

The Mightiest Little Peasant Chapter 3380

“Which country is better? It was almost the same, it depended on personal preferences. The Holy Lands in the divine martial country are more inclined towards martial arts, while the ones in the Vermillion Bird country are more inclined towards sorcery.”

Tang Hao made a decision after asking a few more questions.

Between martial arts and sorcery, he preferred the former.

To him, the divine martial Kingdom was the best choice.

“As for which path is the best, it depends on you. If you’re talented, you’ll naturally go to the Holy Land. If you’re smart, you’ll go to Shen ‘du and become a guest. Although the last path can make you rich, it’s too dangerous and not recommended.”

“I heard that the two countries are going to have another war at the border soon. Many geniuses from both countries are going to participate to gain military merits for the forces behind them. Joining the army now is equivalent to suicide.”

Tang Hao raised an eyebrow when he heard that.

Talented and smart, wasn’t that him!

“Forget it. I’ll go to the divine martial capital to take a look first. It won’t be too late to choose then!”

He thought about it for a while but couldn’t make a decision.

To him, he would pick the path that could help him reach the Shangyang divine realm faster. Therefore, he had to go to the divine martial Kingdom and understand the situation for himself.

“I heard that the Saint has been found!”

“The palace Master of tai Qing Palace took action personally and snatched her back. As for that little pervert, I heard that he wasn’t the mastermind, but someone else.”

“I knew it. How could a perverted Bandit in the middle state kidnap the Grand Pure Holy maiden and fool so many people? he’s just a tool.”

The news from the Tangshan region had also reached here. People were discussing this matter everywhere in the restaurant.

After sitting in the restaurant for a while, Tang Hao stood up and headed toward the divine martial Kingdom.

As he neared the border, he saw a wall that was millions of feet tall. It stretched from one end of the sky to the other.

The wall was black and exuded a cold aura.

On the top of the wall, he could still see people moving, as if they were patrolling.

“At least two to three million feet ...”

Tang Hao estimated from a distance.

One Zhang was more than three meters, one million Zhang was more than three million meters, and the wall in front of them was more than ten million meters. If it was seen by a mortal, it was really higher than the sky.

“It is said that this border wall is nothing. The one that separates Suzaku from it is the most powerful one. It is taller, thicker, and more majestic!”

Tang Hao was shocked.

There were some places in the God World that were even more majestic and imposing than the immortal world.

In front of this high border wall was a vast and boundless wilderness.

From all four directions, rays of divine light flew over and headed in one direction.

It was the gate of the border.

If they wanted to enter the divine Kingdom, they still had to go through there, or it would be considered an illegal invasion.

He turned around and headed in that direction.

Ten minutes later, he landed under the high wall. There was a door here, and two teams of armored soldiers stood in front of the door. They were all dressed in black armor, and judging from their auras, most of them were at the mid-level deity stage. The one who looked like their leader was at the spiritual God stage.

“What is it called?”

“Where did you come from? what are you doing in my divine martial Kingdom?”

In front of him, a few people were lined up and were being questioned.

Tang Hao walked up and it was his turn.

“Mu Xiaoyao!”

“I’m from the Tangshan region. I’m going to the divine martial capital for a job. ”

Tang Hao still used the identity of pervert mu.

The soldiers didn’t react, but the ones in the back line couldn’t help but widen their eyes in shock.

Mu Xiaoyao?

Isn’t this the little lecher who kidnapped the Grand Pure Holy maiden?!

“That should be an act. If it was real, he would have been killed by the palace Master of tai Qing Palace!”

“That’s true!”

But very quickly, they felt relieved.

According to the latest news, the saintess had been kidnapped by someone else.

But then, their eyes revealed a look of disdain.

Although this guy didn't abduct the Saint, he was still a perverted Bandit, which was disdainful.

"This, hold it well!"

The soldier at the door did not ask any questions. He handed Tang Hao a black metal plate and let him pass.

After passing through the city gate, the view in front of them suddenly brightened up, and a bustling city appeared.

"Brother, are you going to the capital? It's only 10 yuan!"

"Brother, where are you going?"

After walking a few steps, a group of people gathered around and fought to be the first to ask.

Tang Hao only found out that they were all unlicensed drivers.

"Brother, let's go, let's go. They're all 10 yuan and I only need 9 Yuan. I'm only lacking you. Hurry up and get in the car!"

Tang Hao looked behind them and saw carriages pulled by birds.

“It’s quite interesting!”

Tang Hao chuckled. He took out nine divine coins and gave them to the most enthusiastic elder brother.

“Brother, come!”

The man laughed heartily and pulled Tang Hao to a car.

There were already quite a few people in the car. When they heard the commotion, they turned their heads.

“Brother, sit tight. We’re setting off now!”

The Big Brother also got on the carriage and patted the bird’s back. The huge black bird got up, flapped its wings, and flew up.

“This is the most remote border, very far from the country. It will take about six hours to fly there. I will call you when we arrive.” He said and focused on driving the flying beast.

“Brother, look at you, you look a little familiar, have we met before?”

In front of Tang Hao, a man in his forties wearing a green robe suddenly spoke.

He had been staring at Tang Hao ever since he got into the car. He looked suspicious.

“Is that so?”

Tang Hao smiled.

“Yup! I feel like I’ve seen him before. What’s your name, brother? Where are you from?” The green-robed man said.

“Mu Xiaoyao!”

Tang Hao said with a smile.

“Mu ... Xiaoyao?” The green-robed man was stunned. He seemed to have thought of something, and his expression changed.

His eyes widened, revealing a look of shock.

In the carriage, a few other people reacted and looked over.

One of the young men even had killing intent in his eyes.

“What’s wrong? Am I that famous? Does everyone know me?” Tang Hao scratched his head and chuckled.

“Hmph! You perverted Bandit, who in the hundred territories of the East continent doesn’t know you!”

The green-robed man shouted, his expression contemptuous.

“The fact that you’re here alive means that you didn’t kidnap the saintess. Otherwise, you would have been killed by the palace Master of the Tai Qing Palace.” He looked at Tang Hao from head to toe with a mocking gaze.

“Hey! I would like to, but I don’t have the ability!”

Tang Hao did not mind. He was still smiling.

“You have guts! You shameless thief, how dare you profane the Holy maiden!”

The young man beside him immediately shouted, his eyes filled with killing intent.

A domineering aura gushed out from his body and suppressed the entire carriage.

It was the heavenly God Realm.

“Who are you?” Tang Hao was confused.

From the looks of it, this guy seemed to be very interested in the Tai Qing saintess. Was he also a member of the Army of bootlickers?

This was too much of a coincidence!

He had already left the hundred territories and arrived in the divine Kingdom, yet he could still meet her Lackey. Was her charm really that great?

Tang Hao rubbed his nose. He was a little upset.
