

The Mightiest Little Peasant Chapter 3371

“Not good!”

Behind the veil, the Holy maiden’s figure swayed slightly.

She only felt her consciousness go into a daze, and even her vision became blurry.

She was also poisoned!

She felt incredulous. How could she still be poisoned with her cultivation level?

To be able to poison her, it had to be the world’s best poison. But how could a poison of this level appear in the tiny Tangshan region?

She sat cross-legged and was about to channel her energy to force out the poison in her body.

Whoosh!

At this moment, the gauze curtain was torn open.

She looked up and was so shocked that she turned pale.

A few pairs of Scarlet, beast-like eyes appeared in front of her.

She subconsciously wanted to escape, but her entire body was powerless, unable to even muster up a bit of divine essence.

“Brother Qi, brother ning, wake up!”

She could only groan weakly.

However, this groan undoubtedly stimulated them even more, causing their beastly nature to erupt. With a loud roar, they were about to pounce forward.

“Freeze!”

Just as she was about to give up all hope, a clear shout came from the front.

Those few figures instantly froze.

Whoosh!

A figure lightly swept over and landed on the Lotus seat.

“Who ... Who are you?”

The Holy maiden tried her best to open her eyes, trying to see the person’s appearance, but her vision was blurry and she could not see anything clearly. She could only see that the person had come close, squatted down, and pulled off her veil.

“The number one beauty of the hundred territories ... Is indeed worthy of her name!”

“Wow!” Tang Hao exclaimed.

In front of him was an exquisite and flawless face that was breathtakingly beautiful.

She had a sharp oval face, beautiful eyebrows, a sharp nose, and red lips like cherries. She was extremely attractive.

Her perfect facial features were not her greatest strength. She had a strong holy aura, noble and not to be blasphemed.

Tang Hao had seen such an aura before.

Ji Ruyin had such a pure and holy aura, but it was not as strong and extreme as her.

Xuan Mei and the night Immortal King were exuding an extremely alluring and soul-stirring aura. The one before them, on the other hand, was pure and holy. One look at her was enough to make one feel ashamed and unable to have any thoughts of blasphemy.

However, even though she was Holy, her figure was still quite good.

Tang Hao glanced down and nodded to himself.

“You ... Poisoned me?” he asked.

The saintess “body swayed, her beautiful eyes almost unable to open, her red lips moving, she could only Mutter a muffled murmur.

“Didn’t you want to kill me? I’m coming!”

Tang Hao grinned.

“You ... It’s you?”

Her body trembled in disbelief.

Her lips moved as if she wanted to say something more, but the next moment, her eyes closed and she fell backward.

Tang Hao stepped forward and lifted her up.

“Let’s go!”

Carrying the beautiful saintess, he jumped off the Lotus platform.

It was chaos outside.

They were either fallen or in heat. They rolled together in pairs, which was simply an eyesore.

“Argh! And her ...”

He looked left and right and saw the cold beauty lying in the crowd. She had not been noticed yet, but she would be in trouble later. He did not want to let this group of people take advantage of her.

He grabbed the ice beauty and threw her out of the mountain. Then, he stripped the group of geniuses naked, carried the saintess, and tore open the void to leave.

On the square on the mountainside, the chaos continued, and the situation became more and more intense.

His voice was so loud that it gradually spread to every corner of the hidden Dragon Mountain.

Some of the hidden Dragon Mountain disciples were stunned when they heard this, and they had strange expressions on their faces.

When they flew out of the cave abodes and palaces, they were all stunned when they looked over.

An elder rushed out to take a look. He was stunned for a while, then his body trembled and he almost fainted.

This was definitely not normal. Even if they were drunk, a group of men would not hug each other. Something must have happened. Someone was playing tricks!

And these people were all geniuses from the major forces of the hundred territories!

If he didn't handle it well, his Hidden Dragon Mountain would be gone!

"Hurry up! Quickly go and call back the elders of the Tai Qing Palace!"

"The Holy maiden ... Has disappeared!"

When they took a closer look, they couldn't help but discover an even more frightening situation.

The saintess of the Tai Qing Palace had disappeared!

“The heavens want to destroy our Hidden Dragon Mountain!” Some elders beat their chests and stomped their feet, crying out in sorrow.

A moment later, several divine lights swept over from the sky and landed directly.

There were a total of three people, all wearing green robes. The one in the lead had the appearance of an old man with a face full of white beard.

Looking at the mountainside, the three of them were also stunned.

They had never seen such an unsightly situation in their long lives.

“How could this be? With their cultivation, who can poison them?”

“The Holy maiden is not here. Where did she go?”

When they came back to their senses, they all exclaimed in shock.

“The two of you, go and restrain them and make them wake up. I’ll investigate the whereabouts of the saintess!” The leading old man turned around and sternly shouted.

“Yes!”

The two people behind him landed and attacked one after another, separating the group of people and restraining them with spells.

As for the old man, he stood in the air and closed his eyes.

He spread out his divine sense and searched in all directions for the saint's aura.

"No, I didn't!"

After a long time, he opened his eyes and revealed a dejected expression.

He had searched almost the entire Tangshan region, but he could not find the saint's aura.

"How ... Are these people?"

His body sank and he fell down.

"I don't know what kind of poison it is, but its effect is unbelievably strong. I've never seen such a powerful poison. I'm afraid it's some old monster from the sun god!" An elder tai Qing was crouching down and checking on an unconscious genius.

"Sun god?"

The white-bearded old man's eyes narrowed, and a look of shock flashed through them.

If it really was the sun god old monster, then it would be troublesome.

"Which old monster can use poison so well?" Then, he thought about all the Yang God powerhouses he knew, but none of them fit the criteria.

“We’ll ask them when they wake up!”

After a long while, he flicked his sleeves and said in annoyance.

He had been here for more than half a month, and not only did he not gain anything, but now this had happened. He was really unlucky.

“What’s wrong with me?”

After two to four hours, someone finally woke up. When he saw his own appearance, he was instantly dumbfounded.

Then, some vague memories came to his mind, causing him to tremble as if he had been struck by lightning.

Plop!

He sat on the ground, his face ashen.

It’s finished!

He was completely finished!

He had actually done such a beastly thing. If word got out, his reputation would be destroyed.

“Who is it? Who did this? I’m going to kill him!”

Then, he got up from the ground with a crazed look in his eyes.

In all directions, people were waking up one after another. Some were like him, with crazed expressions, while others had blank expressions. They had no idea what had happened at all. They felt that they had just fallen asleep, but there seemed to be a faint pain in their buttocks. They didn't know what had happened.
