

## The Mightiest Little Peasant Chapter 3373

“He ... Is he really unable to do it?”

Su lingsu lowered her head and looked at her perfect body in a daze.

He had been captured and his clothes had been taken off, but he was still intact!

If she was an ugly girl, this was normal.

However, she was the Grand Pure Holy maiden, the most beautiful woman in the hundred territories!  
How many geniuses and heroes had fallen head over heels for her!

This was very abnormal!

The only explanation was that this guy couldn't do it.

Thinking of sister Yun's previous experience, she was also like her. Although she was kidnapped, her body was still pure. This was enough to show that this perverted Bandit was not going to make it!

It must be retribution for all the evil he had done in the past!

“He deserves it!”

She gritted her teeth and cursed angrily.

“Put on your clothes first!”

A moment later, she felt that something was wrong. She stood up and picked up the clothes that the guy had thrown down.

“What kind of clothes are these?”

She picked one up and opened it. Her face turned red.

This was ... Too thorough!

“Bastard!”

With a red face, she cursed through gritted teeth.

Abnormal! Vulgar! Bad taste!

She cursed all the words she could think of in her heart.

However, after struggling for a while, she still put it on because she had no clothes left. Her ring had also been taken away, and she had nothing on her.

After putting on her clothes, she looked down and felt her cheeks burning.

This kind of clothes really didn't suit her, the Saint of tai Qing Palace.

As a Holy maiden, she should have been pure and flawless, but now, wearing these shameful clothes, she felt that she had suddenly fallen.

“When I get out and recover my strength, I’ll definitely kill this despicable pervert and cut him into a thousand pieces!”

She clenched her fists and said fiercely.

At the thought of her own strength, she looked inside her body and sighed dejectedly, falling to the ground.

Only the heavens knew what that fellow had done to seal her divine sea so tightly. Even her divine soul had been suppressed and was pitifully weak.

“This little perverted Bandit, where did he get such a method?”

She mumbled, her brows tightly furrowed.

All of this was so outrageous.

A puny mid-level deity had bewitched a group of heavenly gods and even sealed her, a heavenly God expert. No matter how she thought about it, this was impossible!

“Unless ... He has the support of an expert who gave him a poison that was enough to knock out an enlightened master. He even personally sealed my strength in order to deal with my tai Qing Palace ...”

Suddenly, her mind moved and she felt enlightened.

Everything made sense when he thought about it this way.

This little pervert was just a chess piece, used by the master to deal with her tai Qing Palace.

Thinking about it this way, she felt a little better. Compared to falling into the hands of a little perverted Bandit, falling into the hands of an expert was undoubtedly more dignified.

“As long as I can hold on for a while longer, the elders will definitely find me and save me!”

She believed that no matter who this master was, he was no match for her tai Qing Palace.

Very soon, she would be saved.

However, half a day passed, then a day passed, and there was still no movement at all.

At first, she was suspicious, then she was confused ...

On the third day, she was already feeling a little hopeless.

Logically speaking, three days should be enough for the elders to find her. But now, there was still no movement at all.

“It’s here!”

Tang Hao passed through the passage and entered this world.

He looked around and found her by a stream.

“It’s time to change!”

He landed on the ground, took out a pile of clothes, and threw them over.

“You ... Pervert!”

Looking at the style of the clothes, su lingsu’s face turned red immediately. She scolded, “I won’t change! Even if you kill me, I won’t change!”

“That’s not up to you. If you don’t want to change, I’ll change it for you!”

Tang Hao chuckled.

“You ...”

Su lingsu’s eyes widened in anger, and her gaze was like a sharp knife as she glared at him, as if she was trying to kill this pervert with her gaze.

However, after looking at each other for a moment, she suddenly lost her breath.

This guy was a notorious lecher. Although his body couldn’t take it anymore, he must have many other ways to humiliate her. If she really provoked him, she would be the one who suffered.

“Then ... You turn around!”

She lowered her head and blushed.

"It's not like I haven't seen it before!" Tang Hao mumbled.

"You ..."

"Alright! I'll just turn around!" Tang Hao rolled his eyes and turned around.

"Bastard!"

Su lingsu gritted her teeth in anger.

"Are you done?"

Tang Hao shouted after a while and turned around.

She was so frightened that she immediately squatted down and used her clothes to cover her body."I haven't! Don't you turn around!"

"Alright, I'm done!"

After a while, she finally finished and called out in a voice as soft as a mosquito 's.

Tang Hao walked over and picked up her clothes. He rolled them up and put them in his pocket.

"You ... What are you doing with my clothes?"

She could not help but ask.

He must have some perverted purpose! She said to herself.

“Give it to those bootlickers, oh no, your admirers. They must like it very much.” Tang Hao said with a smile.

“How is that possible?”

Su lingsu said decisively.

How could brother ning, brother Qi and the others like this kind of thing? they were all upright gentlemen. How could they have such perverted hobbies like this pervert?

“You don’t understand!”

Tang Hao smiled. “You’ll know when the time comes.”

“I believe that they won’t want it. They won’t even touch it.” Su lingsu raised her head arrogantly and looked at the pervert in front of her with contempt and pity.

Did this perverted demon really think that all the men in the world were as filthy as him?

“Why don’t we make a bet?”

Tang Hao looked at her and smiled.

“Alright! If I win the bet, you’ll let me go! Do you dare to bet?”

Su lingsu said in a provocative tone.

In her heart, she was secretly happy. If this guy dared to agree, she would definitely win.

“Alright! But what if you lose?”

“I will lose? How was that possible? If I lose, you can do whatever you want!” Su lingsu said proudly.

She would never believe that she would lose.

Tang Hao looked at her from head to toe, then shook his head. He looked disinterested.

“You ...”

Su lingsu’s beautiful eyes widened in embarrassment and anger.

What did this guy mean by that?!

She was the number one beauty of the hundred territories, but in his eyes, she had no charm at all?

It was simply a great humiliation!

“Alright! Then it’s decided! Just wait and see!”

Tang Hao nodded reluctantly.

Then, he soared into the sky and left this world.

“This bastard, this beast ...”

Su lingsu stood rooted to the ground, stomping her feet in anger. Her full chest heaved up and down rapidly.

“When I get out, I’m going to catch him and suppress my cultivation. Then I’ll torture him and make him regret it ...” She clenched her fist and swore fiercely.
