

## The Mightiest Little Peasant Chapter 3377

“There really is an old devil!”

Tang Hao also noticed that someone else was hunting these people.

He was presumably the old devil that the world was talking about.

This was a good thing for him as it could help him attract the firepower.

He didn't want to expose himself for the time being. Once he was exposed, people would know that this was a trap, and he wouldn't be able to continue harvesting.

“I saw it! It was the bloodthirsty Demon Lord! Fortunately, I ran away quickly. Otherwise, I would have to pay for this trip.”

“He's not the only one! I heard that there's also an old demon Gongyang. Someone has seen him.”

On this day, he was sitting in a restaurant, trying to gather information.

The restaurant was filled with people, and it was extremely lively.

They were all discussing the matter of the old demons. When they spoke of them, their faces revealed a bit of fear.

Only late heavenly God experts could be called old demons.

In the 100 domains of the East continent, there were very few sun gods, but late heavenly gods were famous experts who could dominate a domain.

“Hey! There’s nothing to be afraid of. Let’s wait for a few days and see if these old demons will run away. The people of the Tai Qing Palace will definitely target them.”

“Yup! Everyone is trying to help them find their saintess. These old demons jumped out to cause trouble, the people of tai Qing Palace will not let them off.”

There were also people who didn’t care.

These old demons could only take advantage of this time to cause a ruckus.

“It’s really strange. It’s been a month and a half since the saintess was kidnapped. We’ve searched the entire Tangshan region several times, but we still can’t catch that thief.”

“Yup! It was too strange. The people of the Supreme purity Palace used their spiritual will to scan the entire Tangshan region every day but could not find anyone. However, that little thief could still jump out from time to time and throw out some clothes of the saintess. It was simply strange! Could he be invisible?”

After a while, the topic returned to the Saint.

They all looked a little dejected.

With so many people searching for him for more than a month, it was really embarrassing and even a little strange.

If the opponent was a sun god old monster, this would be normal, but the opponent was just a little perverted Bandit!

When they came, they were all in high spirits, as if they had been injected with chicken blood, but now, each and every one of them was wilted.

In the corner, Tang Hao grinned.

He was really invisible. With the immortal King treasure garment, these people couldn't find him at all.

As for tracking her, it was even more impossible. He wiped away all her aura and sealed the immortal's cave where the saintess was located, covering all traces of her aura.

"Al! It's been one and a half months, I wonder how the saintess has been defiled!"

Someone said regretfully.

"What do you mean defiled? I heard that ... That perverted Bandit is already on the verge of death. Previously, he had captured that little girl from Hidden Dragon Mountain but was unable to defile her. I think the reason why he had kidnapped the saintess was because the saintess wanted to kill him. That's why he used such a method to take revenge."

"I heard that too. That guy can't do it!"

As the crowd spoke, they all revealed a mocking smile, gloating over his misfortune.

"I believe that little thief will give himself away sooner or later. At that time, I'll see how he dies!"

“I heard that the one from tai Qing Palace is about to come out of seclusion. When he arrives, where can that little thief hide?”

They continued to discuss, occasionally sneering.

Tang Hao smiled when he heard that. He picked up the jar of wine in front of him and took a big gulp.

He only left after he was full.

In the blink of an eye, another half a month had passed.

In this half a month’s time, he had greatly increased his speed.

He had to kill more people while the old demons were still around.

Once those old demons were driven away, if he killed again, it would arouse the suspicion of the world.

In addition, it was said that the one from the Supreme purity Palace was about to come out of seclusion. There was no need to fight a Celestial King for the time being. He was prepared to wait for the arrival of this person, then set up this stall and leave for the divine Kingdom.

“Eight-star!”

One day, after absorbing the divine crystal, he successfully advanced to the eight-star realm.

“Work harder and strive for nine stars!”

He opened his eyes and muttered.

After leaving his hiding place, he continued to move and sped up his actions. He had to make sure that he broke through to nine-star before the person from the Tai Qing Palace arrived.

Soon, another ten days passed.

For the past ten days, he had been acting like a madman and killed many heavenly God-tier powerhouses. With his current cultivation level, only heavenly God-tier powerhouses could help him increase his cultivation level. Spiritual God-tier powerhouses were no longer of much use to him.

“It’s done!”

After half a day, he devoured all of them. His cultivation also broke through smoothly and entered the nine-star realm.

“It’s time to go!”

He opened his eyes and heaved a sigh of relief.

From three-star to nine-star, the harvest this time was already big enough.

“Let’s go see the tsundere saintess again!”

He smiled, opened the mobile cave abode, and walked in.

“Change into it!”

He took out a set of normal clothes and threw it over.

“Huh?!”

She looked down and was stunned. She was used to revealing clothes, so she was not used to such normal clothes.

“You ... Are you going to kill me to silence me?”

She seemed to have thought of something, and her pretty face turned pale.

This guy was acting so abnormally, he must be going to kill him.

Tang Hao rolled his eyes and looked at her as if she was an idiot. “If I wanted to kill you, I could’ve just killed you. Why did you have to change your clothes?”

“That’s true!”

Su lingsu was stunned.

But then, he felt that something was wrong. This guy was a pervert, and the mind of a pervert was definitely different from others.

“If you don’t want to wear it, I’ll help you!”

Tang Hao picked up his clothes and walked up to them.

“Don’t! I’ll wear it! I’ll wear it myself!”

She blushed and took a step forward to snatch the clothes from Tang Hao’s hands. Then, she quickly put them on.

“You really don’t want to kill me?”

She tidied her clothes and heaved a sigh of relief.

Wearing this dress, she finally returned to the Holy and flawless tai Qing saintess.

“You came pretty quickly!”

Tang Hao was about to reply when his expression suddenly changed.

“Who’s here? Are you from my tai Qing Palace?”

Su lingsu was overjoyed.

“Yup! And that Palace Master of yours, he’s also here!” “Let’s go!” Tang Hao said. As he spoke, his figure flashed and he appeared in front of her. He grabbed her arm and rushed out.

“Right here!”

At this moment, a divine light swept over the mountain.

The first person was a green-robed man with a green jade crown on his head. He looked to be in his fifties and had a square face with a dignified expression.

He scanned the surroundings and locked onto the mountain range below.

Just now, he had finally sensed the aura of the saintess. She was right below this mountain range.

That little thief should be hiding in the cave under the mountain.

“It’s actually here! We’ve searched it many times, but we didn’t find it!”

Behind him, the elders of the Tai Qing Palace looked down and found it unbelievable.

In these two and a half months, they had turned the Tangshan domain over countless times. Naturally, they would not miss this place.
