

## The Mightiest Little Peasant Chapter 3378

“This means that there’s an extremely powerful formation down there!”

The Tai Qing Palace master’s expression was grave.

He didn’t believe that a little perverted Bandit from the Tangshan region could abduct the saintess of his tai Qing Palace and hide her for more than two months under the crazy search of the world.

There must be an expert behind this!

This matter might be directed at him.

“You guys back off!”

He turned around and waved to his left and right.

“Yes, Palace Master!”

The group of tai Qing elders responded and retreated.

They looked at the mountain range below with grave expressions.

Previously, they had also thought that this was a perverted little thief that could be easily caught, but now, they didn’t dare to think so.

“Someone’s coming out!”

“The person beside him ... Is the Holy maiden!”

A moment later, two figures, a man and a woman, flew out of the mountain range below. The woman was the Holy maiden of the Tai Qing Palace.

“It’s that perverted Bandit, his appearance is right!”

“Then there must be an expert hiding in the dark!”

They stared at the two of them and discussed in low voices.

“Little friend, I don’t know which expert is behind you. Why don’t you ask him to come out and let us have a Frank chat? if you have any grudges, just come at me directly. There’s no need to bring disaster to my tai Qing Palace’s people.”

The palace Master of tai Qing Palace chuckled and said.

“There’s nothing to talk about. I’m returning him to you!”

Tang Hao released his grip and pushed the saintess forward.

“You ... You want to let me go?”

Su lingsu was stunned and couldn’t believe it.

Above, the palace Master of tai Qing Palace was also stunned. He narrowed his eyes and his mind was particularly heavy.

There must be a conspiracy!

'Perhaps the old monster behind this has done something to Ling Su to plot against me.'

Right! It must be like this!

The more he thought about it, the more he felt that this was the case.

Therefore, he still had his hands behind his back and did not take it. The corners of his mouth even curled up into a smile, as if he had seen through their scheme.

"You guys ... Don't want it?"

Tang Hao looked left and right. He was stunned.

This group of people from the Tai Qing Palace did not seem to have any intention of picking her up.

What was going on?

He didn't want the Holy maiden just because he said so?

"Hmph! I've already seen through your petty tricks!" The palace Master of tai Qing Palace sneered, as if she had the pearl of wisdom in her hand.

See through your sister!

Tang Hao's eyes twitched.

He rarely killed women, so he was kind enough to return the saintess to them. But these people didn't want her. They must be stupid!

"Did You Do Something To Me to plot against my master?"

Su lingsu turned around and said with hatred.

Her beautiful eyes were filled with grief and indignation.

"Sneak attack your head!"

Tang Hao rolled his eyes and cursed under his breath.

This group of people seemed to have overthought it!

"Do you want it or not!" "F \* ck!" Tang Hao cursed again. He pushed the saintess up.

Her cultivation had been sealed, so she naturally lost the ability to fly. In her panic, her hands flapped non-stop, and she screamed as she fell.

"A!"

When the palace Master of tai Qing Palace saw this, he gritted his teeth and attacked.

After all, he was his disciple. Even if he knew there was a problem, he had to take action.

He stretched out his hand, grabbed it, and pulled it back.

“Eh? No problem?”

He was stunned when he used his spiritual will to scan the area.

Other than his cultivation being sealed, there were no other problems!

“Let’s go, I don’t want to play with you guys anymore!”

Tang Hao waved his hand, then turned around and left.

“You little thief, you insulted my Grand Pure Holy maiden. Do you think you can get away with it?” The palace Master of tai Qing Palace shouted angrily and threw the saintess back. Her figure flashed and she chased after him.

His body trembled violently, and there was a bright, sun-like radiance that bloomed. It was extremely yang, extremely firm, and extremely vast.

This was the aura of the Yang God Realm!

He shouted as he stretched out his palm and slapped at the figure across the air.

He was forcing the person behind this to show himself. Even if he didn't show himself, he could still kill this thief and save some face for his tai Qing Palace.

"Old man!"

Tang Hao's body stopped moving. His expression darkened.

"Just in time. Let me test the power of the Yang God Realm. At the same time, I'll test my current battle strength!"

He muttered.

Ever since he had come to the God World, he had never used his full strength, especially after he had used his God crystals to advance. He was not sure how strong he would be if he used his full strength now.

Now, he could use this sun god as a test stone.

He calmed his mind and slowly clenched his fists.

BOOM!

His body trembled, and suddenly, a dazzling divine light shot up into the sky. The nine-colored divine crystal between his brows glowed dazzlingly.

Whoosh!

He turned around at lightning speed, gathered all his strength, and threw a heavy punch.

“This ... This is ...?”

The Tai Qing Palace master’s expression changed instantly.

This power was so vast and majestic that it was close to the Yang God Realm!

But this was too absurd!

Wasn’t it said that this perverted Bandit was only at the God level?

That’s right! He was the person behind this, not some perverted Bandit, he was just pretending.

But that didn’t seem right either! His aura was clearly only a nine-star celestial deity, so how could he possibly erupt with power close to the Yang God Realm?

This was impossible!

Even a nine-star celestial God was still a distance away from the Yang God Realm. No matter how powerful a person was, it was impossible for them to cross this distance!

Who was this guy?

At this moment, his eyes were wide open, and a huge wave rose in his heart.

Bang!

The fist and palm collided, exploding into a boundless brilliance.

Circles of ripples spread out madly.

Palace Master tai Qing's body trembled slightly, and Tang Hao also trembled. He took a few steps back and quickly stopped.

"Not bad!"

He had only retreated two or three steps after exchanging a blow with a Celestial King. This battle prowess was already very good. He had just entered the nine-star level. When he reached the peak of the nine-star level, he would be able to fight a sun god head-on.

"Who ... Who are you?"

The palace Master of tai Qing Palace did not attack again. Instead, she looked at him with an extremely horrified gaze.

He was clearly only a nine-star celestial deity, but he could fight the sun god head-on. What a heaven-defying strength!

This guy must have a shocking background.

"Nine-colored light! His divine crystal has nine-colored light!" When he noticed the nine-colored light between his eyebrows, his mind was shocked again and he was even more horrified.

“That guy ... Exchanged a punch with the palace Master?”

“He ... Who is he?”

In the distance, everyone was dumbstruck.

The Tai Qing elders had always thought that this was just a perverted thief and that the master was someone else. But in the end, they found out that this perverted thief was the master. His strength was so strong that he could exchange a punch with an elder of the Tai Qing Palace. This was completely unbelievable.

As for su lingsu, although she knew that this perverted Bandit was in disguise, she didn't know that his strength was so strong.

At this moment, her beautiful eyes were wide open, and her cherry-like mouth was wide open, unable to close.

“Nine stars of the sky god, fighting the sun god ... Hiss! What kind of monster is this!”

When she came back to her senses, she sucked in a cold breath and was extremely shocked.

She had always thought that her talent was not bad, that she had first-grade divine crystals, and that her comprehension was top-notch. She could kill countless geniuses of the hundred territories in seconds.

But even so, her battle prowess could only cross one minor tier.

The guy in front of him had crossed a major realm and had heaven-defying talent!
