perverted mu! He thought that his identity had been exposed and it was a false alarm.

“Tai Qing Palace? Saintess? Is she pretty?”

He asked subconsciously.

“What do you think? The most beautiful woman in the hundred territories of the East continent!” Senior Sister Bing Shan said, “didn’t you brag before that you would sleep with the number one beauty of the hundred territories one day? Now that she’s really here, you’ve forgotten everything?”

“Ha! There’s a day where you’re afraid too!”

As she spoke, the corners of her lips twitched and a hint of ridicule flashed across her face.

“Afraid? Why would I be afraid? She’s just a woman, what’s there to be afraid of!” Tang Hao chuckled.

“I forgot to tell you, she’s a heavenly God now!” Senior Sister Bing Shan said coldly, “furthermore, she has gathered many geniuses from the hundred territories around her. Some of them are at the heavenly God Realm, and even the weakest of them are at the spiritual God Realm.”

“It’s normal!”

Tang Hao nodded.

He remembered the number one beauty of the hundred territories. The lecherous mu had indeed clamored and said that he wanted to sleep with her.

As for this tai Qing Holy maiden, not only was she devastatingly beautiful, but her talent was also extremely high. With a first-grade divine crystal, she was already a top genius in the East continent. That was why she could become the Tai Qing Palace’s Holy maiden.

Every time this saintess went out, there would always be some suitors around her, surrounding her every day.

“What geniuses of the hundred territories? they’re just a bunch of lackeys!”

Tang Hao said disdainfully.

In his opinion, the treatment of these bootlickers was even worse than those around green tea.

When green tea was really a bootlicker, at least he could talk to her heart-to-heart, talk about heaven and earth, drink and have a good time with her. They would be true confidants. But as a bootlicker of the Tai Qing saintess, he would not get anything. He was the kind of person who would lick until the end and lose everything.

“A bootlicker?”

Senior Sister Bing Shan was stunned.

What was a bootlicker? A species of dog that she had never heard of?

She didn’t probe further. From her tone, she knew that it was an insulting word.

“Hmph! You’re just at the middle level. Any one of them can beat you up and make you run away. How dare you talk big and look down on them?” She snorted coldly.

“Hey! They’re just a bunch of bootlickers, there’s nothing to be afraid of!”

Tang Hao chuckled. He was not afraid at all.

“It doesn’t matter if you’re afraid or not. The elders are afraid, even your master and mistress are afraid. If they know you’re in the sect, they’ll definitely drive you out.” Senior Sister Bing Shan said, “it’s better for you to leave as soon as possible and draw the attention of that group of people away. Don’t implicate the sect.”

“Alright!”

Tang Hao nodded.

He was planning to leave. Now that he had finished refining the treasures, it was time to leave.

If he stayed here, he would be seduced by both his beautiful master’s wife and his flirtatious Junior Sister. He was afraid that he wouldn’t be able to resist!

Senior Sister Bing Shan was stunned. She did not expect him to agree so easily.

“Brother priest? What are you doing here?”

“Senior brother, you should run! If she knew that you were here, that woman would have definitely rushed in with that group of people. ”

At this moment, some disciples noticed him, and they all looked a little flustered.

Now, this senior brother mu was a hot potato!

“Senior brother, you should run! The further the better!”

“Wuwuwu! Senior brother, you’re so miserable!”

Upon hearing the commotion, many disciples rushed over.

Some of them took out a few divine coins, some of them took out bottles and jars, and stuffed them into Tang Hao’s hands. They all looked reluctant to part with him.

However, Tang Hao knew that these people wanted him to leave as soon as possible.
