

The Mightiest Little Peasant Chapter 3375

“It’s mine!”

“Get lost! It should be mine!”

There was a mirror in front of su lingsu.

The mirror showed a chaotic situation.

A group of heaven’s favorites were fighting each other, and what made their faces turn red was just a piece of clothing.

Her pair of beautiful eyes widened, and her cherry-like mouth was also wide open. She was petrified.

She could not believe her eyes.

Were these people crazy?

Didn’t he always act like a gentleman in front of her?

Why was it that at this moment, he was red in the face just to fight over a piece of her clothing?

She felt that her world view was about to collapse.

“How is it? Are you convinced?”

Tang Hao stood aside and smiled.

“How ... How did this happen?”

Su lingsu turned around and looked at him in a daze.

“You’re too naïve and innocent. Do you think that men surround you because of your interesting soul? No, they just want your body. When they can’t get your body, even a piece of clothing can satisfy many of their imaginations.”

Tang Hao said.

She opened her mouth, as if she wanted to say something to refute.

However, looking at the scene in the picture, she finally shut her mouth.

“Besides, even if some of them didn’t have such thoughts, they would still fight for it because this thing is in high demand. It can be sold for a good price. In this day and age, who can’t get by with money?”
Tang Hao said.

In the eyes of the fanatical fans, the clothes of the Tai Qing saintess were worth a sky-high price and better than any treasure.

“You ... You’ve won!”

Su lingsu looked at it for a while longer, then turned her face away and said dejectedly.

“I’ve told you!”

Tang Hao grinned and put the mirror away.

“I, su lingsu, am a man of my word. A loss is a loss, and I won’t go back on my word. Whatever you want to do now, I won’t resist.” As she spoke, she closed her eyes and looked like she was at his mercy.

“Is that so?”

Tang Hao walked up to her and studied her perfect face.

Her eyelashes were black, long, and curled.

Perhaps she was a little nervous, her eyelashes were trembling slightly.

Going down from her exquisite nose was a full, cherry-like mouth. It was slightly pursed, and her full lips seemed to have been smeared with something. They were bright and beautiful.

Sensing the approaching aura, her delicate body gradually tensed up and trembled slightly.

Although she was sure that this fellow was not going to make it, he might use other ways to torture her.

She had heard that once a man had a problem in that area, his personality would become extremely strange, even perverted.

“It’s a pity that I’m not interested in you!”

Tang Hao studied the situation for a while, then shook his head and took a step back.

“You can’t do it!”

She opened her eyes subconsciously and sneered.

However, she regretted it the moment she finished speaking.

Wasn’t she just adding oil to the fire!

It’s finished! It’s finished! This is bad! She wailed in her heart.

“You’re playing with fire!”

Tang Hao’s eyes turned cold.

She looked up and her delicate body immediately trembled. She shivered and her beautiful face turned pale.

What a terrifying pair of eyes!

It was bone-chillingly cold, like ice that would never melt, and contained a shocking killing intent ... She had never seen such a strong killing intent before. How many people must he have killed to have such a terrifying aura!

“These are your clothes, remember to change into them!”

Tang Hao glared at her coldly, then left the pile of clothes behind and turned to leave.

“He ... Is he really that little pervert?”

Su lingsu stood rooted to the ground, unable to come back to her senses.

That little pervert was an ignorant and incompetent guy. Although he had some talent, he had always been sloppy. How could such a person have such a terrifying gaze?

In that gaze, she not only saw a shocking killing intent, but also a sense of arrogance and pride.

She had never seen such an overbearing aura before.

“He shouldn’t be that perverted Bandit, but the expert I guessed before. Who is he? And why did you pretend to be that perverted Bandit?” For a moment, she fell into deep thought.

“Hmph! What are you being fierce for, and these tattered clothes, what master, he’s just a pervert with a bad taste!”

After a long time, she came back to her senses and looked at the clothes on the ground. She couldn’t help but stomp her feet and her face turned red.

After leaving the mobile abode, Tang Hao changed his appearance and went around to investigate.

“Not bad!”

He was quite satisfied.

At this moment, not only the Tangshan region, but the entire hundred regions of the East continent were in an uproar. Countless people rushed over from all directions to kill him and save the saintess.

Groups of people could be seen flying everywhere in the Tangshan region.

These people were all his targets.

“Let’s start!”

With a thought, he activated a hidden array.

“What’s that?”

“There seems to be a flash of divine light, could it be ...”

Not far from the formation, a group of people happened to pass by.

They looked at him, and their expressions became heated.

They had heard that the perverted thief had a perverted interest. He would take out the saint’s clothes and hang them on the tree for people to steal.

“Hurry up!”

They shouted and rushed over.

The saintess's clothes were currently in high demand and could be sold for a high price.

“Hahaha! As expected!”

When they arrived at the mountain, they were overjoyed.

There was indeed one in the mountain.

“I’ll take it!”

“Bah! I should be the one taking it!”

They argued and fought to be the first to rush over.

However, when they got closer, the void around them shook. When they looked again, they were already in another void.

“What’s going on?”

They looked around and were all shocked.

“It’s fine, it might just be a small formation set up by that perverted Bandit, don’t worry!”

Someone shouted as he calmed down.

Everyone heaved a sigh of relief when they heard that.

That's right! Their opponent was a perverted mid-level deity. Even if he had some powerful poison in his hands, he wouldn't be able to hurt them since they were prepared.

"Everyone, I've been waiting for a long time!"

Suddenly, a chuckling sound was heard behind them.

When they turned around, they were all stunned.

Wasn't this handsome guy in a silver robe in front of him that perverted Bandit?!

Hahaha!

They couldn't help but laugh out loud, overjoyed.

"Perverted Bandit, you actually dare to show yourself, you're really seeking death!"

The leader of the group, a burly man, laughed out loud. His body moved, and he pounced forward, wanting to capture this perverted Bandit.

"Is that so?"

There was a light laugh.

The burly man only felt a blur in front of his eyes. The figure suddenly disappeared, but in the next moment, it appeared in front of him like a ghost. Those eyes looked at him calmly, without a single ripple.

He clenched his fist and punched over lightly.

Bang!

A soft sound.

The burly man watched in horror as his palm split open. His bones exploded, and blood and flesh splattered everywhere.
